

BAND BALL NETS LESS THAN THIRD AMOUNT NEEDED

Estimate Indicates Profit of \$1,500 Was Made on Coliseum Dance

SUPPORT APPRECIATED

Committee Is Confident That Deficit Can Be Raised In 3 Weeks Left

Fifteen hundred dollars, less than one-third of the amount necessary to send the R. O. T. C. band to West Point—was netted from the Band Ball held in the Coliseum Saturday night, according to an unofficial estimate made today.

About \$570 of that amount was realized from tickets sold at the door the night of the Ball. The remaining sum came from tickets sold on the campus and to local business men.

Large Sum Needed

The Band Ball was the first move in the campaign to send the band to the Army game November 24. It has been estimated that between \$4,500 and \$5,000 will be needed for the trip if the cadet musicians accompany the team to New York.

This year the organization has attempted to avoid any form of raising money which is solely charitable. For this reason the Band Ball was staged, with Herb Pick's famous Missouri Quadrangle orchestra occupying the spotlight.

Further plans are in the making for future parties or affairs of a similar nature in order to make up the deficiency in the quota.

Support is Appreciated

The Band Ball executive committee expressed its appreciation for the loyal manner in which the student body, campus organizations, and Lincoln business men responded to the project. Three weeks yet remain before the game at West Point, and the executive committee is confident that the sum needed can be raised in the intervening time.

A full unformed band will make the trip to Lawrence, Kansas, Saturday for the football game.

STUDENTS REPORT ON SUMMER CONFERENCE

Discussion Groups at Estes Are Said to Develop Fair-Mindedness

Frustrated and serious aspects of the Y. M. C. A. Y. W. C. A. annual conference held each summer in Estes Park, Colorado were related by three of the students who attended last summer, at the regular Vespers service Tuesday at 5 o'clock in Ellen Smith hall.

"Fair-mindedness and a critical attitude were well developed in the discussion groups which occupied the greater part of the planned activities of the day," declared Gordon Hager, president of the university Y. M. C. A., who talked about the discussion groups at Estes.

Seven discussion groups on education, prayer, the sermon on the Mount, foreign relations, war, sex relations, industrial relations and conditions, and form conditions, were open to the delegates at the conference.

Association hour at 10 o'clock followed the discussion hours at 9 o'clock. Association hour groups were divided according to the schools which they represented, and individual campus problems were discussed at this time.

People Who Talked

People Who Talked at the Conference was the topic given by Marion Wilkerson. Harold Colvin and Frances Perry were the leaders of the conference. Sherwood Eddy and Reinhold Niebuhr were speakers of national reputation. Some of the topics were: "Foreign Policy," "Sins of Students," "Religious Values," "Moral Life" and "Relations Between Men and Women."

After the morning lectures students could talk to the speakers and ask questions on the topic or topics of especial interest to them. Personal conferences could be had

Political Lights Will Be Depicted By Journalists At Big Election Feed

"Midst horrid sounds and sights," etc., was written by a poet, who probably had soup in mind, but after Thursday evening, soup will be a thing of silence and a joy eternal.

Be it known, that, on that evening, people interested in uplift, clean politics, the next president of this country and assorted entertainers, will gather at the Annex cafe to thresh out the political broil.

"Food, including a remarkable innovation, 'silent soup,' will be the main attraction, but the assemblage will talk sufficient time out to listen to harangues by Al Smith, East side vote-getter (Rowan Miller); Herb Hoover, sunshine of California, who hopes to land in Washington next March (Dean Hammond), and assistants.

But this is getting involved. What we started out to say was something about Patrick Henry. Pat's ghost will surely be lured to attend the "Election Feed" Thursday night, for the eloquence of accumulated campaigns has been bottled up to be uncorked for Nebraska journalists and friends.

Electioneers, their voices ringing with sincerity, their pockets lined with silver—we mean, their speeches will come from silver tongues—will have all sorts of surprises in store for listeners (Running true to form).

Variety of Planks

There will be platforms loaded with a variety of unusual planks. Cal Coolidge (Joyce Ayres) will help calm down the assembly when the talk becomes too excited. Conceded behind a red necktie and Sherlock side whiskers, Norman Thomas (Bill McCleery) will pound

FANS WILL GET GRID RETURNS IN COLISEUM

Loud Speaking Unit Will Be Operated; Chart Will Show Positions

CARDS ARE NECESSARY

Cornhusker football fans who will be unable to make the trip to Lawrence can hear the Kansas-Nebraska football game first-hand at the University Coliseum Saturday afternoon at 2 o'clock, according to Carl Olson, in charge of arrangements for the second big football party. A giant chart, fifteen feet wide and eight feet high, on the order of a grid graph, will be placed on the stage and the loud-speaking unit will be in operation.

