

PLAYERS OPEN SEASON WITH 'THE SPIDER'

Dramatic Society Offers Play Completing Recent Run in New York

PLOT IS KEPT SECRET

Gist of Production Is Not Revealed for Fear of Solving Mystery

When "The Spider" opens Monday night as the first play of the University Players season, Lincoln will witness the mystery that started the play-goers of New York City. Recently completing a long run in New York as one of the box office successes, "The Spider" will open in Lincoln for a week's run. Written by Oursler and Bretano, this play has the distinction of being one of the most unusual ever offered, according to Ray Ramsay, business manager of the Players. The plot of the play has been kept

AWGWAN WILL BE OUT OCTOBER 10

New Features and Clever Makeup Make Number Distinctive

THREE COLOR COVER

Awgwan will make its debut for the 1928-29 season dressed up in a new type and an attractive makeup when the "Frosh" number appears October 10. From James Pickering's clever three-color cover to the novel cigarette advertisement on the back, the initial number of the magazine presents a field of distinctive and interesting reading.

As the editor will declare in his editorial, this year's Awgwan will serve as a guide to students for style, entertainment and scholastic activities through its various sections. The style section will portray some of the University's most beautiful co-eds introducing the latest fall modes. Coming attractions at the leading theaters will be reviewed and Virginia Faulkner will give her opinion of the latest novels in her book review column.

McCleery Writes Story. An interesting section of Kosmet Klub activities will let the readers in on some of the Klub's inside dope. Bill McCleery will make his usual appearance with a story, "Chester the Court Jester," and "Robinson's Trouseau," a short playlet. One of Henry Brainerd's poems, a favorite of last year's readers, will appear in the first number.

Margaret Ketring will have a new type of frontpiece with the freshman motive as her inspiration. Other artists and cartoonists who have contributed to the "Frosh" number are: Ray Crabtree, Gay Williams, and Allen Klein.

Members of the editorial staff who have submitted material are: Douglas Timmerman, Raymond Coffey, John McKnight, Bill Hanna, Lee Daniels, Marguerite Danielson, Audrey Beales, Katharine Howard, Squire Cass, George Thomas, Warren Chiles and others.

GLEE CLUB VETERANS WILL TRY OUT AGAIN

Male Quartet Will Need Two Men to Replace Lang and Picket

Tryouts for the old members of the Glee Club will take place Monday, September 31, at 5 o'clock in Gallery B of Morrill hall. All old students and new students have an equal chance to make the Glee club this year according to Hermann Decker. "It may be that an older man's voice," said Mr. Decker, "will not work in as well as a new man's so his place will be given to the new man."

The male quartet that sang at the football games last year is short two members—Verne Laing and Harold Pickett, who did not return to school this year. The quartet will sing this year at the games when two new men are selected.

Senator Borah Gives Principal Issues Of Campaign to Nebraskan Reporter

(By Florence A. Seward) "You young people, as typified by the youth here in your state university, owe it to your country and constitution of America to get out and vote this fall, for you really begin your life when you vote for the first time," said Senator William F. Borah of Idaho Saturday morning.

The senator was busy with a multitude of campaign duties, but devoted fifteen minutes of his crowded day in Lincoln to tell over something of the principal issues of the coming presidential

Girls Octette Tryouts Will Be Held Monday

Tryouts for the University Girls Octette will be held Monday afternoon from 3 to 5 o'clock, Gallery B, Morrill hall, according to Hermann Decker. Tryouts will be for the positions of first and second soprano, and first and second alto.

DRIVE CONTINUES UNTIL THURSDAY

Campaign for Subscriptions To Daily Nebraskan Is Extended

PRICE IS \$2 PER YEAR

Announcement was made late Saturday afternoon that The Daily Nebraskan subscription campaign which has been in progress for the last week, would be continued until Thursday, October 4. The Daily Nebraskan, as most people have already noticed, is a much different paper this year than last. It is now an eight-column rather than seven-column paper, and new type faces add greatly to the attractiveness.

The subscription price is \$2 a year, \$3 by mail, or \$1.25 a semester.

Book Stores Distribute. The College Book store and Co-Op store on the city campus, and Tillman's drug store across from the College of Agriculture campus will be the distributing centers for the paper. Faculty members, however, will receive their copies through the university mail, and before 7 o'clock on the same day the paper is published.

