COUNCIL FAVORS REVERSION TO DIAGONAL PARKING RULES

Student Governing Body Passes Resolution to Restore Old Traffic Laws on R and Sixteenth; Alleges Present System Has Made Speedways of Highways

STREETS DECLARED DANGEROUS TO PEDESTRIANS Approval Is Given Chancellor's Suggestion for Providing Clearance of Fifty-Foot Spaces on Either Side of Central Intersection at Twelfth and R

Recommending restoration of diagonal parking on R street and on Sixteenth street in the University vicinity and recommending that students living within walking distance of the campus refrain from driving to the University, the Student Council yesterday afternoon passed a series of resolutions dealing with traffic conditions near the campus. Copies of the resolutions will be sent to city and University officials.

Acceptance by Lincoln officials of the Student Council's recommendations would mean the abandonment of parallel parking now in force on R and Sixteenth streets for the diagonal parking system used until a few weeks ago. A three-page typewritten report was presented to the Council by its committee on traffic investigation which was accepted after addition of a few minor changes.

Keynotes in the Council's petition include condemnation of the tendency to make speedways of R and Sixteenth streets because of the heavy student traffic, pedestrian as well as automobile; belief that parking space near the University is more essential than entirely open streets in view of the tendency of open streets to speed up traffic and that restoration of diagonal parking would simplify the parking problem as well as make traffic safer.

Agrees With Chancellor The Council approved the recent recommendation of Chancellor Burnett that parking be prohibited on R street for fifty feet east and west of Twelfth street, designed to facilitate the handling of traffic at the corner at Twelfth and R.

Concerning Sixteenth street, the Council reports that the establishment of fraternity, sorority, and rooming houses along the street, had made it undesirable as a street for through traffic. The Council recommended that the arterial street be widened to the large student population on Sixteenth street between Q and Vine and that it should be removed to Seventeenth street. Recommendation was also made for the restoration of diagonal parking on Sixteenth street to simplify the parking problem and to reduce the tendency to make Sixteenth street a speedway.

The Council reiterated the belief (Continued on Page 2.)

RELAY HOPES MOUNTING

Coach Henry F. Schulte will take twenty-four Cornhusker track men to the Missouri Valley indoor meet to be held at Des Moines, Friday and Saturday, March 9 and 10. Johnson, Dexter, and Janulewicz will compete in the mile and two mile runs, while Captain Wyatt, E. Wyatt, Campbell, and Davenport are members of the Husker mile relay team that will compete in the meet.

Others Leave Friday

The remainder of the Nebraska entrees will depart for Des Moines, Friday afternoon at 1:10 o'clock. Easter and Snyder, sprinters; Krause, Thompson, and Trumble, hurdlers; Chadderdon, Ethernon, Sprague, Kibble, and Griffin, distance men; Osman and Witte, pole vaulters; and Fleming, Pots, and Andrews, high and broad jumpers will join Coach Schulte in Des Moines Friday. These men will compete in the Friday evening and Saturday events.

Coach Schulte's team enters the meet with a none too brilliant representation in the high jump, broad jump, shot put, and pole vault events. The Husker mile relay team should make a good showing in their event, while the Nebraska hurdlers promise to cop a number of points in the barrier events.

Doc McLean, trainer, announced Wednesday that the entire squad was in "good shape," and unless the unforeseen happens will enter the Valley indoor meet in fine physical condition.

The coupons will be taken at the door and the hair left intact. Coupons will be printed in Friday and Sunday issues of The Daily Nebraskan.

A meeting of members of the senior class has been called for this afternoon at 4 o'clock in the Social Sciences auditorium. The meeting was called by Ray Randles, class president, who urges all seniors to be present.

STUDENTS WILL COVER TOURNEY

Journalism School Organizes To Furnish News Stories To Weekly Papers

SIGMA DELTA CHI ASSISTS

Students in the School of Journalism have been organized into a gigantic correspondence bureau to report games played in the state high school basketball tournament that opens here this morning. News stories of the games will be sent to weekly papers throughout the state.

