

## SECOND INDOOR MEET IS HELD

Distance in Shot Putting Event And Time in Two Mile Race Feature Track Contest

### MEN URGED TO ENTER

Featured by a throw of the 16-pound shot by Ashburn, which measured a distance of 31 feet eight inches, and the time of 10:15.2 in the two mile race by Sprague, Coach Schulte held a track meet last evening which was termed by him a success. Although not many varsity men appeared in the events, some of them were hotly contested. This is the second of the indoor meets held by Schulte and Lewis. The purpose primarily was to "uncover" some new material for the track team this year.

The men are getting into shape and some of the events were run in fast time. Coach Schulte urges every man who wants a trial to run in one of these meets. There probably will be another soon. The non-varsity men won enough of the events to claim the meet, although the points were not compiled. The events and their results are as follows:

#### Events

High hurdles: time, 6.8, won by Trumbull, non-varsity.

Two mile: time, 10:15.2, won by Sprague, varsity, Beatty, varsity, second.

880 yard dash: time, 2:09.75, won by P. Mozer, non-varsity, second, Wickwire.

Broad jump: 21 ft. 10 in., won by Elkins, varsity, second, Tomson, non-varsity, 21.5.

Shot put: 31.8 in., won by Ashburn, varsity; Elkins, second.

Five: time, 4:46, won by Janulewicz, second, Kibble, non-varsity, third, Etherton, varsity, fourth, Beatty, varsity.

50 yd. dash: time 5:7, won by Elker, non-varsity.

Quarter mile: time, 54.2, won by Wyatt, non-varsity, second, Campbell, varsity, third, Davenport, varsity.

Low hurdles: time 5:8, Trumbull, non-varsity, and Krause, varsity, tied.

### IN THE VALLEY

By JACK ELLIOTT

H. W. "Bill" Hargiss, director of athletics at Emporia State Teachers' college has been appointed head football coach at Kansas University to take Coach Cappon's place. Cappon and his staff recently resigned from the Kansas school.

Hargiss is one of the best known coaches in Kansas and has turned out winning teams in football and basketball at the Emporia school.

The highest honor in the football world was bestowed on Glenn Pressnell, Nebraska's hall-toting ace, when Lawrence Perry in the World-Herald Sunday picked "Pres" for a halfback position on his first All-American eleven. Perry says Pressnell is the greatest running back he has seen in all time.

Due credit was given "Blue" Howell by this widely known sport critic when he stated that the Cornhusker captain-elect was one of the finest interference runners he had ever seen.

Chet Wynne, football and basketball coach at Creighton university was in conference with Athletic Director Mike Ahern at Kansas Aggies last week. Ahern and Wynne had little time to confer on account of serious illness of Wynne's brother in Topeka.

The Creighton coach has been asked to consider the football coaching position at the Aggie school but as yet he has given no answer. There is considerable sentiment at Manhattan for hiring Wynne as the new football coach and it is certain that he would be warmly supported by Aggie students, faculty and alumni, as well as by the people of that territory.

Coach Corsant at Kansas Aggies is expecting a strong Wildcat basketball five this season. The Aggie quintet is something of a dark horse in the Valley so far this season. Each year the court master at Man-

hattan turns out powerful basketball teams and this year is booked to be no exception.

Elsewhere in the Nebraskan will appear an all-time football rating in which Nebraska leads by 177 points in the percentage column. This all-time football rating covers the years from 1890 to 1927. The Cornhuskers have won more games in that time than any other Valley team and held their opponents to but 601 points.

The basketball dope on paper looks good for plenty of keen competition in the Missouri Valley this winter. Kansas, Nebraska, Missouri and Oklahoma will all have strong court teams this season. Prospects for a winning team at the Husker school look great this year and with "Phog" Allen developing a strong quintet around his six veterans from last year's squad, the flag race should be a real race.

Oklahoma Aggies is considered another dark horse in Valley basketball circles. Coach John Maubetsch has several veterans back this season. Heading the vets are Captain Olin Statton, guard; King and McCoy, forwards. The Aggies finished in a tie for fifth place last year.