Although some reports have not yet been turned in, most fraternities and sororities have bought blocks. One hundred per cent support is expected from the Greek letter societies.

The Tassels, honorary women's pep organization, covered the campus in uniform yesterday, and will continue their drive this week. Each member is given a tag which he is asked to wear, as this shows he has bought his subscription to the school paper.

Pledges Line Up In Shifts to Get Athletic Tickets

Ten years from now fraternity freshmen will start lining up in the spring to buy football tickets the following fall. If you doubt it ask the Acacia freshman who went over at 7 o'clock Thursday evening to get first place in line only thirty-two hours before the ticket sale started.

Youth is ingenious. Who but college students would think of sending freshmen over for an hour at a time during the whole night to keep a place in line? Last year the Delta Zetas won first place and the Betas second by going over at 2 o'clock the same morning. It was before it was 6 o'clock. Figures that out on your piano, if it's as dusty as the Kappa piano, and you will reach the same conclusion we did.

Long Line Forms. At 7:30 o'clock Friday morning a line had been formed from the door to the Student Activities office across the Coliseum floor, around the corner, and back towards the stage. It's getting as long as 8 o'clock in the Social Sciences. You know how crowds collect around there.

Freshmen report that it wasn't so bad. They went up in the "N Club" and played cards. As soon as their relief came they went home and pounded the pillow until morning. Alarm clocks received special attention through the night, ringing each hour.

Some fraternities attempted to be chivalrous and buy sorority blocks, too, in order that their fair friends might get the beauty sleep which nature requires. This kind act might merit the respect and gratitude of the sorority, but it didn't get to first base with the ticket officials. We don't know yet from just where the Delta Gammas are going to see the games. Judging from the number of Theta freshmen out for activity points on the Nebraskan they will sit in the press box.

BINNEWIES GETS NEW APPOINTMENT

W. G. Binnewies, associate professor of sociology at the Colorado State Teachers' college of Greeley, Colo., has been appointed part-time instructor in sociology for the year. Miss Agnes E. Herrick has been promoted from assistant instructor to instructor in charge of the instruction in social case work.

Dr. Elizabeth Hartman is professor of Botany in Wilson college, Harrisburg, Pa.; Mack Winter is instructor in botany at Northwestern university; Miss Clara Wolfanger is professor of biology at Hebron college, Hebron, Nebraska; S. F. Rowley is superintendent of schools at DeWitt, Nebraska; Charles Whitfield is a research instructor in botany at the Carnegie institution, Boston, Mass.

Varsity Squad Downs Frosh In Initial Tussle

Veterans Encounter Little Trouble in Piling Up High Score

LARGE CROWD PRESENT

Over 6,000 Witness Game; Howell and Witte Are Star Players

Displaying a polished ground-gaining machine and a wealth of reserve material, the 1928 Cornhusker football team dug their cleats against a fighting but losing freshman eleven for a 46 to 6 point advantage. The score was 33 to 6 at the end of the half.

More than 6,000 people filled the stands for the initial encounter of the season, three sections being filled on the west side of the stadium and the shady seats under the east balcony nearly all taken. Nebraska's plunging and driving backfield captain, "Blue" Howell, shone in the afternoon's proceedings, the husky half scoring one touchdown and accounting for a goodly amount of the yardage rolled up by the varsity eleven.

"Dutch" Witte, in addition to his touchdown making achievements, turned in several examples of shifty open field running. In the yarding lineup, Kapp stood out on the line. The former St. Joseph player made things exceedingly difficult for the varsity and stopped many attempts thru the center of the freshman line.

Probably the real star of the youngster's aggregation was Paul, a Fremont product, who scored the only counter for the freshmen when he

ROOTING TICKETS CAN STILL BE OBTAINED

Regular Student Seats May Be Exchanged Without Extra Cost

Tickets for the rooters' section are still available, according to an announcement made yesterday afternoon by Carl Olson, chairman of the rooting section committee of the Innocents' society.

Those wishing to turn their regular student activities tickets for one in the rooting section may do so, without extra charge except for the rooter's cap. These tickets entitle the holder to one of the choice seats in the stadium, all of them being near the fifty-yard line in the east stands.

Freshmen are especially urged to get into the rooting section.

