

# HUSKERS HAVE SECRET DRILL

**Bearg Gives Men a Shakeup in Preparation for Crucial Test Saturday**

The Husker squad spent most of the practice session last night behind the locked doors of the training room. Coach Bearg had a lot to tell his football warriors and a big shakeup in football tactics was on deck for the ball luggers who saw service in the Cyclone game Saturday. The fight the Nebraskaans gave the Iowa State eleven was everything but brilliant and the coaching staff will work overtime in the two remaining practice sessions in a last attempt to prepare for the crucial clash of the season at Columbia next Saturday.

Valley Standings			
	W.	L.	Pct.
Nebraska	1	0	1.000
Missouri	1	0	1.000
Kansas	1	0	1.000
Washington	1	0	1.000
Grinnell	0	1	.000
Kansas Aggies	0	1	.000
Iowa State	0	1	.000
Oklahoma Aggies	0	1	.000

Coach Bearg put his second and third string teams through a hard scrimmage last night with the freshman squad as the Varsity regulars looked on and saw where the weak points were. The frosh were adorned in the Missouri sweaters, giving the scrimmage more of a realistic affair. Development in the forward wall and the defensive side of the game seems to be the big problem at the present. Line Coach "Bunny" Cakes discovered several weak points in his line attack in the Iowa State game and was blistering these up in last night's practice scrimmage.

**Two On Injury List**

The injury list from the Cyclone game amounted to an injured side for Blue Howell and an injured ankle for Glenn Pressnell. Both injuries to the Husker backs will be in shape for the Tiger-Husker game Saturday. The Missouri eleven came through the Aggie game in fine shape and are all in perfect trim for the Huskers. Bert Clark, stellar Missouri quarterback was out of the lineup against the Aggies but will be back in the game against the Huskers. This will strengthen the Tiger backfield to a great extent.

Clark it will be remembered was the back who scored both touchdowns against Nebraska on Stadium field last year, to sink all Nebraska's hope for a Missouri Valley championship. Critics throughout the country are figuring on Coach Gwinn Henry's football eleven as one of the strong-

est football eleven in the middlewest. Two more days of practice are on deck for Bearg's squad and then the trip south to Columbia. For the past two seasons Gwinn Henry has developed a Tiger football team strong enough to beat Nebraska. This will make the third game since Nebraska has taken the count on Mizzou and the dope bucket favors the Mizzou Tiger.

**IN THE VALLEY**  
By JACK ELLIOTT

The breakup of the Missouri Valley may cause some action in the Rocky Mountain conference according to Colorado papers. The Missouri Valley was broken up because it was too large and had too many schools and each school could not meet all the others. The R. M. conference has twelve schools scattered over an unwieldy area and conference officials are thinking in the same line of the Big Six.

Football talk in the east this fall does not center around the "has been" Big Three, for the said conference like the Missouri Valley is no more. Harvard, Princeton, and Yale used to be the football center but is no more for the football power of the country is moving westward. The New York Violets, the Husker foe for Turkey day is touted as the strongest eleven in the country and are booked to go through the season without a defeat. New York went through a most successful season last year on the gridiron without losing a game until they came to the Husker stronghold. Nebraska took the strong Atlantic seaboard football team to a 15 to 7 beating last year and will attempt to repeat again this year.

Harry Johnson, Iowa State's left end received a broken arm in Satur-

day's game and will be out of the game for the rest of the season. Johnson's injury came late in the fourth quarter of the Husker-Cyclone game. Blue Howell's side injury seems to be getting along in fine shape and Bearg expects the Husker back to be in the game against the Tigers at Columbia Saturday. Glenn Pressnell's injured ankle is holding him back in the few remaining practice sessions before the big clash but the coaching staff are figuring on the Husker four forsmen to start against Mizzou Saturday.

The Oklahoma Sooner's football stock went up one hundred percent when they took Coach Stagg's Chicago eleven to a 13 to 7 defeat at Chicago Saturday. The Sooner-Maroon game was one of the most spectacular in the Big Ten last week.

Oklahoma was trailing 7 to 0 with five minutes of play left when Haskins, 155-pound Sooner halfback passed his team to two touchdowns and victory. A 35-yard pass to Churchill started the victory drive and another 35-yard pass to Crider and Coach Stagg's Maroon eleven was defeated.

The "Mizzou" Tigers opened their Missouri Valley season with a win over the Kansas Aggie Wildcats at Columbia last Saturday. Missouri has taken the count on Nebraska for the last two years and now the Husker eleven is out to beat the Tigers on their own lair. They say Mizzou has the Husker jinx, and the Nebraska team says it all bunk. The Nebraska coaching staff is working these last few days to put the Scarlet team in perfect shape for the Tiger

clash. The Husker squad needs a lot of working over before Saturday's game and improvement is the byword in the Husker camp if they expect to take the Missouri game.

## Undiscovered country in industry

THE globe's surface no longer holds much undiscovered country, but the pioneer-minded man can still find plenty of it in industry—particularly in the telephone industry. In the Bell telephone companies throughout the entire country, men are now exploring the 1930's and 40's and 50's, charting the probable trend of population and the requirements for service. In research and development, and in telephone manufacture as well, the Bell System takes seriously its responsibility to give adequate service now and to grid itself for a long future.