Glen Munn, last member of the athletic Munn family, is performing in stellar fashion at the center position of Coach Charley Black's basketball team. During the Monday afternoon workout, Munn demonstrated his ability by sinking long and follow-in shots numerous times. Because of his height, Munn fills the pivot position adequately and will be able to get the tip-off over most of the other Valley centers. In casting around for a man to fill Ted Page's shoes, Black picked out young Munn, and the way he is performing, great things are expected of the elongated center.

## ALPHA SIG WINS FROM DELTA U

championship game of league four. The game was hard fought, with Delta Upsilon making only one bid for the lead in the latter part of the first half. The Delta Upsilon hopes, however, were short lived when shortly after the first half the Sig Alphas doubled the score over the opponents. Norling holding down a forward position on the Alpha Sig team seemed able to locate the hoop from any angle of the floor and finished with a total of 16 points. Cass of the Delta Upsilon team was second in the scoring list with 6 points.

Tau Kappa Epsilon overcame Phi Kappa Psi 16 to 5 in their tilt last night. The Tau Kappa Epsilon quintet had a comparatively easy time rolling up a good margin over the opponents, while the Phi Psis were unable to penetrate the Tau Kappa Epsilon defense. The Phi Psi team missed the floor work of Melhoin in the game. Sharp playing guard on the Tau Kappa Epsilon team starred for the winning team and was high-point man with six counters to his credit. Gaakill playing center for the Phi Psis starred for his team.

Pi Kappa Alpha decisively overcame the Theta Xi quintet 16 to 8 with a fine exhibition of floor work in the last half. Theta Xi held the winners to a 6 to 4 score in the first half, but were soon forced far into the rear at the opening of the second half. With Samuelson and Lepicier playing a fine game for the Pi Kappa Alpha team, Theta Xi was unable to forge into the lead. Svoboda in the Theta Xi lineup was the individual star of the game and was individual point maker with 6 points. With a wonderful scoring com-

bination of Hill and Cook the Delta Tau Delta quintet put Phi Alpha Delta on the short end of a 30 to 7 score. The Deltas gained a lead early in the contest and easily maintained it during the course of the game. The Phi Alpha Delta quintet led by Carter was unable to stand up against the scoring combination of Cook and Hill or to penetrate the defense presented by the opposing team. Cook and Hill were tied for individual scoring honors with 14 points each, while Carter led his team with 6 points.

The Phi Sigma Kappa team staged a comeback last night upsetting Phi Delta Theta, league leaders, by a score of 19 to 9. Beginning the second half with a 4 to 4 score the Phi Sigs rallied in the final period of play to roll up 15 points against the opponent's 5. The game was a hard fought contest, and at the half the outcome was doubtful, but Fisher starring in the final period for the Phi Sigs was equal to the occasion. Fisher was the outstanding player in the contest and was high point man with 12 points to his credit.

Sigma Chi won a closely fought contest from Sigma Nu by a score of 11 to 9. Although Sigma Chi gained a lead in the early period of play and were never on the short end of the score, they were continually

threatened by the Sigma Nu team which was usually about two points behind. Hggamiester starred for the Sigma Chi team and was high-point man with six counters to his credit, all made in the final period. Close behind him was Thomson with 5 points.

Theta Chi upset the dope in their tilt with Xi Psi Phi by defeating the latter team 27 to 16. The Xi Psi Phi team formerly were tied for first place in league 5, but their hopes of a league championship were lost when they met defeat at the hands of Theta Chi. Bignell playing on the forward wall of the Theta Chi team starred for the winners and was high scorer with 12 points all rung up in the first period of play.

Alpha Gamma Rho emerged victorious from a close battle with Delta Chi by a score of 16 to 15. The game was closely fought throughout and the outcome was doubtful until the last whistle was blown. The teams were frequently tied for the lead, but the combination of Roth and Roddy on the forward wall of the Alpha Gamma Rho team led their team to victory. Roth and Roddy were tied for individual scoring honors with 7 points each, while Jackson of the opposing quintet was a close second with 6 points.

Sigma Alpha Epsilon overran Phi Kappa 14 to 6 to win the championship of league 3 in a game played Monday. Although the game was closer than the score would indicate, the Sigma Alpha Epsilon quintet led by Sawyer broke through the Phi Kappa defense and scored frequently. The game was fast and hard fought, with Sigma Alpha Epsilons leading during the entire time of play. Sawyer holding down a forward berth on the winning team, displayed some fine floor work and was individual point man with 6 counters.
