Robert Krall Receives Word of Mother's Death

Bob Krall, guard on the Nebraska basketball team, received a telegram after the Drake game Tuesday announcing the death of his mother at Grand Island.

Krall is a regular on the cage team and has been in every game this season. His loss will be keenly felt during the two contests with Kansas and Kansas Aggies.

STUDENTS FALL UNDER LAW AXE

Ten Dropped From College By Dean Foster for Poor Grades

Ten men enrolled in the first year law course have been dropped from the college because of unfavorable scholastic standings.

"While we are dropping only the ten men from the college, there were a lot more 'funks' within the school for the first semester," Dean Foster stated.

Inquiries at the office of the Dean of Student Affairs revealed that statistics concerning the scholastic standings of other colleges of the university will not be available until after grades are sent out next month.

MICKEY ADDRESSES A. S. C. E. MEETING

Engineering Professor, Just Back From Washington, Discusses Flood Control Plan

At the meeting of the student chapter of the American Society of Civil Engineers last night in the Mechanical Arts building, G. T. Graham was elected president for the second semester.

The major part of the meeting was taken up with an address by Professor Clark E. Mickey, chairman of the department of civil engineering of the University of Nebraska, who has recently returned from Washington, D. C., where his plan for flood control was presented in the House of Representatives.

Owing to the 1927 disaster in the lower Mississippi solutions to the problem of flood control have been called for. In order to solve this problem many fundamentals must be taken into consideration.

The Missouri river drains a major part of the Rocky Mountains, having the largest drainage area in the United States.

WATER SOFTENER USED

Home Management Is Presented With Recent Invention

The Home Management Residence, located at 1234 R, on the city campus, has been presented with a water softener, according to Miss Ruby Simpson who has charge of the residence.

The water softener takes the place of the old-fashioned rain water cistern, and is something entirely new in household equipment.

The hard water in the water softener is mixed with the chemicals which reduce the hardness without making the water injurious or affecting it in any other way.

A nine hole golf course is being planned for the students at the University of Arkansas.

Final Matches of Boxing Tournay Set for Saturday

Final matches in the inter-fraternity boxing tournament have been postponed from Thursday to Saturday afternoon at 3 o'clock.

KNOWN THROUGH STATE First Appearance in Lincoln For Several Years; Seek Other Features

Art Randell and his Hotel Fontenelle Orchestra of Omaha, the "Royalty of the Air," will provide music for the Junior-Senior Prom, scheduled for March 3, at the Scottish Rite Temple.

Randell's orchestra is well known to all university students, being one of the most popular orchestras in Omaha and the state.

Broadcast in Omaha Randall and his orchestra have gained a great deal of prominence through their broadcasting over radio station WOW.

Plans are under way for securing some feature entertainment for intermission. Besides the entertainers with the orchestra there will be one or two other acts.

Tickets for the prom will go on sale the first of next week. Announcement will be made Sunday as to who will handle the tickets and where they can be procured.

Lyman Claims Vaccination Is Not Dangerous

In an interview concerning this morning's contribution to "The Soap Box," Dr. R. A. Lyman ridiculed the ideas offered in the letter.

"The effectiveness of vaccination cannot be measured by its past history," he continued. He pointed out the fact that vaccination cannot be judged by its past history and added that the process has now reached the stage that it is absolutely safe.

THEISM IN LIFE IS PICTURED BY FORUM SPEAKER

Dr. Paul Johnston Discusses Relation of Men to God And Religion

SIXTY HEAR ADDRESS Arguments of "Humanism" Are Refuted in Address At Lunch-Meeting

"Theism expostulates that first, God is a mighty thing and a mighty truth. He has certain characteristics and he is in direct contact with the world and life," stated Dr. Paul C. Johnston, pastor of the Westminster Presbyterian church, before the World Forum yesterday noon.

At this regular noon-day luncheon of World Forum, before more than sixty students and faculty he propounded this idea why "Theism" is more vital to the life of the individual than is "Humanism."

FEATURE NEWS WILL BE TOPIC

Bess Furman Plans to Tell of Omaha Experiences at Luncheon Today

"The Feature Article" will be discussed by Bess Furman, better known as Bobbie O'Dare, at a luncheon this noon for all University women interested in writing.

Theta Sigma Phi, honorary journalistic sorority, is sponsoring the luncheon, but all women interested in hearing Miss Furman discuss her experiences as a feature writer, and in learning the opportunities in this field, are welcome.

DEBATERS COMPETE WITH KANSAS STATE

Negative Team Crosses Words With Manhattan Aggie; KFAC to Broadcast Match

Nebraska's negative debate team will meet the Kansas Agricultural College affirmative team in Manhattan this evening.

Reginald Miller, Lincoln; Robert M. Baldwin, Hebron; and David Fellman, Omaha, will debate for Nebraska this evening, while Ernest R. Foltz, John Correll and Milton Allison will uphold for the Kansas school the affirmative of the question—"This house condemns the tendency of governments to interfere in the rights of individuals."

The Nebraska men debating yesterday were: Lester Shoenne, Syracuse; Joseph Ginsburg, Ponca; and Evert M. Hunt, Lincoln.

