

BOUT PAIRINGS ARE ANNOUNCED

Dingman, Delta Sigma Phi, Wins Over Huren, Teke, in Only Match Tuesday

One match of the inter-fraternity boxing tournament was held last evening. Dingman, Delta Sigma Phi won the decision over Huren, Tau Kappa Epsilon. The match was rather evenly contested for the first two rounds, but Dingman's right hooks to the body won for him in the final round.

The second round matches of the tournament will be held this afternoon and evening. Contestants are requested to appear on time or their bout will be forfeited. They are also required to supply their own hand wrappings and seconds. The following pairings are scheduled for today's bouts.

To appear at 4:30:
Haller, Beta Theta Pi vs. D. Erion, Lambda Chi Alpha.
Cherry, Delta Sigma Phi vs. Mallette, Tau Kappa Epsilon.
DeFord, Delta Chi vs. Shepard, Alpha Gamma Rho.

To appear at 5:00:
Rock, Alpha Theta Chi vs. Rogers, Sigma Phi Epsilon.
Warren, Alpha Sigma Phi vs. Westlin, Kappa Sigma.

Poet, Delta Sigma Phi vs. Currier, Lambda Chi Alpha.
Auracher, Phi Delta Theta vs. Smith, Pi Kappa Alpha.

To appear at 7:00:
Marquis, Sigma Phi Epsilon vs. Hockett, Pi Kappa Alpha.
Baker, Alpha Gamma Rho vs. Conner, Kappa Sigma.
Le Dought, Farm House vs. Oakes, Omega Beta Pi.

To appear at 7:30:
Lohmeyer, Beta Theta Pi vs. Asmus, Theta Chi.
Urban, Alpha Sigma Phi vs. Phillip, Sigma Phi Epsilon.
Peterson, Beta Theta Pi vs. Flanagan, Delta Sigma Lambda.
Gienger, Omega Beta Pi vs. Sharpe, Lambda Chi Alpha.
Johnson, Phi Delta Theta vs. Frahm, Farm House.

The finals will be held in the Coliseum, on the main floor, on Thursday evening, Feb. 16. An admission of 25 cents will be charged to holders of student athletic tickets, and 50 cents to all others. The proceeds of these final matches will be used to defray the expenses of sending a team to the Mid-Western A. A. U. Olympic tryouts, which will be held in Omaha on April 16 and 17.

Following the completion of the tournament now in progress, an all-university tournament will be held. This one will be open to all undergraduates, both non-fraternity and fraternity men.

The jinx is hot on the trail of the Husker basketball team and it seems that the Scarlet and Cream lads are having a stiff time of it trying to shake the jinx. Two victories in the win column are all that the Husker court team could take and the season is swinging around the half way mark.

It is out of the bag that Kansas black-balled Nebraska when the Cornhusker school asked permission of the Big Six to play a ninth game on the 1928 football schedule, but the object of the institution down on the Kaw is still in the dark. A game with Army would be a boost not only for Nebraska but the Big Six and this part of the country yet "Phog" Allen and the athletic board at Kansas could not see it in that light.

James Channon, Missouri guard and center has been suspended from school on account of scholarship and leaves the Tiger quintet with a guard position to fill. Channon did not play with the Edwards five against Oklahoma last week and will be ineligible to play basket ball next year as he was a senior this year and has had two years of competition.

Oklahoma university will add another wing to its stadium which will give a seating capacity to the stadium of 32,000. The new wing will seat a crowd of 16,000 at football games and will be finished late in the fall of this year.

The Wichita university basketball team of Wichita, Kansas, inaugurated a new mode in transportation of basketball teams when the Kansas squad left for Hays, Kansas, in airplanes. The 200 mile trip was made in two hours flying time which was a saving of four days travel by train. Five planes carried the basketballers to Hays.

Kansas university will have an all-Kansas coaching staff next year. Coach Bill Hargiss is of Kansas, Bunn is of Kansas and a university graduate, Hinshaw is also of Kansas. Lyr. Waldorf is of the territory around the Jayhawker country, his home being in Kansas City, Mo.

The football rules committee got into private session Monday and changed some of the rules for 1928. The muffed punt and lateral pass were the two items in the pigskin game that were affected. In a nutshell they removed a good share of the protection afforded the lateral pass, to do away with the confusing distinction between a muffed or fumbled punt and dealt a blow to the use of the so-called "screen pass."

Indoor Track Season Starts February 18

H. D. Gish, athletic director, has scheduled two indoor meets so far this season for the Cornhusker track team. The team will participate in its first competition of the year at the Kansas City Athletic Club meet to be held in Kansas City, Mo., February 18. The champions of the Nebraska College Conference will meet the Nebraska team February 25 in Lincoln for the second meet of the season.

SCHULTE CHANGES TRI-COLOR MEETS

New Regulations Will Secure Better Competition; Three Series Are to Be Held

Several changes in the tri-color or mercury foot track meets for this season, in order to obtain the best competition, were announced by Coach Henry F. Schulte, Tuesday. Track men who have secured three or more points on the numeral roll by performances in the various events will be classified as juniors. A junior who passes the record in the 6-point class may join a senior team if he chooses, but upon scoring in the 11-point column he is required to enter the senior competition.

The tri-color meets will start promptly at 4 o'clock this year and the junior events will precede the senior. The junior scoring will be on a 5-4-3-2-1 basis according to places, while the senior scoring will be rated at 7-6-5-4-3.

