After an exchange of punts following the next kickoff, the Varsity gained possession of the ball on the freshman 40-yard line.

long run and cut back by Howell. Sloan plunged over for the second counter, Howell's placekick was low and the score remained 13 to 0.

Ted James kicked off 50 yards to Boutler, yearling quarter, who returned to the freshman 22 yard line. He elected to punt on the first down but Richards broke through, blocked the kick and recovered on the yearling 13 yard line.

Soon after the kickoff starting the second half, Ray, husky tackle wearing the number "13" on his jersey, recovered a freshman fumble on the 11 yard line.

Plans are being made for a big rally to send the football men to Iowa State next Thursday. Corn Cobs and Tassels will aid in generating pep for a suitable send-off.

On an exchange of punts, Witte got the ball on the freshman 45 yard line by signaling for a fair catch. Taking the ball on the first play on a long end run, he twisted away from three tacklers and was stopped by Swanson on the 8 yard line.

time, the Varsity eleven made fast time down the field during the opening moments of the second quarter. Witte passed to Peaker on the freshman 47 yard line and on the next play, sent a pretty spiral to Peaker who was downed on the yearling 8 yard line.

Witte scored through tackle. Dan McMullen placekicked the try for point and made the score 40 to 6. Vic Scherzinger accounted for the final touchdown when he turned in a thirty yard dazling run for the final six points.

Just as the gun went off, the Varsity pulled off an aerial attack which accounted for a touchdown which was not allowed by the officials. Scherzinger shot a long pass to Urban who caught the ball over the goal line just after the final gun had been fired.

PLAYERS OPEN SEASON WITH 'THE SPIDER'

secret from publication because a hint would reveal the solution to the mystery, and Ramsay claims the play will surprise any audience.

Playing the part of Beverley Lane, Miss Gretchen Meyer has the feminine lead of "The Spider." Ray Ramsay as Charrang holds the masculine lead. Both have had experience in University Players productions previously.

In casting this play, Miss Alice Howell, director, was obliged to search for some character players throughout the city, as some of the roles could not be filled properly by university students.

Several of the members of the cast expressed their opinions that they had received a "wallop" out of the show because of its novel difference with any other productions, and are anxious to see how the audience will receive "The Spider."

The scenery for "The Soldier" has been designed by Dwight Kirsch.

The cast is as follows: Charrang.....Ray Ramsay Alexander.....Elwood Ramay John Corrington.....Ted Larson Beverley Lane.....Gretchen Meyer Dr. Whitem.....Evada Rawlston Bob Reed.....Himself Mr. Young.....Himself Sergeant Schmidt.....Harlan Easton Bill.....Coral Dubry Dick.....Harold Woods

Chief Riley.....Pauline Gellary Estelle.....Alfred Poska Tommy.....Joy Storm Deughter.....Richard Page Burke.....Harry Wolf Officers, stage hands.

CANDIDATES FOR OFFICES TO FILE

Continued From Page 1. preceding semester, and must have at least twenty-seven hours to his credit.

Applications bearing their names as registered, because of the difficulty in checking eligibility. Although this is not the time for the regular election of the senior woman at large for the student council, Miss Mary Ball, present holder of this office, has resigned, necessitating the election of a senior woman to be elected.

The polls will be in charge of the student body, and no student will be allowed to vote unless he presents his identification card. As each card is presented to the workmen at the polls for approval, it will be punched, allowing only one vote to a registered student.

No vote can be solicited by cards or otherwise at the polls or in the parlors in which the election is being held during election day. According to present regulations, no money shall be spent on behalf of any candidate. Any candidate violating this rule either in person or through his supporters shall thereby become ineligible. The election will be held on Tuesday, October 9, in the Temple, according to Eldred Larson, president of the student council.