MEETING OF 'FROSH' COUNCIL IS CALLED

'Y' Group Meets Wednesday To Plan Program for Current Year

Freshman Council meetings, under the leadership of Joe Hunt, a staff member of the student Y. M. C. A., will commence next Wednesday.

This will be the first meeting of the year and plans will be made to divide the gathering into groups to meet at different intervals during the week to come. Officers for the coming year will be elected from the freshmen members and other business will be transacted.

This is the fifth successive year Freshman Council has been in existence, and that it has proven a big success is evidenced in the large growth during the most recent years.

"Frosh" Council is open to all "Frosh" men. Discussion groups are held for the purpose of acquainting the new men with both the University and the Y. M. C. A. Freshman council is a department of the university Y. M. C. A.

Whereabouts of Botany Grads Are Announced

Department of Botany announces the whereabouts of several of its students who took graduate work at the University of Nebraska.

Professor Fling Relates Experiences During His Trip Abroad This Summer

Faculty Member Says Going To Europe Is Opportunity To Work With First-Hand Knowledge.

"There seems to be a general idea that when a professor of European history goes to Europe, he is taking a vacation," says Professor F. M. Fling, who has just returned from an all-summer's trip to Europe, "but it is his opportunity for work. Here he can get in touch with the life of the people and gain first-hand knowledge of what takes place.

"He can examine the literature that fills the shelves of the Paris book stores. He can attend theaters, study latest art, and hear inspiring music. These opportunities may all come to the professor abroad, and cannot be substituted on this side.

"As an illustration on books, I brought a hundred volumes back with me. These were on history proper, art, literature, music, philosophy, and religion, and were read in part or in whole before sailing. All this has direct bearing on my course in history of civilization."

Professor Fling also did some special research work on the French Revolution and Mirabeau. This was done in the Archives of Foreign Affairs, in the National

POLITICS WILL BE DISCUSSED

Talks on Coming Election Are to Feature World Forum Meetings

BEGIN WEDNESDAY NOON

World Forum meetings will begin Wednesday noon, October 10. As yet the speaker and the place is unknown, but announcements will be made later concerning them.

Robert Rider is the university chairman of the Y. M. C. A. and Julia Rider, chairman of Y. W. C. A. this year. Plans have been made to have a series of political talks in World Forum so that the university students may learn of the political situation and become interested in it.

The meetings will be luncheon affairs and will be out in time for one o'clock classes. However, a discussion group is to be formed of those who wish to remain after the lecture is given.

This is the fifth year of World Forum work, sponsored by the Y. M. C. A. and Y. W. C. A. jointly. The Y. W. chairman has charge of ticket sales and accounts, and the Y. M. chairman carries on the publicity work of the Forum.

Everyone interested in American politics of today is urged to attend the World Forum luncheons and it is possible remain for the discussion groups. Further announcements will be made as soon as plans can be completed.

Cornhuskers Will Be Given Rousing Sendoff Thursday

The far famed Cornhusker spirit will have its first chance to burst forth, Thursday afternoon when the Nebraska student body gathers to give the Fighting Cornhuskers a rousing sendoff on their departure for their first encounter of this year's football season against the Iowa State team at Ames Saturday.

The team is scheduled to leave immediately following the Thursday afternoon practice session for the Hawkeye state and will be accompanied to the train by the Nebraska students.

The parade will start in front of Social Sciences and will march through the business district to the station. The university band will lead the procession followed by the Corn Cobs and Tassels. Everyone is urged to turn out for the first team's grand and glorious send off for the opening of a great season.

The varsity cheerleaders, headed by Chick Dox, will be on hand to conduct the cheering. The definite departing time will be announced Tuesday morning.

Extension Body Sends Out Debating Material

The extension division reports that packages of debating material including bibliographies and papers, have been sent to members of the Nebraska High School Debating league in preparation for the forensic season.

New Plan for Handling Ticket Sales Suggested

Due to difficulties in the method of securing season tickets for football games a plan has been arranged that will eliminate standing line lines. Fraternity and sorority blocks will be selected, sealed in envelopes and drawn by representatives of the Greek-letter organizations.

DR. POUND SPENDS SUMMER AT YALE

Dr. Louise Pound has returned to the University after spending part of the summer teaching at Yale University Linguistic Institute. Last June she was granted an honorary degree of Doctor of Humane Letters at Smith college commencement exercises in Northampton, Mass.

