

# VARSITY WILL MEET TRI-COLOR

## All Cinder Artists Will Engage In Track Event to Be Held Saturday Afternoon

The Nebraska varsity track men will compete against the outstanding members of the tri-color teams in a meet Saturday afternoon, March 31, to be held either on the stadium track and field or in the indoor quarters under the east stadium, depending on the condition of the weather.

Coach Henry F. Schulte announced. The varsity team will consist of all men who have been competing in varsity competition this season and all track letter men. The tri-color representatives will be selected by Coach Schulte and his assistants according to the performances made in the recent tri-color meets. The list of men who will compete for the tri-color aggregation will be announced today by Coach Schulte.

The varsity tracksters took things fairly light in Tuesday's workout. Dexter and Mousel paced a slow half-mile in 2 minutes, 6 seconds. The broad-jumpers and high-jumpers received most of Coach Schulte's attention during the afternoon. Fleming, Andrews and other jumpers worked to develop their weak spots. Coach Schulte is depending on the jumpers to make several necessary points in the Oklahoma and Missouri dual meets during the spring vacation.

According to the results of a dual

meet with Westminster, a Missouri Conference college, the Missouri Tigers are going to make the Huskers work hard for honors when the two teams meet at Columbia, April

The Missouri Valley outdoor track schedule for the 1928 season is as follows:

- April 11—Oklahoma-Nebraska dual meet at Norman.
- April 14—Missouri-Nebraska dual meet at Columbia.
- April 21—Kansas Relays at Lawrence.
- April 27-28—Drake Relays at Des Moines.
- May 4 or 5—Nebraska-Kansas-Kansas Aggies triangular meet at Manhattan.
- May 5—Grinnell-Washington dual meet at St. Louis.
- May 7—Iowa State-Missouri dual meet at Ames.
- May 8—Nebraska-Iowa State dual meet at Lincoln (tentative).
- May 12—Drake-Grinnell-Iowa State triangular meet at Grinnell.
- May 12—Kansas-Missouri dual meet at Columbia.
- May 18-19—Missouri Valley conference meet at Lincoln.

14. Charlie King, Gwin Henry's main hope in the dashes, was clocked by three watches in the 100-yard sprint at 9.8 seconds, and stepped the 220-yard event in 21.9 seconds.

Keith Hursley established a new Rollins Field record during the meet by stepping the 440-yard dash in 49.7 seconds. Miller Brown, the Tiger weight star, put the shot 43 feet, 10 3/4 inches; threw the javelin 160 feet, 8 inches; but fell down with a heave of 127 feet, 8 inches in the discus, for two firsts and a second for high point honors in the meet. Missouri won the meet 85 to 45.

## Mrs. Robnett Puts Personality First

health and disposition were regarded as particularly important in home making.

"There is an element of salesmanship which is important in personality," Mrs. Robnett stated, "selling ourselves to our employers and to the public to get a return, not so much in money as in appreciation, to some extent, and particularly in their realization that we have something to offer which they cannot find anywhere else."

**'Don't Overload'**  
"Don't overload," the speaker urged. "Keep your ability to show your power, to let your personality come to the foreground, and to keep yourself on your toes and energetic every minute. Let your practical ambition force your way along so that you keep constantly ahead."

Emphasizing the importance of a cultivated and pleasant voice, and neatness in personal appearance in a successful business career Mrs. Robnett described a number of instances when girls not only lost their jobs but were unable to get new jobs because they were careless about their appearance and not careful to

tone down their voices. Following the Vespers service Mrs. Robnett was entertained by the A. W. S. board at a dinner in Ellen Smith Hall. She left late Tuesday night for Chicago.

## Gossard Will Talk At Forum Meeting

for the group to discuss the basis for the highest relationships. He will discuss the spiritual interest in obtaining the spiritual aspects of sex life.

"We should see that the physical part of life represents the lowest

level in associations and we should stress companionship," stated Gossard.

Mr. C. D. Hayes, secretary of the University Y. M. C. A., declared that Mr. Gossard is in close touch with student life and problems, is a thor-

ough scholar, and speaks from a scientific point of view.

"The glass of fashion and the mould of form, the observed of all observers"

Maybe Shakespeare never knew Coca-Cola. But he couldn't have written better about it if he had tried—

## THOSE GAY NINETIES!

SUE: "How do you know it's Goofus's uncle?"  
LON: "Hard heels run in the family."

HOW about parting your hair in the middle, donning a roll-mop sweater, and asking the Coach to come out and play "Guards Back"?

All "out," and so are the old hard heels. Life has more speed and spring and come-back to it now. That's why triple-threat youth prefers rubber heels.

Resilient, stylish

Goodyear Wingfoot Heels. They cushion away the jolts and jars of walking. They last like "easy payments." And they are good style everywhere. How are they liked? More people walk on Goodyear Wingfoot Heels than on any other kind. On in a minute—at your kindly shoe repairman's. There's an idea—new Goodyear Wingfoot Heels today!

### WET OR DRY!

"WET" and "Dry" have changed their meanings so many times recently that one hesitates to use them—nevertheless, we risk the danger of being called old-fashioned and herewith submit this statement: Sawyer's Frog Brand Slickers will keep you dry."

## Find your future in a Kresge Job...

To college graduates—men who prefer the finer things in life, and who have the ambition to become recognized leaders in their communities—the S. S. Kresge Company offers a future that abounds in opportunity. With 450 stores in operation and a volume of business running well toward \$150,000,000 yearly, our program of expansion is now well under way. We are opening new stores throughout the nation as rapidly as we can train men to manage them.

For these future managers we want college graduates with trained minds and well rounded personalities. These men will be taught every phase of our business. They will start at the bottom and be trained in each department—every detail of store management will be given to them. At every step their progress will be encouraged. They will be expected to work hard, and when this intensive training is completed, they will become store managers, and possibly higher executives—dignified positions paying from \$3,000 to \$15,000 a year and more.

If you are willing to work hard and show your mettle, you can find your future in a Kresge job. Write to our Personnel Department today and a graduate of your own college who has already found success with us will be sent to see you.

Read about J. L. PICKERING, Jr.

"When I finished college it took me two years to pick the right Company. When this decision was reached, I forgot my degree, my diploma, my 'major' study, and started in at the bottom with the S. S. Kresge Co., a business totally foreign to my training. If I was right in concluding that the Company was everything and the kind of business not so important, I was headed the right way."

"The re-adjustment period was pretty hard and it took a lot of sticking, but during this period I found out something else. It is not education that makes a business success, but how to apply what you know. For that reason a college man has the advantage over his less fortunate brother."

"My experience in this Company can be duplicated by any other college graduate. Every Kresge executive started in at the bottom, and was advanced as fast as the different phases of the business were learned. Results alone determine how successful one will be. There is always plenty of room at the top for the most ambitious, and due to constant expansion, this condition will hold true for a great many years to come, certainly during this generation."
