

# HUSKERS 21; SYRACUSE 0

(Continued from Page 1)

Baysinger in the game the Syracuse eleven would have been helpless against the powerful Nebraska team. The Orange line gave and then broke as a fast charging Nebraska backfield pierced the wall for gains of eight to fifteen yards on a down.

The usual Nebraska rain could not get under way and the 23,000 Husker fans watched the Cornhuskers trim the Orange crew on a fast field with perfect October weather.

### Richards Kicks Off

Nebraska won the toss and Richards kicked off to the Syracuse two-yard line and the oval was returned twenty-two yards. The Orange backfield launched the first play against the Husker forward wall but was thrown for no gain. The second play netted the easterners but three yards and Baysinger punted. The Huskers in possession of the ball started the play down the field and completely baffled Syracuse with line drives and wide end runs.

Presnell was given the ball on the opening play and he was not stopped until he had traversed the sod for nine yards. Witte then drove through the line for the needed yard and a first down. Eight yards were made on the next play with Bill Bronson lugging the ball. The quarterback assigned himself to carry the ball again and made the extra two yards for another first down. Witte collected a yard and Presnell skirted the wing for seven more to put the pigskin on the six-yard line. The Dewitt youth took the ball again and with a perfect interference drove over the chalk line for the opening touchdown of the game. McMullen's kick was good.

### Start Passing

After the first touchdown was scored by Presnell, Richards kicked off to Syracuse and the Orange crew launched its aerial attack again but to no avail. The Huskers took the ball and started again on their victory march down stadium sod. An assortment of forward passes, wide end-runs and drives through the forward wall of the seaboard eleven, put the oval on the one-yard line. Presnell was given the ball and in a perfect swan dive went over the Orange line for his second touchdown of the game.

A long end-run by Oehlrich in the first quarter was one of the sensational gains of the game but was ruined when the Husker fullback tumbled the ball. Syracuse recovering on the fourteen-yard line. The quarter ended with the ball in the middle of the field.

### Orange Penalized

Resuming play in the second stanza, Syracuse received a five yard penalty for off side, giving Nebraska a first down. On the next play Syracuse was assessed five more yards for being off side. Blue Howell hit tackle for eighteen yards. A "wag-on hole" was opened up for the Nebraska line driver and he picked the hole for a brilliant run. This put the ball on the twenty-yard line. Nebraska was then given five yards for being off side and then Presnell passed to Lee for one of the most spectacular passes of the afternoon, but the pass was called back and Nebraska was given five more yards for being off side.

The Huskers lost the ball on downs and Baysinger called his first play for a forward pass. The Orange quarterback threw a seventy-yard pass to Goldman that was incomplete. Two more of the aerial type were tried by Syracuse and both failed. Baysinger punted to Presnell, Presnell returning the oval fifteen yards.

### Syracuse Line Holds

The Nebraska eleven then started on another touchdown march down the field but were halted after they had reached the nine-yard line. Syracuse took the ball on downs and punted sixty-eight yards. Captain "Jug" Brown was sent in to relieve Bronson at the pilot position. The

first half closed with Nebraska in possession of the ball after Captain Brown has intercepted a Syracuse forward pass.

Coach Bearg in the second half sent in McBride for Presnell, Witte for Howell and Farley for Oehlrich. Richards kicked off to the five-yard line. The reserve backfield proved to be as effective as the first four and drove through the Orange team for big gains. McBride and Witte worked together in the Husker backfield in machine-like perfection. On a fake play "Bud" tore through the Orange eleven for a fifteen yard gain.

### Sebo Called Back

The tense moment of the game came after Witte had passed and the pass was intercepted by Sebo. The Syracuse fullback was ahead of all the Husker men and raced over the line for a touchdown but the play was called back as Syracuse was off side and referee Edmonds penalized the Orange eleven five yards.

Nebraska was forced to punt and Syracuse again tried the passing game. The first pass from Baysinger fell into the arms of Witte and the Huskers took the offense again. McBride carried the ball and three Syracuse players through the line for five yards on the first play. Nebraska was forced to punt and held the Orange for a punt.

### Farley Goes Over

The second string backs with the first string Nebraska line started on another touchdown march. The Husker forward wall did some of the best work of the season and held out any Orange player that dared to come through the line. McBride and Witte carried the ball to the eight-yard line on a combination of line bucks and end runs. Captain "Jug" Brown called for a pass with Witte on the passing end. A long pass over in the corner of the field was scooped up by George Farley, diminutive Husker fullback, and he stepped across the line for the third and last touchdown. Brown's dropkick for point was good. Score Nebraska 21, Syracuse 0.

In the fourth quarter Bearg sent in his reserve line and they performed in real style, holding the Syracuse team to three downs. The fourth quarter was the weak period for the Nebraska eleven and only one first down was marked up. The Syracuse crew attempted in vain to score on Nebraska by the forward passing route.

### Substitutions

The game ended with Nebraska in possession of the ball on the twenty-one yard line. Substitutions for Nebraska were: Howell for Witte, Ashburn for Lawson, Brown for Bronson, Farley for Oehlrich, Raish for McMullen, Holm for Whitmore, McBride for Presnell, Witte for Howell, Bronson for Brown, Sprague for Lee, Sloan for McBride, Peaker for Bronson, Drath for Raish, Whitmore for Zuver, Shaner for Sprague, Ray for Munn, Munn for Randels, Grow for James, Lucas for Richards.

## Student Dishonesty Treated in Report By University of Wisconsin Professor

Madison, Wis., Oct. 29.—Side-lights and statistics on "cribbing" and other dishonesty in college classroom work are contained in the annual report of Professor Ray S. Owen, chairman of the discipline committee of the University of Wisconsin. The report was presented to the university faculty at its first regular meeting of the present academic year, together with a digest of the committee's work for the past three years.

Out of a student body of about 8,500, exactly 99 students were reported to the committee last year and of these 54 were found guilty and punished. During the last three years, of the 260 reported to the committee, 165 have been found guilty and punished, while the others were dismissed for lack of evidence. Of the 165 convicted, 117 were men and 48 were women. During the last year 35 men and 19 women were convicted. In the three year

total, 70 were freshmen, 50 were sophomores, 31 were juniors, 12 seniors, 1 was a graduate student, and 1 an adult special.

Although ages of students punished ranged from 18 to 32, the average age was 19.8 years in the three-year period. The average age of offenders last year was 19.2 years. In the three years there were 116 under 21 years and 49 over 21.

As for the scholastic grade of those punished, one had an average of "excellent," thirty-one, "good," eighty-nine, "fair," and forty-four, "poor." The most common penalty was "probation" and extra credits to be earned for graduation. A grand total of 142 semesters of probation and 89 "extra credits" was assessed during the three years, an average of about 5 credits per student.

Exactly nine students, four of them second offenders, were suspended during the three-year period; three were suspended last year.

Shouting "rah-revolution!" and "We want freedom!" the student body of the University of Oklahoma staged an abortive revolt on the campus today in protest of being "ruled like a bunch of children."

At 9 o'clock despite previous announcement that the "revolution" would not materialize following hang-fire demonstration last night, the students skipped hilariously to their revolt, and an hour later with a "you! hee!" went back to school again.

The crowd at the Notre Dame game Saturday numbered 17,000 persons, is the estimate of L. L. Fialus, of the activities office. It was the largest crowd ever in the stadium, surpassing the former record attendance of 16,000 at the dedicatory game with Purdue two years ago.

An effort was made to keep the student section for students only by cutting off these sections from the

rest of the stadium, and by requiring the students to show their activities books.

The seats for the Purdue game already are sold to between the 15 and 20 yard lines.