DEAN PUBLISHES ELIGIBILITY RULES

Thompson Gives Regulations Regarding Students in Activities

SCHOLARSHIP ESSENTIAL

Eligibility and scholarship rules for the coming year were announced Saturday by T. J. Thompson, dean of student affairs. Students, in order to participate in university activities must pass all eligibility rules as announced by the dean of student affairs and the Student Council.

A student must have 27 credit hours for the preceding year to participate in any school activity. Credit hours transferred from other universities are not accepted for eligibility to participate in school activities.

Any student, to participate in activities, must be carrying at least 12 hours in good standing during the current semester. He must also have passed twelve hours the preceding semester. A student may be out of school for a year and still be eligible for activities, provided he passed twelve credit hour his last semester in school.

Article 33, of the University General Catalogue for the year 1928-1929, sets the following concerning eligibility for student participation in university activities:

"A student, who in any semester, is not satisfactorily carrying at least twelve hours is debarred from acting as departmental assistant or representing the University that semester on any athletic or debate team or board, on a glee, mandolin, or dramatic club, on the staff of any college publication or in any other university organization; moreover, a student who has not satisfactorily completed twenty-seven hours in the previous year in which he was registered is debarred."

ACTIVITY TICKET SALE IS LARGEST IN HISTORY

John K. Selleck Declares Demand Surpasses That Of Former Years

Friday's sale of student activities tickets was the largest in the history of the university, according to a statement made yesterday afternoon, by John K. Selleck.

The sale of the tickets began at 8:00 o'clock Friday morning. The freshmen were on hand at the doors of the Student Activities office at 7:00 o'clock Thursday evening, and about fifty men spent the night there waiting for the doors of the office to open.

A much greater number had made their appearance at 4:00 o'clock in the morning, and by 6:00 o'clock there was a line formed that extended through the front lobby and about half way down the west lobby of the Coliseum.

By noon Friday the greater part of the tickets were sold, but there are still tickets to be had by students, both in the rooting section and in the regular student section.

A scheme of distributing the tickets by a lottery system, and doing away with the conditions that have existed in the past in regard to the buying the tickets has been devised by the Athletic Office, and perhaps it will be put into use.

CITY COUNCIL BANS HEAVY TRUCKS ON R

Only Passenger Cars Will Be Allowed to Use Street Adjoining Campus

Only passenger cars will be allowed to use R street from Tenth to Sixteenth street, according to an agreement made by the city council recently. The purpose of the new regulation is to lessen the noise and confusion around the university campus.

Where necessary, light trucks will be allowed on the thoroughfare for loading and unloading purposes only.

The new order will go into effect as soon as Commissioner Foster, head of the public safety department, can have the signs painted. At the same time traffic officers will be placed on the several intersections until car owners become familiar with the regulation.

FOURTEEN PARTS ARE OPEN FOR 'KOSMET PLAY'

Tryouts to Determine Lineup Of Characters for 'The Match-Makers'

DESCRIPTIONS ARE GIVEN

Seven Male, Seven Female Actors Are Needed for Fall Show

Tryouts for principle parts in "The Match-Makers," Kosmet Klub's 1928 fall musical comedy, will be held at 7 o'clock Tuesday evening in the Temple. Fourteen parts are included in the musical comedy. Seven of these are male and seven are female characters. A description of the characters follows this article.

"The Match-Makers" is a modernized revision of a production presented by Kosmet Klub in 1913. An entirely new musical score has been arranged. Other changes have been made in this, one of the cleverest shows ever given by the Klub, to make it a strictly new and modern show.

Persons wishing to work as stenographers or publicity assistants are requested to fill out application blanks. These blanks are available at the new Kosmet Klub rooms in the German building. Entrance to the Klub rooms is on the west side.

Students desiring to try out for "The Match-Makers" will sign their names on a list posted in the College Book store. They are

BUS LINE WILL BE RUN TO LINCOLN CHURCHES

Dr. Leland Tries Plan for University Students to Attend Services

Because of the distance of the Lincoln churches from the homes of most of the students, a special bus line is being planned to take the university people to and from the churches. This service will start this morning. The buses will start from Sixteenth and U streets at 10:30 o'clock this morning.