Winners Will Be Given Banquet
The first four meets will be run for a "feed" to be given for the winners by the second and third place teams. All tri-color men will attend the banquet, after which the teams will be rebalanced for competition in four more meets followed by another banquet. A third series consisting of two meets will be held.

The first tri-color meet will be held Thursday, February 9. The other three meets of the series will be held Monday, February 13; Tuesday, February 21; and Monday, February 27. The rebalanced teams will meet in the second series of meets, March 6, 12, 20, and 26. The third series of meets are on the program for April 3 and 16. On either May 8 or 14 a big "double scoring" meet will be staged.

In addition to the tri-color meets Coach Schulte has same other interesting cinder events on his spring program. The outdoor interfraternity meet will be put on April 24. The R. O. T. C. intercompany teams will meet on the stadium track and field April 30, and the Missouri Valley Conference freshmen telegraphic meet will be held either May 8 or 14.

SOONER AGS HAVE STELLAR MAT MAN

Captain of Oklahoma A. & M. Mat Team Has Perfect Record in Valley Bouts

Stillwater, Okla., February 7. When George Rule, captain of the Oklahoma A. and M. college wrestling team, steps out on the mat with an opposing grappler every Aggie fan is morally certain that he will win his match.

For in three years of intercollegiate wrestling, Rule has never lost a varsity match. At present he holds the Missouri Valley and national titles in the 175 pound weight.

Consistent, steady and dependable, Rule seldom take chances, being content to win by a decision rather than risk trying for a fall. He is especially strong on arm lock holds and he is unusually fast for a man of his weight.

Rule suffered the biggest disappointment of his wrestling career when an attack of boils prevented him from competing in the Iowa State meet last month. As it was, Ames won the 175 pound weight and went into the lead until McCready, the heavyweight, won the next match. Rule will have another opportunity to meet an Iowa State man in the Missouri Valley tournament and in the tryouts for the Olympic team.

Rule's home is at Orlando. He is a senior in the School of Agriculture.

CYCLONES ENTER MEET

Five Iowans Go Into Mid-West A. A. U. Meet This Week

Ames, Iowa, Feb. 7.—(Special)—Five members of this year's Iowa State swimming team, and one member of the team of two years ago have been entered in the Mid-west A. A. U. swimming meet to be held in the State University pool at Iowa City Friday and Saturday. The Cyclones will enter the fancy diving events, the 440 and 220-yard free style, and a 300-yard medley relay. Marion Schultz, all-American fancy diver, and a member of the 1926 team, has also entered the A. A. U. meet.

A. & M. HAS NEW TRACK AND COURTS

Quarter Mile Cinder Track and Two Concrete Tennis Courts Are Provided at Oklahoma

Stillwater, Okla., Feb. 7.—(Special)—A new quarter mile cinder track and two more concrete tennis courts will be available for use at the Oklahoma A. and M. college this spring. E. C. Gallagher, director of athletics, has announced.

The track, which will have a top layer of six or seven inches of cinders, is now under construction and Mr. Gallagher predicts it will be in tip top shape by the time Intercollegiate rolls around. As the track will have a 220 yard straightway and will be 29 feet wide on the south side and 21 feet wide on the north side, it will be one of the best in the Missouri Valley conference.

Upon the completion of the two new courts a total of three concrete tennis courts will be used by Oklahoma high school athletes who compete in the tennis tournament during Intercollegiate. These courts will be of regulation size and the contract specifies that only the best of material is to be used.

Mr. Gallagher expects both the track and tennis courts will be completed by March 1.

SOONERS COMPETE IN KANSAS MEET

Valley Champions Prepare for K. C. A. C. Indoor Contest On February 18

Norman, Okla., Feb. 6.—(Special)—Coach John Jacob's University of Oklahoma track team, which holds the Missouri Valley championship, are training in the university's new field house for the K. C. A. C. indoor meet to be held in Kansas City, Mo., February 18. This is the first Sooner track team that has been trained on an indoor track. Last year the Sooners won the Missouri Valley indoor meet with only the oval cinder of the outdoor track as

a practice field. Prospects this season for a similar victory in the Valley meet at Des Moines, Ia., March 9 and 10 as well as the Kansas City meet loom bright with the return of all lettermen and the addition of an equal number of sophomores and squad men, who seem capable of making points in this season's meets.

Captain Ben Taylor heads the list of returning lettermen. The others are John Hewitt, Harold Keith, Russell Carson, Leslie Niblack, Arthur Sherman, Maurice Stalker, Heston Heald, Bruce Drake, Dillon Anderson, and Raymond Dunson, star hurdler.

SCHULTE ENTERTAINS CLUB

Dinner and Exhibition Will be for Hiram Club in Stadium

Coach "Indian" Schulte will be host to the Hiram club at a box dinner to be served under the east stadium this noon. Several Cornhusker cinder men will put on a track and field exhibition for the members of the club in the stadium.

Trumble, Regains, Krause, C. O. Thompson, Arganbright, Fleming, Lamson, and Ed Weir, former high-hurdle star will run the two hurdle

events. Ashburn and Hurd will throw the 35-pound shot and Johnson will run the 600-yard race. C. T. Thompson, and "Chief" Elkins will each run the sprints and appear in the broad-jump event. This will probably be the last appearance of the "Chief" before he leaves for New York, Sunday, February 12.
