

SQUAD WILL GO TO TRACK MEET

Tilt at Manhattan Saturday Is Goal of Schulte's Cinder Team

THIRTY-TWO MAKE TRIP

Coach Henry F. Schulte announced Thursday the members of the Cornhusker track squad that will represent Nebraska in the triangular meet with the University of Kansas and Kansas Aggies which will be held at Manhattan, Kan., on the Wildcat stadium track and field, Saturday, May 5. Thirty-two men have been chosen to make the trip for the Huskers.

The list of triangular meet entries as announced by Coach Schulte are as follows:

- 100 and 220-yard dashes: Easter, Lowe, Snyder, E. Wyatt, P. Wyatt.
- 440-yard dash: Davenport, Campbell, E. Wyatt, P. Wyatt.
- 880-yard run: Chadderderon, Johnson, Dexter, P. Mousel.
- Mile run: Etherton, Chadderderon, Johnson, Sprague, Januelwicz.
- Two file: Batie, Cummings, Griffin, Kibble.
- Hurdles: Trumble, Arganbright, Krause, Thompson.
- High jump: Benbrock, Potts, Fleming.
- Pole vault: Witte, Ossian.
- Shot and discus: Durisch, Ashburn, Hurd.
- Broad jump: Andrews, Fleming, Potts.
- Javelin: James, Andrews.

Some of the team will leave for Manhattan this afternoon while the remainder will make the trip Saturday morning. The trip will be made by automobile. Martin J. "Doc" McLean, trainer and Harold Miller, student manager, will accompany the Husker team to the meet.

Seventeen Teams Enter Track Meet

High Schools in Various Parts of State Signify Intentions Of Participation

Seventeen teams had entered the state high school track meet by last night. Thursday was the last day for mailing entry blanks and receipts of a large number of entries during the next few days is anticipated.

Entry blanks have been received from the following schools: Friend, Norfolk, Danbury, Omaha Tech, Rock County (Basset), Anselmo, Dunbar, Crofton, Sargent, Fairfield, Palisade, Crete, Kimball county, Hallway, Wilbur, Edgar, and Lincoln.

MEN PREPARE FOR TELEGRAPHIC MEET

Nebraska Freshmen Will Enter All-Valley Event Sponsored By Washington

Nebraska freshmen tracksters are working hard to get in shape for the annual Missouri Valley freshman telegraphic track meet to be held by Washington university at St. Louis May 8 to 14. During this period yearling trackmen of all the Missouri Valley conference schools will perform on their own courses to establish their best marks in the various events. On May 14 the results of each school will be telegraphed to St. Louis where the final results will be computed.

Coach Henry F. Schulte believes that this year's freshman track squad has enough outstanding material to capture the title. Kansas university and Drake as usual have strong yearling cinder squads, but Coach Schulte feels that the Husker freshman are equal to either of these teams.

Becker Is Good Bet
Red Becker is the best bet for the Husker freshmen to score in the dashes. From past performances he has a good chance to win the sprint championship and possibly make some new records. He has run the 100-yard dash in 9.9 seconds and the 220-yard event in 21.4 seconds already this season. Other freshmen sprinters whom Jimmy Lewis, director of the Husker freshman squad, has selected to compete in the sprints are Bailey, Frahm, and Murray.

Lamson is Coach Schulte's best freshman hurdler and he promises to make a strong bid for varsity competition next season. Pierson, Young, Foresman, and Krause will also compete in both hurdle events. Lefgran and McCallum will run only in the 120-yard high hurdles.

Has Several 1-4 Milers
Nebraska has a number of freshman quarter-milers of value this season. Mays has been a consistent winner in the junior division of the tri-color meets. Bailey, who won the 440-yard dash in the state high school meet last year, is probably the strongest man in this event. Other freshmen quarter-milers of note are True, Wickwire, Becker, Dixley, Rexford, and Nestor.

Several strong half-milers are listed among the yearling squad including Strickland, Batie, Mays, Wickwire, and Johnson. Lewis has assigned Gibson, Strickland, Downey, Hood, Batie, and Garvey to compete in the mile run. Downey and Batie will run the two mile race.

Weight Section Ranks High
The freshman weight section should rank high among the valley freshmen in the coming meet. Bevard, Morgan, and Horney are all

capable of good throws in the javelin. Rowley and Horney have been making some good marks in the discus and Rowley and Ragains are the outstanding shot putters of the Husker yearling squad. Dean, Cook, Stephenson, Kuns, and Eisenhart will represent Nebraska in the pole vault event.

