Beargmen Crash Thru Nine Game Schedule Winning **Big Six Title** 

### SINGLE DEFEAT IS MET

### Bearg Quits Nebraska After Three Years; Has Put Out Strong Squads

Nebraska's football coaching staff turned out one of the greatest comhusker football teams this rear that has ever represented Nebraska on the gridiron. Coached by Ernest E. Bearg, the Scarlet squad went thru a hard schedule of nine games, losing but one, and winning the Big Six conference football title.

Winning the Big Six was out-standing by virtue of the fact that Nebraska had not won a football championship since 1924 and had not beaten their ancient and honor able rivals, the Missouri Tigers, since that same year. This season Coach Bearg and his staff of assistant coaches turned in both. Missouri was defeated in a 24 to 0 game before a huge crowd of homecoming fans, virtually clinching the title for the mighty Cornhusker eleven. Kansas, Oklahoma, Iowa State and Kansas Aggies followed the way of the Tigers and fell be-fore the Nebraska eleven's powertal onslaught.

"powerhouse," as the Nehuska eleven was called, tore thru Spracuse, and Montana State, held it to a tie and lost to the Army. out of the nine games on the card, the Huskers turned in a win for seven of them and tied one. This is the best record since Coach Bearg and his staff came to Ne braska in 1925.
