

## TRACK MENTORS MAKE RULINGS

Valley Athletic Directors  
Announce Regulations  
Effected at Meet

Athletic directors of the Missouri Valley conference announced the new track and field rulings which they decided on at their annual May meeting and will be in effect for the twenty-second annual Missouri Valley track meet which will be held at the University of Nebraska Memorial stadium, Friday and Saturday, May 18 and 19.

The first new rule states that five places in each event will be scored, counting 5, 4, 3, 2, 1 for the first to fifth places respectively. The directors have decided to allow four men from each school to actually compete in each event.

### Preliminary Events

In regard to preliminary events the directors have declared that if arrangements are possible the preliminaries in the pole vault and high jump will be avoided altogether and the qualifying trials in the other field events will be held as a part of the final events. The preliminaries in the high jump and pole vault will begin at 1:30 o'clock Saturday, May 19. The remainder of the preliminaries will be run off starting at 2 o'clock Friday, May 18, unless the track coaches decide differently at their meeting which will be held at 11 o'clock Friday morning, May 18.

Unless the coaches and directors are opposed to the plan at their meeting the preliminaries of the track events will be run off in the following order:

### Order of Events

120-yard high hurdles, 100-yard dash, 440-yard run, 220-yard low hurdles, 220-yard dash, and the 880-yard run.

The order of track events in the finals will be as follows:

120-yard high hurdles, 100-yard dash, one-mile run, 440-yard run, 220-yard low hurdles, 220-yard dash, 880-yard run, one-mile relay, two-mile run, and the half-mile relay.

Drawings for the preliminaries in the track events will be held at the Lincoln hotel Friday, May 18, at 11 o'clock. The directors plan to carry out the field events drawing in such a manner so that the three or four men from each school will all participate in consecutive order. All meetings of faculty representatives, athletic directors and coaches of the Valley schools will be held at the Lincoln hotel during the Missouri Valley championship track meet.

## W. A. A. Board Will Be Host to New Members

Entertainment Will Include Picnic  
Dinner and Gypsy Frolic  
Sunday Morning

Incoming members of the W. A. A. board will be entertained Sunday morning by the retiring board at a five o'clock gypsy frolic. A picnic breakfast will be served after the gypsies have wandered sufficiently far from the town to reach an appropriate setting for their frolic.

All the new and old board members will dress as gypsies and will be called for by a caravan which will follow the gypsy trail to the appointed place where the pseudo gypsies will frolic as real gypsies are supposed to do.

## Bizad Student Frolic Is Today

(Continued from Page 1)  
race for the entertainment of the students. In last year's race, Professors Darlington and Spangler ran a close contest, with the former barely winning.

Following the race, lunch will be served to the students and faculty members. Barbecued meat, potato salad, Eskimo pies, and cookies will make up the menu.

In the afternoon the College of Business Administration meets the Teachers college in a baseball game. The "Bizads" won the game last year, and this time the teachers are looking for revenge.

A party will be held for the entire College of Business Administration at the Lindell hotel, beginning at 9 o'clock. Leo Beck and his ten-piece orchestra will furnish music for dancing. Harriet Cruise Kemmer is on the program to sing several popular numbers, and during the intermission two clog dancers will perform. The entertainment committee has also provided for humorous skits to be presented during the evening.

Those in charge of the "Bizad" celebration are: Douglas Timmerman, general chairman; Alfred Hook, general secretary; Marshall Keyes, program; Jessie Stearns, dance; George Holt, refreshments; Wilbur Mead, tickets; Carroll Pauley, transportation; and W. Keith Myers, publicity.

## Sigma Chi Defeats Farmhouse 5-4

Sigma Chi finished their league with a perfect record when they beat the undefeated Farm House team by a score of 5 to 4.

The game was very interesting in spite of the several errors. The pitching of Armatis for Sigma Chi was the feature of the game; the Farm House boys being able to get no hits during the four innings that he pitched. A home run by Anderson was the only hit for the Farm House during the entire game, while Sigma Chi garnished six hits off Frahm, hurler for the Farm House.

Farm House .0 1 1 1 0 0 1—4-1-4  
Sigma Chi . . . . .3 0 2 0 0 0 x—5-6-3

Batteries: Farm House—Frahm and Danielson. Sigma Chi—Poppe, Armatis and James.

## OKLAHOMA AGGIES PREPARE FOR MEET

Records Are Expected to Tumble in  
Sooner Farmer-Washington  
Cinder Contest

Stillwater, Okla., May 10.—Having already smashed one college record and shown unexpected strength in some events, the Oklahoma A. and M. college track team is this week preparing for the Washington university dual meet which will be held here Saturday afternoon.

John Faulkner of Mena, Ark., smashed the A. and M. record in the half mile run during the University of Oklahoma dual meet when he ran the gruelling race in 1:55.5. The old record was 1:59.9 made in 1925 by Harlan Patterson of Cherokee.

Faulkner's record breaking performance was all the more remarkable in view of the fact that he had earlier in the meet won second in the mile run. He was not pushed in the half mile, taking the lead at the outset of the race and setting the pace himself.

By jumping 21 feet, 10 inches, Carlton Corbin stamped himself as a good broad jumper and Hugh Cloud surprised Aggie sports followers by heaving the javelin 178 feet to win first place in the University of Oklahoma dual meet.
