All are practicing that music which has been designated by the committee as that which will be played in competition at the tournament. Although last Saturday was the closing date, the committee expects to extend the time as many of the district contests have not been held as yet and it is hard for the contestants to enter this early.

Last Year's Awards  
Last year there were nine bands entered in the two classes. The class A trophy was won by the McCook high school. Class B was won by the band from Stratton.

## Kosmet Klub Is Victim of Fire Havoc Saturday

Feminine Attire, Properties, Trunks, Pianos, Scenery, Are All Destroyed

(By Fritz Daly)

A true tragedy, nearly as great as those of Shakespeare, has visited our campus, especially the Kosmet Klub, and several of the fair co-eds. "It would be fitting to cite here "The Chicago Fire" for it brought no more havoc to residents of the Windy City than did the fire at the "familiar landmark" which blazed into oblivion last Saturday night.

Members of the Klub were a downcast look Sunday and Monday and one would be led to believe that this world is a tough proposition after all. And why shouldn't they? After having completed a successful tour with "The Love Hater" and having played to two full houses in Lincoln something had to happen to spoil all the enjoyment.

Women Short of Clothes  
Members of the cast who lost borrowed feminine attire were hard pressed to face the girl friend Sunday and having not seen her in some instances for over a week it was tough. Several of the fairer sex were at a loss as to what they should wear the next day as the cast had been fitted out with their clothes.

Faint thoughts of matrimony, which the poet so ably assembles in the saying, "spring and a young man's fancy," received a terrible shock when the news burst forth that formals came as high as \$100.00. And (Continued on Page 3.)

With the aid of football fans among the faculty, the first football team was organized in 1890. Donne of Crete was the great rival in 1890 and 1891. Kansas and Iowa were added to the schedule in 1892, the Jayhawks winning 12 to 10 while the Iowa game was a tie. Crawford, an old Michigan star, was the first professional coach coming to Nebraska in 1893, and he sent the team through an all-victorious season. The 1894 team was the first team to be recognized as the champion of the Missouri Valley colleges.
