

## BLACK'S SQUAD SHOWS PROMISE

### Basketball Candidates Drilled On Fundamentals; Veterans Form Nucleus

Coach Charley Black's basketball squad spent Tuesday afternoon's practice session in a lengthy drill on fundamentals. Approximately twenty-five candidates for berths on the regular squad turned out and showed fine promise for a Cornhusker quintet of note.

Scrimmage has been barred by Coach Black thus far, but he plans to begin action in a short time. The quantity and proficiency of the material already at hand, disregarding the absence of regulars out for football, points to big things for the 1927-28 season.

**Competition Is Strong**  
Elliott, Olson, and Othmer comprise the total of veterans. They are rounding into form rapidly.

Ralph Beuchner, former Lincoln high school star and yearling regular, is suited up for a guard position. Beuchner should present lots of opposition for anyone desiring a similar berth.

Thursday afternoon, the squad will hold another practice on the Coliseum court. A list of the candidates reporting to Coach Black follows: Captain Tom Elliott, West Point; "Kenney" Othmer, Omaha; Bob Krall, Grand Island; Tom Thompson, Tilden; William Nicholson, St. Paul; Harold Halboisen, Litchfield; Cy Yordy, Lincoln; Pete Milecki, Wyoming; Bill Ungles, Lincoln; Bryant Holmes, Leoti, Kansas; Ed Armstrong, St. Paul; Ralph Beuchner, Lincoln; Leon Wondra, Weston; C. W. Olson, Lincoln; Harry Johnson, Omaha; Paul Mitchell, Omaha; Dick Peterson, Genoa.

### IN THE VALLEY

By JACK ELLIOTT

"Did you ever see a man go like the Presnell boy goes?" That's what the small crowd of Husker fans said as they watched Glenn Presnell brushing up on his ball lugging on Stadium field last night. Presnell was giving two tackles the opportunity of stopping him within a distance of ten yards. Needless to say what the outcome was for the Dewitt youth would elude the charging arms and hands of the pair of tackles nearly every time. He has a pivot, side step and change of pace that is discouraging to the men on the defense. "If Zeigfield could see you now you would be in the follies" was the way Coach Ernest Bearg expressed it after Presnell had worked out for thirty minutes dancing around the tackles and shaking loose of the tackles that would have been good on any other backfield man.

This pivot and twisting is one of the most important things in football today and no coach can hand it out to his players. They have to learn it themselves and time it so that they

will not pivot before the tackle is made. "Bud" McBride is getting along fairly well in this phase of the pigskin pastime but has a lot of room for improvement.

The Kansas Jayhawkers are still stinging with the defeat the Kansas Aggies handed them on the Kansas field last Saturday. For four years the Bachman crew has subdued the K. U. outfit and it seems to be a tradition now that Kansas has beaten the Purple eleven for the last time. The Aggie-Jayhawk game is the hardest fought battle for both schools. The fight for football supremacy in Kansas between the two largest Kansas schools never fails to draw the largest crowds at either of the stadiums.

Coach Ernest Bearg, head football mentor at Nebraska will take advantage of this Saturday's layoff and go to Syracuse to watch the opponents of the Nebraska Huskers for next Saturday in action against the Penn State eleven. Coach Oakes will also view one of the Husker's opponents in action when the Pitt Panthers meet the Allegheny eleven at Pittsburgh. The Panthers are rated as one of the strongest elevens in the east and football critics are looking for the Pitt eleven to go through one of the most successful seasons in recent years.

## HARRIERS PREPARE FOR KANSAS MEET

Captain Johnson, Chadderdon, and Sprague Show up Fine; Prospects Bright

Nebraska's cross-country squad is working out steadily for their dual meet Saturday at Manhattan with the Kansas Aggies, conference champions of last year.

The three Husker veterans, Captain Glen Johnson, Chadderdon, and Sprague look mighty fine. All three clipped the course record in last week's trials. Kibble, who beat Batie out of a place on the team, will be running in his first intercollegiate race Saturday. The other two members of the team will be Cummings and Griffen who ran against Missouri.

Husker fans are worrying less about the cross-country prospects than usual due to the large number of available substitutes. Batie, Ethertop, or Janulewicz could step in any time and run right along with the six men on the team. Last year, the Huskers had a hard time finding six men who could run when Johnson was ineligible. A fine freshman squad from last year put three men in the running and several of last year's substitutes are doing better time this year than the varsity time last year.

## Athletic and Scholastic Ability Form The Basis of N Club Awards

"N" CLUB HIGH SCHOOL SCHOLARSHIP TROPHY

The N club scholarship awards have been made for the year 1926-27 and the high schools will receive the awards soon. The results this first year have been very satisfactory and this contest should do much to eliminate the athlete who is lazy scholastically, for there is no reason why the good athlete should not be a high class student, according to the athletic committee.

The N Club's object is to make athletic ability go hand in hand with scholarship. They believe that the man who has the courage and coordination to play any of the great games successfully should by the same attributes be an outstanding student.

**Winners Announced**  
Thirty-six schools reported grades. The winners in Group I were Benedict, Bertrand, and Dix Rural; in Group II were Arnold, Neligh and Wood River; Group III, Alliance, Norfolk, and Hastings. The Honor

Roll has in Group I Dodge, Henderson, Indianola, Odell, and Wakefield; and in Group II, Ashland, Exeter, Millford and Stanton.

The groups are divided according to the number of pupils enrolled in the school. Group I is for schools of one hundred or less students, Group II, one hundred to three hundred, and Group III has three hundred or over.

## "Jug" Brown's Fame Extends To Honolulu

Nebraska Huskers are not known just in the middle west or in the east for the prowess in the pigskin sport but the news of the Nebraskans reaches out to the far corners of the globe.

The sports staff of the Nebraskan received a clipping yesterday from the Honolulu Star-Bulletin dated October 6 in which a news item on Captain "Jug" Brown was given. It was listed under College Captains for 1927.

### Youthful Dream Realized

"It's the realization of a youthful dream, the captaining of the Nebraska football team this year by Johnny "Jug" Brown.

"Ever since Johnny was big enough to crawl over a fence, he has been around the university stadium. Living close to the stadium, athletics, especially football, were second nature to him.

"And during those fence-climbing days as a tot, Johnny built his castle of some day captaining the Nebraska football team. His dream came true last year when Johnny, despite a somewhat poor year because of a weak knee, was elected to captain

the Cornhuskers of 1927.

### Quarterback Is Shifty Player

"Brown, as a quarterback, will do all the punting and passing for the team, will play safety, and also do a bit of running with the ball. He's shifty, very fast and weighs 170 pounds.
