

HUSKERS SCORE WIN OVER IOWA

Nebraska Wrestlers Account For 19 Points; Visitors Total 6 Counters

Nebraska's wrestling team decisively defeated the Iowa University grapplers at the Coliseum last night, 19 to 6. In scoring the win, the Husker team won two of the matches by falls and two by decisions.

The feature match of the evening was between Toman of Nebraska and Voltmer of Iowa. Toman pinned his opponent's back to the mat after 9 minutes and 53 seconds of strenuous work. It was a lively match all the way, and points were even until Toman clamped a head scissors and armlock on the Iowa man and threw him.

Heavyweight Bout Is Close
Koechnke, Nebraska's representative in the heavyweight gave a weight advantage of 43 pounds to his opponent, Gilchrest, losing by a time advantage of 1 minute, 15 seconds. The burly Iowan provided the crowd with a real thrill when he hurled Koechnke to the mat, in the closing seconds of the bout. Koechnke was considerably dazed from the impact and finished the match on the defensive.

A summary of the matches follows:
115 lb. class: Kosowsky, Nebraska, won from Deegan, Iowa, by a fall. Time, 4:21.
125 lb. class: Weir, Iowa, won from Karrer, Nebraska, time advantage, 6:10.

Nebraska-Army Game Set for Homecoming

Nebraska will be the Army's first homecoming opponent, Herb Gish, acting athletic director, announced Saturday.

West Point officials are planning to try to get all graduate officers back for the Army-Nebraska game next fall. Football homecomings have not been held heretofore at the military academy, the homecoming celebrations having been held during the commencement period in June.

TRI-COLOR MEET IS SCHEDULED MONDAY

Last of First Series of Four Will Be Held; Interest Centers in Junior Teams

The last tri-color meet of the first series of four will be held Monday afternoon, February 27, under the east stadium starting promptly at 4 o'clock. The order of events will follow the regular tri-color schedule. Coach Henry F. Schulte announced Saturday.

The junior teams will furnish the main interest in Monday's meet, since the winner of that division will be decided then. The junior Blue team now has 5 points; the Black team 6 points and the Reds, 7 points. The team having the lowest number of points following the first four meets in each division will be awarded a banquet given by the losing teams.

The junior Blue team must win first place in the last meet of the series to win the title. Each of the junior teams has a chance to either win or tie for the leadership, depending on their showing in Monday's events. The Blue team has already clinched the lead for the senior class, having won the first three meets.

All of the team managers urge their men to report for the events promptly since so much depends on the representation in the last meet. Harold Miller and William Dubois, student track managers, will record the events.

NEBRASKA RIFLERS TAKE WIN AND LOSS

Team Lose to Utah Infantry and Wins Massachusetts Aggies Match Last Week

Nebraska's rifle squad won over the Massachusetts Aggies team and lost to the 38th Infantry association at Fort Douglas, Utah, according to information received by Captain Eggers of the military department.

The score of 3607 was made by Nebraska in the Massachusetts Aggies match, while the Aggies chalked up a score of 3185. In the match with the Infantry, the Nebraska team made 2682 and the Infantry scored 2743.

This defeat will not alter Nebraska's rating in the corps area of the R. O. T. C., according to Captain Eggers, as the match was not included in the intercollegiate contests. The three positions of firing, the prone position, kneeling position, and standing position, were used by the marksmen in this match.

Huskies Lose To Champions

(Continued from Page 1)
for Holt, gave the Sooners a substantial lead at the half with a 21 to 16 margin.

Home Team Rallies
At the beginning of the second canto, the Oklahomans started another spree and were out ahead of the Huskies by a 28 to 19 score late in the third quarter. With Holm, Grace, and Munn rimming the basket, and Krall, and Olson suppressing the scoring efforts of the elongated Sooners, the Huskies moved up to a 34 to 30 standing with the pace making visitors.

The last five minutes of the contest, progressing under a constant din of shouting and numerous substitutions by Coach Charley Black to lengthen the proceedings, brought the score up to 38 to 36, where the game ended in a mad scramble for the ball near the center of the court.

Holt Fails to Impress
Vic Holt, scoring ace for the Sooners, failed to function as expected. A tight Husker defensive forced the pivot man to hurry his shots and Churchill and Drake carried away both point and floor game honors for the visitors. Drake, Sooner forward, exhibited one of the fastest and cleverest games seen on the Husker court, and worked with Churchill to augment the Sooner total at critical points in the game. Drake sank seven free throws during the evening's proceedings.

Beaten out of a victory over the Valley title holders by a two point margin, the Huskies are planning to take the heavy end of the score in their Oklahoma invasion this weekend. The Huskies will take on Oklahoma Saturday, March 3 and Oklahoma Aggies Monday, March 5 to end the 1928 season.

