

# HUSKERS LOSE FIVE CINDER MEN

Prospects for 1929 Look Reay With Freshmen Material Looming Up

With only five members of the 1928 team to be lost by graduation and a host of brilliant freshmen cinder stars who promise to be eligible next season, the Cornhusker track situation for 1929 displays a rosy hue with the spectre of a first track and field championship of the "Big Six" conference looming in the background.

The men to be lost by graduation are Captain Perly Wyatt, quarter-miler and sprinter; Davenport, sprinter and quarter-miler; Snyder, sprinter; Johnson, distance man; and Chadderden, distance man.

The quarter-mile event will be hit hardest by the graduation loss with Captain Wyatt, and Davenport, members of the Nebraska mile relay team and point makers in 440 yard dash events, leaving this year. Johnson gained a place among the distance stars of the Missouri Valley conference by his performances in the half mile run during the past three years. Chadderden has shown up best in the 880 yard event during his participation but has also gone strong in longer distance runs. Both Johnson and Chadderden were members of Nebraska's two mile relay team this year. Snyder served his first year with the team this season coming from Hastings college. The little North Platte sprinter made his letter

in the final competition of the season by winning fifth in the Missouri Valley conference 100 yard dash.

**Freshmen Are Active**  
Members of the championship Missouri Valley conference freshmen telegraphic track meet of this year will be ready to fill the shoes of the missing men next year providing the scholastic barrier is cleared. Bailey, True, Wickwire, Mays, and Pixley will be strong bidders in the quarter-mile event in 1929. Tomson, Griswold, Bailey, and Becker will strengthen the sprint section.

Coburn Tomson, Lincoln freshman broad-jump star, indicates that the Big Six record in that event may come to Nebraska next spring. Tomson broke the Valley freshman and varsity record both this spring but Spangler of Kansas beat his mark in the Valley meet in Lincoln last Saturday.

Nebraska promises to make a strong bid for the "Big Six" track championship next spring as they only lost the Valley meet by two points and the freshmen material of other schools of the conference did not compare with the Husker yearlings in the freshmen meet this year.

## BIRD SPECIMENS ARE RECEIVED AT MUSEUM

Four new specimens of birds have been received at the university museum in Morrill hall and are being placed on display. J. E. Stipsky of Hooper, presented three of the birds, mounted together on a small tree branch. Two of them are tree sparrows and the third a field sparrow. John T. Cox of Howe, presented a large black-crowned night heron.

## Charles Paddock, Sprint Star, Is Visitor Here

Charles Paddock, famous sprint star from California, will be in Lincoln today and Thursday on his return trip to California from the East, Miss Kathryn Everett, announced Tuesday.

The 100-yard dash champion will take daily workouts on Nebraska Memorial stadium track sometime today and Thursday and will announce the time of his practices on his arrival in the city today. Paddock will compete in the Olympic tryouts in Los Angeles this summer.

## NEBRASKA COLLEGES ENTER TRACK MEET

New State League Will Hold First Annual Carnival at Stadium Friday and Saturday

The first annual track and field meet of the newly organized Nebraska Collegiate athletic conference will be held at Nebraska Memorial stadium Friday and Saturday. The new league members are Hastings, Doane, York, Cotner, Midland, Grand Island and Nebraska Central colleges and Nebraska Wesleyan university.

All schools will be represented with Hastings, Doane and Wesleyan as the favorites to take the meet. Hastings and Doane are natural selections, while Wesleyan might have an outside chance if other schools cut in enough and Doane and Hastings engage in an unusual amount of point splitting.

Hastings won the meet last year, with a margin of one-half point over Doane. This evening the score for a similar defeat of the previous year. The records for the old Nebraska Intercollegiate Athletic association are all held by representatives of Doane, Hastings and Wesleyan and it is probable that these records will be retained by the new organization.

### Place Winners Back

Thirty-one of last year's place winners are still in the conference competition. Hastings and Doane, each have fourteen of these. Grand Island has two and Wesleyan has one. They are as follows:

## C. HASTERT SUFFERS APPENDICITIS ATTACK

Clarence J. Hastert, '28, Shelby, was stricken with an attack of appendicitis Sunday. He was taken to a hospital and operated upon. His condition is not believed to be serious.

Hastert has been ill for the past few weeks, but he wished to graduate before submitting to the operation.

## Pi Kappa Alpha Goes Into Semi-Finals

Pi Kappa Alpha cinched a place in the semi-final round of the Interfraternity baseball league by virtue of an 18 to 8 victory over Alpha Gamma Rho yesterday. The Pi K A's, in defeating the A. G. R's won league 5 and draw a bye in the quarter finals. They have previously beaten the Phi Sigs and the Theta Zis and A. T. Os.

Home runs by Presnell, Griffin and Roddy featured the contest which developed into a slugfest in the last few innings. Batteries for Pi Kappa Alpha were Linn and Gohde and for Alpha Gamma Rho, Presnell, Hartman, and Stone.

## Sigma Chi Defeats Alpha Sigma Phi 1-0

The fast Alpha Sigma Phi baseball team ran up against an unsurmountable obstacle in their race for the interfraternity championship when they were shut out by Sigma Chi by a score of 1 to 0. By virtue of this victory Sigma Chi advances to the semi-finals where they meet the Sigma Phi Epsilon team.

Armatz pitching for Sigma Chi allowed only two hits and struck out seventeen of the hard hitting Alpha Sigma Phi players during the seven inning game. Urban pitching for Alpha Sigma Phi allowed only one hit and struck out eight men.

Score:  
R H E  
Sigma Chi 1 0 0 0 0 0 1 1 1  
Alpha Sig 0 0 0 0 0 0 0 2 4  
Batteries: Sigma Chi; Armatz and Minor. Alpha Sig; Urban and Halbeisen.