Less than a week remains before the events are scheduled to be run off, and Coach Schulte urges all freshmen tracksters to train diligently so that Nebraska may make a good showing in the telegraphic contests. All men who have not reported to Jimmy Lewis for assignments to the events they are to compete in should do so at once.

NEW RECORDS ARE EXPECTED IN MEET

Missouri Encounters Iowa State in Dual Track Tangle First Time Since 1918

Ames, Iowa, May 3.—With prospects for warm weather and a fast track the Iowa State-Missouri track dual at Ames Friday afternoon promises to be one of the outstanding athletic events of the spring sport card. The Cyclones and the Tigers have not met in a dual meet since 1918, when Missouri won, 86 to 40. Friday's dual with the Bengals will be the fifth time the two teams have met, the rivalry starting in 1914.

The meet will have more than usual interest for Coach Bob Simpson of the Cyclones, who was a former Missouri track star and later Tiger cinder coach. Three of the Iowa State-Missouri dual meet records, the high and low hurdles and the broad jump, are held by Coach Simpson. Judging from the times and marks made by present Iowa State and Missouri athletes, at least seven of the former dual records are destined to fall. The records already marked for the axe are in the shot put, discus, quarter-mile, half-mile, 2-mile, pole vault and mile relay. The javelin will be a new event as it was not included in former duals between the two schools.

OKLAHOMA AGGIES WILL STAGE MEET

Annual Dual Encounter with Sooners Will Take Place Monday on New Cinder Track

Stillwater, Okla., May 3.—When the University of Oklahoma track team comes to Stillwater Monday for its annual dual meet with the Oklahoma Aggies they will see a newly finished cinder track and run up against a well balanced track squad. While the Aggies have had but a fair degree of success in the relay meets this spring, performance of both the runners and jumpers on Lewis field indicates that they will make a good account of themselves against any track team in a dual meet.

Strong in Distance Runs
They will be especially strong in

the middle distance runs—the 220, 440, and 880 yard dashes, the low hurdles, the javelin throw and the broad jump. Should Ferguson become eligible he will be a real contender in the high jump.

In the 100 yard dash Coach R. W. Kenny will have Martin, Best, Corbin and Kingham. Martin and Best will take care of the 220 yard dash, while Best, Roy, Adair and Corbin will be depended upon to run the 440.

Faulkner, Roy and Adair are the best half milers on the squad, while Hastings, together with Faulkner, will run the mile.

Best and Martin are the low hurdles with Sheen and Kincannon doing the high hurdles.

For the javelin, Kenny has Cloud and McCoy and Schwartz and McCready will throw both the shot and discus.

Kirch and Ferguson are billed to high jump for the Aggies. Gordon will broad jump and pole vault. Fleming will be his team mate in the broad jump and Ferguson will be paired with him in the pole vault.

Delta Gammas Meet Phi Omega Pi Today

Co-Eds Vie for Honors in Baseball Meet; Consolation Games Will Be Played Tomorrow

Delta Gamma will meet Phi Omega Pi today at noon in the co-ed baseball tournament. Rain caused the postponement of the game from Thursday. The winners of this game will meet Alpha Delta Theta this afternoon at 4:50 o'clock.

Saturday afternoon at 1:30 o'clock Phi Mu and Delta Zeta will battle for honors in the consolation tournament, both teams having been defeated in game played last Friday. The losers of the game between Delta Gamma and Phi Omega Pi will play Alpha Delta Pi Saturday at the same time in the consolation tournament.

Tuesday, May 8, Gamma Phi Beta and Kappa Delta will play. Both were victors in the first round. The tournaments will close Saturday, May 12. Most of the games will be played inside if rainy weather makes it necessary.

April Rainfall Below Normal Declares Blair

April temperature was fairly normal, but April showers were far below the average, Prof. Thomas A. Blair of the university and the United States weather bureau says.

The normal temperature for April is 51.5 degrees and last month's mean was 48.1 degrees. The lowest temperature of the month was on the ninth, 20 degrees—a difference of 68 degrees from the thermometer reading of only a week before. These figures for Lincoln are fairly representative of the rest of Nebraska, according to Professor Blair.

1.18 Inch Precipitation
But rainfall during last month was less than half of the normal, the precipitation being recorded at 1.18 inches while the average for April is 2.77 inches.

The record figure for April showers was established in 1891 with 6.15 inches. The precipitation also went above five inches in 1920. The driest April in fifty-four years was in 1910.

Professor Blair has received a letter from the Sioux City station stating that this April there established a dry record for thirty-nine years with a rainfall of only .22 inches.