Huskies Beat Jayhawks

Marked by thrilling play and a close score throughout, the Kansas contest finally went to the Huskies by a 32 to 28 score after the Jayhawk hoopsters had rolled up a 17 to 16 lead at half time. The lead varied between the two opponents and was not decided until the last few minutes of play when Holm's arch shot from the sidelines was good.

Nebraska has not won from the Kansas quintet on Cornhusker soil for many years and in pulling out ahead in the Friday tilt kept a large crowd on their toes during the stirring proceedings.

Final Rally Wins

Husker cagers came back "hot" in the second half. The work of Harvey Grace, Elmer Holm, and Bob Krall kept the Huskies even with the points rolled up by the Kansas scoring ace, Thomson, and the last minute rally after the score had been tied at 25 all gave the Huskies the desired markers.

The Huskies play their last home game of the season with the Grinnell Pioneers Tuesday at the Coliseum.

Kansas Adds Decathlon To Annual April Relays

Lawrence, Kas., Feb. 25.—The decathlon, epic sport event of the centuries, has been added to the schedule of events for the Kansas Relays, April 20 and 21, it was announced here recently. The addition was made at the request of several coaches who intend to enter men in the event. The decathlon consists of ten separate events on the regular sport calendar and is a test for an all-round athlete.

Grinnell defeated Missouri 38 to 37 on the Grinnell court Friday. The box score of the Kansas-Nebraska tilt:

Iowa State, Drake and Grinnell held a triangular track meet at Ames Friday in which the Cyclone tracksters were victorious over the other two Iowa teams. Iowa State ran up

a total of 81 points and Grinnell came in second with 25 1-2. The Cyclones scored in every event and took the first three places in the broad jump, mile, 880-yard run, and the two-mile run. Three new meet records were established, one by each team.

Advantage of playing on the home court was one of the major factors in the nip and tuck affair at the Coliseum Friday night between Kansas and Nebraska in which the Nebraskans were victorious. Harvey Grace was hitting one of his 'on' nights and sank the sphere through the netting for ten points. Down at the Lawrence the Kansas crew won from Nebraska by almost the same score that Nebraska won from Kansas Friday.

But "Phog" Allen's team this year and the quintet he had on the court last season are two different teams. Wild passing and loose playing were some of the things the Jayhawkers seemed to be daffy on, Friday while last year the Kansas five worked in perfect harmony around the tall Peterson.

A big upset in the Valley basketball circles greeted fans Friday night when the Grinnell quintet nosed out Mizou by one point. This defeat by the Pioneers extinguished the last hope of Missouri to win the Valley conference basketball title. The final score was 38 to 37 and Missouri's fourth loss in 13 games. Oklahoma and Nebraska have been the only teams to beat the Tigers on the court this season.

First of the new Big Six conference schools to start spring football practice was the University of Oklahoma. Last week the 1928 football candidates reported to Coach Lindsey for a concentrated spring coaching program. Practice has been limited

to twenty sessions and absence of many of the regulars, who are out for spring sports will give the Sooner mentor a desired opportunity to specialize on freshmen candidates who become eligible in the fall.

Roland "Gipper" Locke, former Cornhusker track star is in New York preparing for the Olympics and made one of his initial debuts last night and another Friday. Locke is considered to have the best running form of the collection of the world's best runners back in Gotham. Coach Schulte thinks the "Gipper" will need several weeks of intensive training before he is back in shape again and after that the "Indian" thinks Locke will go faster than ever before.

Charlie Paddock has announced that he will try to lower Locke's record in the 220. This does not seem to worry the former Nebraska cinder path artist and as Coach Schulte says, "Locke will break it again if Paddock lowers the furlong."

Nebraska as a state is certainly coming in for its share of honors in the field of sport. The press wires are kept busy every day with news on Lloyd Hahn, Roland Locke, "Chief" Elkins, Joe Stecher, Ace Hudkins, etc. The Cornhusker state has representatives in all the fields and not mediocre reps at that but real champions.

Have you heard that one about the 2 Lady Pigs—well it seems that one Mrs. Pig said to another Mrs. Pig (This isn't a bedtime story) "My oldest boy has become famous—he made the football that Nebraska's Cornhuskers used last year."—"Poo Poo," grunted Mrs. Pig (No. 2) "That's nothing, my youngest has turned out to be the snappiest pig skin garters you ever saw"—Now can you tie that—but any how we have those very garters right here and are they clever—no end!

Speaking of snappiness reminds us—Plain colored shirts with collar attached (stiff or soft) or collar to match are really the Hot Stuff. And when worn with a harmonizing plain colored tie, the effect is a knockout. Take a glance at such ensembles as these in our front window when you go by.
