Assistant Dean of Women Will Attend Meeting of Student Federation

As one of the six college delegates from the United States, Miss Appleby will leave Friday for New York City from where she will sail on the Olympic October 13 for Mysore, India.

According to Miss Appleby, the purpose of the World Student Christian Federation is to work out the principles of Christian religion in student lives and with the world.

Some countries wish to organize and join the federation, and need help, while others, such as Spain, Portugal, and Prussia, have new organizations.

Miss Appleby will propose to the federation that the new purpose that has been adopted by the national Y. W. C. A. be accepted.

Some of the prominent persons who will be there are John R. Mott, who is chairman of the national committee of the federation, Kazawa, one of Japan's popular novelists and a labor leader; and Ghanshi, India's saint and leader.

Groans Are Expected When Freshmen See Identification Card Photographs

Next Wednesday and Thursday the freshman class will receive the pictures which are to be attached to their identification cards.

There were approximately two thousand of these pictures taken with but one casualty to the camera.

Many of these pictures were viewed by the writer, but alas! it is feared that necessity alone will cause the bearer to extract it from his pocket.

Studio Sends Call For Identity Cards All new students in the university are to bring their identification cards to the campus studio between the hours of 8 a. m. and 5 p. m. on Wednesday and Thursday.

ALUMNUS WILL ISSUE FOOTBALL MAGAZINE

Gregg McBride Will Assist In Gridiron Section of Publication

Gerald E. Griffin, editor of the Nebraska Alumnus this year, announced that the first issue of the football supplement will appear Wednesday.

The football supplement will contain a comprehensive summary of the material available of progress of the Nebraska football squad.

Not only will members of the squad appear but it will be supplemented with groups and individual pictures. All means that may be employed to bring the alumnus closer to the University will be employed in the issues of the paper.

A color picture of each game will be presented, attempting to bring the reader the tense excitement and thrilling moments that occur throughout the game.

Griffin states in one of his editorials the following: "This is not to be a house-organ for the athletic department or the coaching staff, but we hope to present the facts with less prejudice than is often the case with the sports pages of daily newspapers and, while we are anxious for Cornhusker victories, let us say at the outset that we hope we can take our defeats with as much grace as we accept our victories."

"We repeat our hope—an intelligent interest in the fortunes or misfortunes of the Cornhuskers."

Applicants for Staff Position Will Compete This Afternoon

The 1928 Cornhusker will employ ten or twelve typists, according to William Mentzer, editor. Applications have been turned into the Cornhusker office and tryouts will be held in the office this afternoon from 2 until 5 o'clock.

Persons who have had typing experience but neglected to apply will be given an opportunity to compete for positions also.

Twenty-five University students have submitted applications for typing work on the Cornhusker. These applicants must be in the Cornhusker office at 2 o'clock this afternoon. They are: Margaret Frahm, Virginia Guthrie, Gene Marie Weed, Olga Wondra, Mary Shoemaker, Wilbur T. Peterson.

The most promising typist from this group will be selected as a permanent Cornhusker typist. This typist will work every afternoon in the office, and will receive pay for the work.

Persons wishing work as photographers or snapshot assistants will meet in the Cornhusker office at 5 o'clock this afternoon.

Indian Summer Soon With Us, Latest Rumor

Indian summer! That mythical period so suggestive of football, serenades, and—well, anyway it'll soon be upon us and if we may rely upon a little "inside" information passed along to us, it's almost as bad a season as spring for the young man's fancy stuff.

That's a funny thing to talk about in a weather report but then it's a funny thing to talk about any place, so perhaps this will pass.

Sad news to wearers of new trench coats, a rather dry week, with no marked temperature departure and not much precipitation is promised.