TICKET SALE FOR BIZAD DAY BEGINS

Timmerman Announces Program For Annual Celebration on Friday, May 11

Ticket sales for Bizad Day, the annual celebration of all students in the College of Business Administration, has begun. Much interest is shown in the plans for the party in the evening to be held at the Lindell.

School will dismiss on Friday, May 11, the day's program will start with a parade in the morning to Antelope park. Many feature races are planned such as an obstacle race between Dean Le Rossignol and Prof. Virtue. A baseball team is scheduled for the afternoon. Of course, those from Teachers college are planning on a victory.

Douglas Timmerman today stated that "the full day's program had been decided upon." Many games including horseshoe, races, and other contests have been arranged for. Prizes are offered by local merchants. Special arrangements have been made to secure good talent for the intermission at the dance in the evening. Harriet Cruise Kemmer, two clog dancers, and several humorous skits will entertain the dancers. Leo Back and his ten piece orchestra will furnish the music.

Men will be stationed in the Social Sciences building and tickets may be obtained from them in case you have not already purchased one. Tickets are one dollar. A good time all the time is guaranteed by the committee who are working day and night making final plans.

Yale and Harvard Men Will Meet in Contest On English Literature

Cambridge, Mass.—(IP and Harvard Crimson)—To promote a series of annual intercollegiate competitions in scholarship between Harvard and other American colleges, the sum of \$125,000 has been donated to the university by Mrs. Lowell Putman, to establish a trust fund in memory of her husband, which will be known as the Lowell Putman Memorial prize fund for the promotion of scholarship. Mrs. Putman is a sister of the president of Harvard.

Hold Examination
In accord with the stipulations of the gift, a competitive examination will be held with Yale this year in what will probably be the first intercollegiate scholastic contest in history.

On April 30, ten men chosen from the university and ten from Yale will meet in a three-hour examination on the subject of English literature.

Five thousand dollars worth of books will be won for its college library by the victorious team, in addition to individual prizes for the team members.

Employment Queries Are Given Students

Freshmen and Juniors in College of Law Furnish Statistics to Bar Association

Statistics recently furnished by the College of Law to Prof. H. C. Horack, advisor to the section of legal education and admission to the bar of the American Bar association, by means of an employment questionnaire submitted to the first and second year law students, brought forth the following interesting facts:

Number in first year class, 80; number who responded to the questionnaire, 64; during academic preparatory years, number wholly self-supporting, 12; partially self-supporting, 40; during first year law course, number wholly self-supporting, 15; partially self-supporting, 34.

Number in second year class, 45; number who responded to the questionnaire, 38. During academic preparatory years, numbers wholly self-supporting, 5; number partially self-supporting, 25; during law school years; number wholly self-supporting, 5; number partially self-supporting, 30.

Extension Division at South Dakota Sends Plays Out to Coaches

Vermillion, S. D., May 3.—A total of 4,354 plays were mailed by the extension division of the University of South Dakota to state high schools during the school year, according to Garrett Breckenridge, extension secretary. The plays were mailed in 622 packages to 487 different schools and dramatic coaches.

"The result of this work is shown by the reports of the coaches," says Mr. Breckenridge. "We have been notified that 213 plays were chosen for production from the sample copies supplied by the division."

The extension division maintains a large library of one-act and longer plays to loan to persons who are interested in choosing plays for production.

Pharmacists Defeat Phi Kappa Psi Nine

Kappa Psi defeated Phi Kappa Psi, 8 to 1, Wednesday and won its second game in the interfraternity baseball tournament.

Green pitched for Kappa Psi and Reeves for Phi Kappa Psi, both twirled a splendid game, but Reeves was touched for hits while Phi Kappa Psi collected only three hits off Green. Nearly all the hits made by

Kappa Psi accounted for runs, with Cannon and Kemmish slamming a home run apiece.
Batteries: Kappa Psi—Green and Kemmish. Phi Kappa Psi—Reeves and Frances.

"There was a sound of revelry by night." —LORD BYRON
ONCE upon a time an undergraduate came back from his summer vacation, bought a case of "Canada Dry" and to his friends said, "Come around to my rooms, this evening. . . ."
"There was a sound of revelry by night," as Lord Byron put it. And if you don't believe me, look it up in some canto or other of Childe Harold.
This is not a story of flaming youth. Or anything devilish.
But just this: "Canada Dry" is the smoothest, mellowest, most palatable ginger ale you've ever tasted. It quenches your thirst. It has a distinctive flavor.
It contains no capsicum (red pepper). And it is really good for you.

"CANADA DRY"
"The Champagne of Ginger Ales"

Look for the name "Canada Dry" on the bottle cap. That shows you have your quality.