The chart will show the position of the ball, names of players on both the Kansas and Nebraska line-ups, and names of the officials. The chart is large enough to be seen from any place in the Coliseum without difficulty.

Direct Wire From Field

A direct wire from the Kansas stadium to the Coliseum will be installed by KFAB the Nebraska Buick Auto company broadcasting station. The game will be broadcast throughout the state from the Coliseum enabling listeners to hear the cheering of Nebraska rosters.

Scores of other important games will also appear on the chart as well as the score by quarters of the Husker-Jayhawk game. Cards on each side of the chart will give the names of players on both teams.

Identification cards will be required for admittance to this big party. The chart which will be used at this game will be much more effective than the chart used at the Ames-Nebraska football party.

HUSKERS MAY GO TO PARTY AT LAWRENCE

Football Special Will Hold Over to Give Students Time to Attend

Kansas students plan to follow the Kansas-Nebraska game with a special Kansas-Nebraska party, according to a letter received by Herb Gish from Forrest C. Allen, director of athletics at the University of Kansas. In order that the Nebraska rosters might be able to attend he asked that the special train be held over until 11:59 instead of leaving immediately after the game.

Attendance of the Nebraska fans would insure the success of the party, Allen said. It is planned to have Leo Beck's orchestra and one from Kansas furnish the music.

A. S. M. E. Will Discuss Aeronautics Thursday

The feature of the A. S. M. E. meeting Thursday, November 1, will be a talk on aeronautics.

The meeting will be held in room 206 of the Mechanical Engineering building, at 7:30 o'clock. Refreshments will be served.

46 MEN ARE PLEDGED BY PERSHING RIFLES

New Selection Method Is Used; Old Initiation Is Abolished

Forty-six men were elected to Pershing Rifles, honorary basic military organization, at a meeting of the active members Monday, October 29. A new system of election was instituted at this meeting whereby the men were chosen more on the basis of the recommendation of officers as compared with the errors that were marked against them in tryouts last week.

Due to the fact that there were nearly one hundred and thirty men competing for membership in the organization, and these men all being excellent military material, it was a difficult matter for the members to make their selections.

The newly elected men are requested to be at Nebraska hall, examination on the material posted on the bulletin board on the second floor of that building.

This examination is replacing the rough initiation that has heretofore been inflicted on the members and it is necessary that these men take this and submit suitable papers to the officers for their approval. These men are also requested to have with them the in-

1929 YEAR BOOK WILL END SALES DRIVE SATURDAY

Cornhusker Representatives Cover All of Campus And Organizations

SUBSCRIPTIONS MOUNT

West Point Trip Is Offered For High Individual and \$50 for Group

Four more days of the Cornhusker sales campaign remain. Students wishing to take advantage of the ten percent discount offered by the 1929 Cornhusker during this period must buy the year-book at once.

Representatives of the Cornhusker may be found on the campus and in fraternities and sororities. Tassels, women's pep organization are handling sorority sales and each fraternity has a salesman selected by the Cornhusker to sell books in his own fraternity home.

Individuals and members of organizations are soliciting sales on the campus.

Persons selling Cornhuskers are urged to turn in their sales books as soon as they are filled, so that new ones may be issued to them. The 1929 Cornhusker is priced at \$4.50 during the campaign period. The price will be restored to five dollars as soon as the present campaign closes.

Campaign Is Satisfactory

As has been announced, the individual selling the greatest number of year-books will have his expenses paid on a trip back to New York for the Army-Nebraska game. The organization whose members sell the highest number of books will receive a cash prize of fifty dollars from the 1929 Cornhusker.

"The campaign is moving along very satisfactorily," announced Bruce Thomas, business manager of the year-book, yesterday. He believes that the campus will be covered better by salesmen this year than in any year in the past.

FORUM WILL MEET AT LUNCHEON TODAY

Joseph Gilbert Will Explain Socialist Party and Its Policies

THIRD POLITICAL SPEECH

World Forum luncheon will be held at noon today at the Nebraska hotel. Joseph Gilbert, editor of the Nebraska Craftsman, will be the speaker. Mr. Gilbert will explain the socialist party and its policies. As both the republican and democratic platforms have been discussed in World Forum meetings this year, it was decided to have the socialist party policies explained.

World Forum luncheons are carried on by a joint committee from the Y. M. C. A. and Y. W. C. A. Four political meetings have featured this fall. Today's luncheon is the fourth in the series of political talks.

Tickets for the luncheon are 25c when purchased before the Tuesday night preceding the meeting. The charge at the door is 49c. An average of seventy students have attended the World Forum meetings short enough so that those who have 1 o'clock classes may get to them on time.

The World Forum meetings are open to all university students and faculty members who are interested. Usually a discussion by those who do not have 1 o'clock classes is held after the talk.