Sigma Delta Chi, national honorary journalistic fraternity, assisted by juniors and seniors in the School will work as copyreaders, editing the stories before they are sent out.

Gayle C. Walker, acting director of the School of Journalism, is directing the work of the correspondence bureau throughout the tournament. Mr. Walker assigns reporters and copyreaders to their respective jobs.

More than two hundred and fifty teams are entered in the tournament this year. More than three hundred weekly papers will receive stories concerning the teams from their towns.

Last year the students of the School of Journalism cooperated to write and send more than 173,000 words of copy to weekly papers.

R. B. RYONS GIVES TALK ON BUSINESS

Banker Discusses Attractions of High Salaries Offered by Large Companies

"In any business, have a mind of your own" was the advice tendered students last night by W. B. Ryons, vice-president of the First National bank of Lincoln, at Social Sciences auditorium. His lecture was on "Business" and was the second of a series on "Vocations" being sponsored by the Federation of Church Workers.

The attractions of the larger salaries to graduates of universities and colleges were discussed by the speaker. "Most youths seek employment in the larger wholesale and retail houses because they hear of the enormous salaries," he said, "but do not realize what they are up against in reaching that point."

ROUND TABLE HEARS DR. SCHRECKENGAST

Chancellor of Wesleyan University Speaks at First Religious Open Discussion

Dr. I. B. Schreckengast, chancellor of Nebraska Wesleyan university, will give the first address of the Religious Round Table this noon, 12 to 12:50 sharp, at Grand hotel. His subject will be "Christ and the Individual."

According to Rev. Wm. C. Fawell, Methodist student pastor, who is in charge of these noon-day luncheons, Doctor Schreckengast is a religious leader and thinker whose contact with student life as university preacher and pastor in student centers has made him familiar with a student's religious problems.

Questions of this sort will be particularly taken up at these meetings. The meeting today is significant of an effort sponsored by the university pastors and their student councils to make more adequate provision for vital religious life on the campus. Hereforth the religious round-table will be held on Friday noons, at the same time and at the same place.

Starrels Will Speak To Ag Forum Thursday

Solomon E. Starrels, rabbi of the Jewish Congregational church, B'nai Jesurun, will talk to the Ag Forum on "Americanization," Thursday noon.

His speech at the College of Agriculture will be similar to the one he gave at the Grand Hotel Feb. 21.

HIGH SCHOOL CAGE SQUADS CLASH FOR CHAMPIONSHIP

Class 'A' Contests Begin on Court One at 5 O'clock This Afternoon

NORFOLK MEETS ST. PAUL

Several Undeclared Quintets Mix in Class 'B' Race This Morning

(By Jack Lowe)

Class "A" games in the Eighteenth annual Nebraska state high school basketball tournament will start this evening at 5 o'clock, continuing through the evening until 10 o'clock, when the last first-round game in the championship bracket will start. Quarter-final and semi-final games are slated to be played tomorrow, with the final big game coming Saturday evening at 9 o'clock. All Class "A" games will be played on Floor No. 1 at the Coliseum.

The first game in Class "A" brings St. Paul and Norfolk together. Both teams have entered the tournament with identical records and picking the winner is difficult. Kearney, undefeated Mid-State league champion, is scheduled to engage Fairbury in the second conflict, starting at 5:20 o'clock. On paper, Kearney is favored to win, but upsets are always frequent in tournament games so Fairbury cannot be counted out of the race. Gering, a far western representative, who meets Plattsmouth at 7 o'clock, comes to the state meet with a perfect record of thirteen victories. Plattsmouth also is represented with a strong squad, holding a win over Creighton Prep. A lively game is anticipated when these five teams clash.

Crete Meets Havelock

Crete and Havelock will again meet in the fourth Class "A" contest. The Saline County team has defeated Havelock this season but the Havelock quintet will undoubtedly be inspired in tournament competition. The other four games find Hastings mixing with University Place at 8:20; Kimball engaging Grand Island at 8:40; Lincoln high meeting McCook at 9:40 and the undefeated Randolph team tangling with Columbus at 10 o'clock.