Wayne Gratigney, Chairman, Resigns Because of Graduation

SEEK TO FILL VACANCY Applications May Be Filed at Activities Office Until Friday Evening

Applications for the position of chairman of the Varsity dance committee will be received at the Student Activities office beginning today and closing Friday at 5 o'clock.

Candidates for the position will be asked to state their respective qualifications; giving information as to previous experience on the Varsity dance committee or other party committees or such other information as might determine abilities for such a position.

Any junior or senior man is eligible for the position providing he meets requirements designated by the office of the dean of student affairs; that is, that such applicant has completed twelve hours the preceding semester and 27 hours the preceding year.

Students Like Magazines of Serious Trend

Contrary to popular belief, modern college students do not prefer the college humor magazines to those magazines of the better and finer type which deal with things more elemental. In fact, the higher grade magazines sell on an equal footing with any of the others.

The "higher grade" magazines apparently enjoy the best sales to college students. These magazines include "The Atlantic Monthly," "Harper's Magazine," and "Current History."

When college students want something to read in their leisure time, according to the owners of magazine stands, they prefer stories which are interesting, yet instructive to a certain extent.

MARINES VISIT STUDENTS

Omaha Soldiers Seek University Men for Reserve Corps

Captain Clifford B. Cates, Sergeant V. McKean and Sergeant A. L. Kent of the Omaha U. S. Marine corps recruiting station are in Lincoln to enlist young men from this university in the Marine Corps Reserve.

Two well known Nebraska athletes, Frank Wirsig and Frank Dailey, have already accepted commissions as second lieutenants in the regular Marine Corps from the Reserve.

Dailey was a member of the undefeated Marine football team which won the service championship of the United States last season.

Planet Venus May Still Be Viewed by Students

Venus, the planet which was so brilliant a few months ago, is still visible in the telescope during the day, according to Dr. D. Swezey, of the astronomy department.

Nebraska's observatory will be open from 10 until 12 o'clock on Thursday, Friday and Saturday mornings of this week so that students may view that rapidly receding planet. It will be impossible, however, unless the skies are clear.

SHOW TRYOUTS ARE ANNOUNCED

Kosmet Klub Candidates Will Be Allowed to Perform Next Saturday

CHART AT BOOK STORE

Men intending to try out for principal parts in the Kosmet Klub show, "The Love Hater," are urged to sign tryout applications in the College Book Store as soon as possible.

A number of University men have handed in applications, but many who have expressed their intention to try out have neglected the blanks. It is necessary to sign the application, and those who fill out the chart first will have the first chance to pick the most convenient tryout time.

"Men trying out for principal parts need not have had experience," emphasized a Kosmet Klub member, "and they don't have to be able to sing, but it might help." Anyone in doubt as to whether or not he has enough ability to justify his trying out is urged to see Herbert Yenne, author and director of "The Love Hater," in his office on the second floor of the Temple some time before Saturday.

CARS WILL FURNISH THEME FOR AWGWAN

Humorous Publication Staff Begins Preparing March Issue; Copy Deadline February 20

To present the humorous side of the most luxurious car in America down to the most dilapidated wreck on the campus, and to humorously point out Nebraska's own problems in regard to campus cars, will be the aims of the Automobile number of the Awgwan. The staff plans to release the Automobile number not later than March 7.

RIFLERS WILL SHOOT FOR VALLEY HONORS

Championship Matches of Seventh Corps Area Scheduled to Begin This Week

The Seventh Corps Area matches for the Missouri Valley rifle championship begin this week. The team will be composed of the fifteen men having highest scores and are members of the R. O. T. C.

The first two stages will be fired during this week and will continue until March 3. The men who have qualified to fire are: Lumir Otrodovsky, William Matshullat, Ray Clifton, Wilfred Webster, Thomas Warfield, Ralph Pray, Phillip Bartholemew, Robert Powell, Fred Sundeen, Richard Kossek, Joan Lents, Chauncey Hager, Edward Matshullat, Lloyd Elfine, and Nelson.

All members in the Missouri Valley will participate in this event and much interest was shown last year. Anyone who is desirous of trying out for the Corps Area team is urged to (Continued on Page 4)

TRACKMEN GET ON MARKS FOR K. C. A. C. MEET

Schulte Enters Twenty-Two Men in Annual Indoor Competition

TWENTY ARE ON VARSITY Two Freshmen Will Compete in Events Unattached; May Take Whole Team

Coach Henry F. Schulte has entered twenty-two Cornhusker track men in the Kansas City Athletic Club indoor meet at Kansas City, Mo., Saturday, February 18. The Nebraska entries included twenty varsity men who will compete in eleven events in the meet and two freshman stars who will compete unattached.

Krause, Potts, Fleming, and Thompson will represent the Huskers in the high and low hurdle events. These men have performed well in recent tryouts and should be good for some points in the barrier events.

Chaddeyron, Janulewicz, Sprague, Dexter, and Mousel are scheduled to run the 880-yard race. Dexter has been making the best time of the group and should make a strong bid for a place in this event at Kansas City. All of the 880-yard run entries are also entered in the two mile race.

Easter, Snyder, Thompson, and Perly Wyatt, track captain, have been entered by Coach Schulte in the 50-yard dash event. Ossian and Witte in the pole vault and Fleming and Potts in the high jump are Nebraska's entries in these two events. (Continued on Page 3)