'Hallowe'en Is Here,' Is Cry of College Youth

"Hallowe'en is here! Hooray! Hooray!" yowls the adolescent youth and the cry is carried on by university freshmen and some upper classmen. Freshmen will be carried back to the olden days (not so olden at that) when they were wrecked havoc during their high school days by pulling cultivators, hay rakes and discs through the streets of their home towns.

Tonight, collegiate Frods will be in danger of complete or partial demolishment unless placed under lock and key in some out-of-the-way garage. Even with these precautions the owner may find his garage gone, along with other small buildings, and his Ford looking like a junk pile. Owners of "big cars" will probably not be immune from the attack.

Lincoln's supply of soap, the kind that is soft and leaves big wide marks on plate glass windows, has been completely exhausted. Manufacturers of large spoils of thread have been working over time in order to supply the demand for "tick-tacks." Old rubber boots have been at a premium for weeks. If you don't know why, try and count the slingshots tonight.

Good for Annual "Sneak"

Green caps and green buttons will also probably be in evidence as tonight is a good night for that annual "sneak." The Lincoln and Orpheum are installing extra seats to take care of freshmen. According to reports from the Lincoln Auto Club all roads to Omaha are open and in good condition.

Janitors, window-washers, and chimney sweeps, have laid in an extra supply of brooms, brushes, rags and polish clothes to take

BIG PARTY PLANNED FOR ELECTION NIGHT

Latest Returns Will Be Sent Over Direct Wire to Coliseum

NAVY BAND WILL PLAY

A big election party is scheduled for the University of Nebraska Coliseum next Tuesday night. The party will be featured by the appearance of the United States Navy band, the official band of Uncle Sam's sea forces, appearing in Lincoln on tour authorized by the president.

Arrangements have been completed for the installation of a direct wire from the United States Navy band to the Coliseum which will flash the latest election returns in local, state and national centers to the crowd. These bulletins will be relayed through the University's own public address system.

World-Famous Band

Appearance of the United States Navy band in Lincoln under the auspices of the University of Nebraska brings to the campus one of the world-famous band combinations. Every member of the navy band is a soloist and the program includes martial, concert and popular numbers.

A feature, which should prove popular with the students is the U. S. Navy jazz band, also included in the latest election returns in local, state and national centers to the crowd. These bulletins will be relayed through the University's own public address system.

PSYCHOLOGY GROUP ORGANIZES SOCIETY

Honorary Fraternity Will Be Part of New Club to Convene at Columbia

The organization of an honorary psychology fraternity, which will become a chapter of a national organization for those interested in psychology, is planned at the University of Nebraska.

Last Monday afternoon a meeting attended by a number of graduate students and psychology majors was held in Social Sciences, and a resolution was passed to establish a fraternity for the propagation of psychological interests on the campus.

Elmer Noh was chairman of the meeting, and Margaret West, secretary. A committee consisting of Mrs. J. P. Guilford, Dorothy Park, Miss Noh, Kenneth Braly, and William E. Walton was appointed to draft a constitution. Next Monday afternoon at 3 o'clock in the department of psychology offices there will be a meeting where details of formal organization will be discussed.

Several of the promoters have been active members in psychological fraternities of other schools. In a great many schools in all parts of the country such fraternities have been founded, and around Christmas time a convention will be held at Columbia university where delegates from these groups will meet and organize a national fraternity.

Grubb and Sturdevant Are Conference Speakers

Dean Grubb and Dr. R. E. Sturdevant, both of the Dental college, were speakers at the annual meeting of the Central District Dental society held at Stromburg, October 29. Dr. Grubb spoke on X-ray technique and interpretation. Dr. Sturdevant talked on inlay and bridge abutment technique.

HUSKER SPECIAL LEAVES LINCOLN FRIDAY MORNING

Football Fans Can Make Trip to Lawrence Via U. P. for Four Dollars

WILL SEND ENTIRE BAND

All Freshmen Players Who Are Up in 12 Hours Are Eligible for Trip

Cornhusker football fans will have an opportunity to go to Lawrence for the Kansas-Nebraska game at a comparatively low cost, according to officials of the Nebraska athletic office and the Union Pacific railroad. Fare for the round trip will be \$4.00.

The Husker special will leave Lincoln at 5:30 Saturday morning instead of 6 o'clock as previously announced, and will arrive in Lawrence at 12 noon. The train will leave Lawrence, at 11:59, Saturday evening and will arrive in Lincoln Sunday morning, at 7:30 o'clock.

The change of the departing schedule from Friday night to Saturday night to Saturday morning eliminates one night's ride as well as permitting the athletic board to send more freshmen football players and more members of the band.