Several undefeated aggregations have also been assigned to the Class "B" division. Games in this class will start at 10:40 this morning and continue until 4 this afternoon. A schedule of the first round contests in Class "B" follows: Beatrice vs. Dawson, 10:40 A. M.; Arlington vs. Curtis, 11; School of Agriculture vs. Genoa Indians, 1 P. M.; West Point vs. Gothenburg, 1:20; Indianola vs. Superior, 2:20; Chadron vs. Ravenna, 2:40; York vs. Oakland, 3:40; North Platte vs. Nebraska City, 4.

Pairings and schedules of teams in the lower classes can be obtained from programs, issued by the athletic department for that purpose.

Modern Man Is Changing Ideas Says Senning

"Modern man's ideas about women are constantly changing," stated Mrs. J. P. Senning, of the legislative reference bureau, in her address before World Forum yesterday noon. "Since women have acquired the vote, they take as good care of their homes as ever before. Should a woman professionally trained junk her training after marriage?"

Before more than fifty students, Mrs. Senning presented her talk on the subject "Should a Wife Earn Money?" she continued. "Half the living?" "In 1920, there were more than two million married women employed in factories and offices. The wife who works outside the home must have an even disposition. She must also have health, brains, (Continued on Page 3.)

Blond Men With Red Hairs on Coat Lapels Can't Qualify for Free Show

There Is Surprising Number of Red Heads Around University; Thetas Have Some Nice Ones; Gamma Phi Betas Claim Clara Bow.

(By Bill McCleery)

"No!" replied one of the big guns on The Daily Nebraskan in a special interview yesterday. "No, no," he continued, "we can't let blonde men with red hairs on their coat lapel in on this free show." In case you haven't been keeping up on your reading we call your attention to the fact that the "Rag" is throwing a big party for red haired students at the Orpheum next Monday afternoon.

Special notice is called to the fact that there are no strings on this offer, but don't believe it. Clara Bow will be a knock-out without doubt, with a nice red head of hair, but it will only make real red headed girls

Teams From 264 Institutions Will Fight It Out on Coliseum Courts

HOSTILITIES START AT 8

Streets of City Throng With 2256 Athletes From Out of Town

(By Jack Lowe)

The world's largest basketball tournament is scheduled to get under way at the Coliseum today when two hundred sixty-four Nebraska high school quintets will compete for the privilege of entering the second round of championship play. Comprising these teams are 2256 athletes, representing the cream of Cornhusker prep school aggregations.

First games, in the lower classes, will start at 8 o'clock this morning and contests will continue unceasingly until 10 o'clock tonight. When the haze of the first days activities clears, one hundred and thirty two teams will have been eliminated from the seventeen classes. Six floors in the massive Coliseum and an additional one at the Y. M. C. A. will be used to handle the games.

The streets of Lincoln thronged with visiting teams yesterday when coaches gathered their charges for registration. A steady line kept trekking from the Coliseum where the Athletic directors office was utilized as a temporary registration bureau. "N" Club members were kept busy until late last night, identifying and labeling the teams as they filed into the office.

Cinder Men Give Exhibition

Meanwhile, those in charge of the program for the tournament were kept busy completing last minute arrangements. Coach Henry Schulte, whose track team will perform in the Coliseum Friday afternoon, announced that his exhibitions had been practically decided upon and that those athletes who availed themselves of the opportunity of watching Nebraska's track squad perform would be instructed in every line of field and track endeavor.

Saturday's program, aside from the final games in every class, will include the annual Cornhusker skit, to be presented at the Lincoln theater. Prominent men in Nebraska's athletics this year, as well as the entire Cornhusker coaching staff, will give talks and moving pictures of tourney games will be shown. The University band will assist Phil Sidles, cheer leader, in putting over several peppy yells before and after the gathering.

Final contests for championship honors will start at 1 o'clock Saturday afternoon, and will continue until 9 o'clock when the Class A champions will be decided. Trophies will be awarded Saturday night to the winners from each division.