Pass Many Churches. The route is as follows: From starting point, Sixteenth and U streets down Sixteenth to R street, west on R to Thirteenth, south on Thirteenth to K, east on K to Seventeenth to South, south to Sheridans boulevard. They will come back by the same route.

The buses will pass St. Mary's Cathedral, St. Paul Methodist Episcopal, the First Presbyterian, the First Presbyterian, the First Plymouth, the Westminster Presbyterian churches, and the Christian Tabernacle.

The plan, which will be tried out for the first time today is sponsored by the Dr. Dean Leland, First Presbyterian pastor. This offers an opportunity for the students to have easier and swifter transportation to and from their churches. It is hoped that many of the students will patronize this bus line from today on, so it can be established permanently. The regular city bus fare will be charged.

ROY WYTHERS HEADS CITY JUNIOR CHAMBER

Lincoln Alumnus Has Record Of Many Activities in University

Roy Wythers, 22, has been recently elected president of the Lincoln Junior Chamber of Commerce. Mr. Wythers has been engaged in business in Lincoln since his graduation from Nebraska.

He graduated from the College of Business Administration in 1922, and later studied in the College of Law for two years. While in school, Mr. Wythers made a letter in varsity baseball, was a member of the N Club, and the Innocents society, and was Junior Class president. For a year and a half he was Business Manager of the Daily Nebraskan.

Mr. Wythers, in an interview, recalled events occurring while he was business manager of the "Rag." "While he held that position, the paper was enlarged from a five column sheet to a six column paper. At that time, students received no salaries for their services on the paper, but were allowed to keep all they were able to make.

Mr. Wythers is a member of Sigma Alpha Epsilon fraternity. He follows J. Burns Harley, who is also a Nebraska graduate, as president of the Junior Chamber of Commerce. Mr. Harley is a member of Phi Delta Theta fraternity.

'N' Club to Hold Dinner And Meeting This Week

First meeting of the year of the N club will be held Tuesday evening in the Trophy room of the Coliseum at 6:30 o'clock. A dinner will be served for the men.

'CHICK' DOX IS NEW YELL KING

Park Anderson, Paul Burgoit Are Other Cheerleaders Appointed Friday

INNOCENTS IN CHARGE

Charles (Chick) Dox has been appointed yell king for the coming year. Dox served as junior varsity cheer leader last year. Varsity cheer leaders picked from the junior class are as follows: Park Anderson, Lincoln, and Paul Burgoit, Lincoln. Harold Marquette, Gothenburg, will be alternate cheer leader.

Five sophomore leaders were selected at the tryouts which were held Friday evening. They are: "Mike" Charters, Lincoln; Clarence Clover, Exeter; Harold Benson, Randolph; Nathan Levy, Hastings; and "Bill" Johnson, Omaha.

Appear on Drill Field. Junior and sophomore cheer leaders were selected from a competitive tryout, held Friday afternoon. The first part of the tryout was held on the drill field. Each candidate lead two yell before the drill company on duty that afternoon. Chick Dox, yell king, taught the cadets a few of the Nebraska yells.

The second part of the tryout consisted of a voice test which was given in the stadium. Each candidate made an announcement of some kind through a megaphone and the judges sat in the upper part of the stadium to judge voice quality.

A committee from the Innocents society served as judges for the tryout. About twenty-five men turned out for the tryouts.

Laws Will Sport Black Hats and Canes at Games

Once more the long arm of the law has reached out. This time it is at a football game, and in the hand is a cane. On top of everything else is a black hat. The lawyers are attending football games in a body this year. They will wear black hats and carry canes. You will know them by their somber expressions, and their legal terms.

We know all this to be a fact, for Gifford Bass, president of Phi Delta Phi, professional legal fraternity, has announced it. "We do not mean to be exclusive," explained Mr. Bass, "but we are trying to co-operate with the school and believe we can best do this in a body. We hope to make the Law college the peppery of the campus."

Popularity of 'Y' Freshman Handbook Is Evidenced By Huge Demand

Popularity of the "N" Book, student's handbook which contains general information about the University in addition to other attractive features and which is given away free to all freshmen students and sold for twenty-five cents to upperclassmen, is evidenced by the large number given away and sold this year.