All freshman football players who have been reporting regularly to practice, and who are up in twelve hours will make the trip. Eighty men have been reporting regularly and, probably, about sixty will go. All Varsity men will make the trip, providing they are eligible.

In addition to the thirty that will leave on the train Thursday night, about twenty-five will go on the special.

Band Will Go

All members of the University of Nebraska band will make the trip if they are up in twelve hours. Eighty men are expected to be eligible for the trip. They will also go on the Husker Special.

Announcement has been received from Lawrence that the University

SKITS ARE PRESENTED FOR NEXT KLUB SHOW

Fraternities and Sororities Respond Promptly to Call for Acts

DEADLINE IS THURSDAY

As the deadline for the presentation of manuscripts of skits for the Kosmet Klub Thanksgiving morning show draws near, more and more acts are being submitted. Fraternities and sororities have responded readily as well as organizations and individuals. The deadline has been set for Thursday, November 1, at 5 o'clock.

A large number of skits is necessary for this show due to the nature of the production. "King Kosmet's Royal Review" is something new in productions to be staged by this campus organization. With the character of a vaudeville show it will have a light plot with a few principle characters to carry it through. The plot, it is planned, will serve to hold the various acts together and give continuity.

Negotiate for Theaters

Negotiations have been started with the Lincoln Theater Corporation to secure either the Orpheum or Liberty theater for the staging of the review. Those preparing acts may keep this in mind and can depend on complete stage and lighting equipment.

It was announced by Kosmet Klub that fraternities and sororities may combine their talent in

POLITICAL DEBATE IS SET FOR NOVEMBER 1

Supporters of Hoover and Smith Will Expound Parties in Armory

The political debate sponsored by the Hoover-Curtis and Al Smith clubs will be held in the Armory at 7:30 o'clock Thursday night, November 1. A huge torchlight parade has been planned so that the political debate will not be lacking in good, old-fashioned political ballyhooing.

The parade will start at Sixteenth and Vine streets. It is open to everyone. Great interest has been shown in the idea of a political debate on the campus, and the committees in charge expect a large crowd Thursday night.

Evert Hunt, George Johnson, and W. F. Matuschall compose the republican team. The democrats will be represented by David Fellman, John Skiles, and Leon Sprague. The republicans will speak first and will try to prove that their party's policies and candidates are the best. The democrats will try to disprove their arguments, and build up arguments which favor democratic policies.

The challenge of the debate was issued some time ago by the Hoover-Curtis club. The Al Smith Sturdevant talked on inlay and bridge abutment technique.

Forrest Cox, another sophomore on the Kansas team who will probably start in Saturday's game with the Nebraska Cornhuskers. Mobs Prefer Blondes Is Conclusion After Study of Parading Students

The rally spirit which pervaded the campus last Friday may have seemed to be a big nuisance to some professors but to Prof. W. G. Binnewies, instructor of sociology, it was used as a laboratory for his students to study mob psychology, its causes and results.

The class in social psychology meets at 1 o'clock on Friday. A huge student rally which had begun at 10 o'clock in the morning had not subsided and had worked the students into a frenzy. Everywhere on the campus classes were being broken up by the pep enthusiasm. Professor Binnewies dismissed the class so the members could make a careful study of the mob.

Mob Spirit Is Evident

The mob spirit even showed itself in the class itself. According to rules of mob psychology every mob must have its victim. Profes-

OLYMPICS ARE SCHEDULED FOR NOVEMBER 10

Freshmen-Sophomore Scrap Will Be Conducted in New Manner

SCHULTE IS SUPERVISOR

Both Will Get Even-Break In Contest to Decide Fate of Caps

Freshmen Olympics will be held during the afternoon of Nov. 10, the day of the Oklahoma-Nebraska game at Norman.

This announcement was made yesterday by the committee in charge of the traditional day of rivalry between freshmen and sophomores. On recommendation of both freshmen and sophomores, the annual scrap, (clothes tearing and hair pulling match) will be conducted according to a new system of scoring being devised by the committee in charge.

The events in the Olympic program will be practically the same, with Coach Henry Schulte in charge of the track events. Schulte will also supervise the various boxing and wrestling matches which will be held in the Coliseum, the entrants of which will be announced later. The date for filing for the wrestling and boxing events will be definitely announced this week.

Should the freshmen win the Olympics, as has always been the custom, they will be allowed to throw away their caps, burn them in a huge bonfire, or dispose of them as they see fit. However, the program of events has been so arranged by the committee as to give the sophomores an even break with the freshmen and assure a spirited program. Announcement of the detailed list of events will be made later by the committee.

According to a traditional stipulation, if the Sophomores win the majority of points in the Olympic program, freshmen must wear their caps until the first snowfall. Unconfirmed reports from amateur weather prophets are that it won't snow until Valentine's day.