According to figures received from C. D. Hayes, general secretary of the student Y. M. C. A., approximately nine hundred books were given away and sold to men students; while reports from Miss Erma Appleby, general secretary of the Y. W. C. A., place the number of handbooks given to women students at six hundred, making a total of fifteen hundred "N" books given away and sold to university students this year. This number is somewhat larger than that of last year.

Cornell Receives Large Fund From Business Man

Ithaca, N. Y., September 29—Some two score young men and women who otherwise might never complete their college education will be enabled to go through Cornell University each year under the terms of the will of the late George W. Lefevre, a retired business man, who died in Paris on Aug. 12.

The will, recently filed, provides that Mr. Lefevre's residuary estate, estimated at between \$250,000 and \$500,000, shall go into a perpetual trust fund to be known as the "George W. Lefevre Trust Fund for Scholarships in Cornell University." The scholarships will be for \$400 a year each.

Aviation Course Is Offered at New York

New York, September 29—A three year course in practical aviation will be offered by the evening engineering division and the extension division at New York University this year.

CANDIDATES FOR CLASS OFFICES FILE THIS WEEK

All Applications Must Be In By 5 O'Clock Friday Afternoon

ELECTION IS OCTOBER 9

Students Are Required to Show Identity Cards Before Voting

Filings for the offices of the presidents of the freshman, sophomore, junior and senior classes, honorary college, and a senior woman at large for the student council will begin Monday morning. All candidates must have their applications filed in Mr. Selleck's office in the Coliseum by Friday at 5 o'clock.

Eligibility rules as provided for are that all students filing applications must be carrying at least twelve credit hours successfully at the present time, must have passed at least twelve hours during the

HARE, HOUNDS START TUESDAY

Contestants in Intramural Races Must Report at 4 O'Clock

SCORING PLAN IS SAME

First hare and hound race of the year is scheduled for Tuesday afternoon, October 2. Contestants are to report at the stadium at 4:30 o'clock Tuesday afternoon and must be at the course ready to start at 4:40 o'clock.

According to Coach Schulte, fraternity and non-fraternity groups must furnish transportation for their men to and from the course. The course will be one and a half miles long and will be as tricky as the two hares, Elberton and Januiewicz, can make it.

A diagram of the course will be placed on the bulletin board in the stadium early Tuesday afternoon. Each man in the race should consult the diagram and report ready to run at 4:40 o'clock.

Four Races in October. The races will follow the same general plan that was used last year. According to present plans, four races will be run in October and four in November.

The scoring system will be practically the same as that used last year. The first man to finish the race will receive 20 points, the next 19, and so on down. Every man finishing after the first twenty will receive but one point.

Fraternities, in order to secure points toward the Jack Best trophy, must average five men in each race. The hare and hound races, unlike most other races, is not altogether a test of speed, stamina and ability. Ability to follow the right trail is almost as essential as speed and endurance.

MUSEUM RECEIVES ORIGINAL RELICS

First original relics from the Cro-Magnon period have been placed in the museum. They are six flint knives and five very small quartz arrow-points, from the caves of Bordeaux and represent the type of implements used by the Cro-Magnon cave man.

There are several replicas of things of that period in the museum but these are the first originals. They were sent by L. Didon, a French scientist, and were obtained through Dr. E. L. McQuiddy of Omaha.

BIZAD COLLEGES RECEIVE PRAISE

Dean J. E. LeRossignol of the College of Business Administration is in receipt of a letter from J. A. Bowie of the College of Technology of Victoria, university. Mr. Bowie commends in which Mr. LeRossignol's comments as follows on American business and commerce colleges.

"We, in this country, are far behind you in organizing schools of this type, and as one who is attempting to do pioneer work of this description here, it gives me great encouragement to study the very successful developments you have already achieved."

Many Alumni Pay Visit To Engineering College. Alumni visitors at the College of Engineering during the past week were: Paul W. Moseman, ex-'21 E. E., specifications engineer with the Commonwealth Edison Co., Chicago; M. E. '28, who will attend Cornell University this fall; Fred Hunt, M. E. '27, with the Worthington Pump and Machinery Corp., Philadelphia; Mervyn C. Kimberly A. B. '20, E. E. '21, line extension estimator for the Commonwealth Edison Co., Chicago; Clarence F. Rogers, now an assistant highway engineer with the U. S. D. A. bureau of Public Roads, Omaha.
