Coach Ernest E. Bearg, athletic director and head football coach of Washburn college. That's the new title of the former Cornhusker football mentor. Coach Bearg announced Tuesday that he had accepted the offer of his alma mater to take the head of the athletic department. It did not come as a surprise to Cornhusker followers, but a few things did surprise the Nebraskans and one was that Coach Bearg was offered an increased salary to remain at Nebraska. This statement was released by Dr. Parley Womer, president of the Topeka school at the dedication ceremonies of the new \$200,000 field house at which Bearg attended. Washburn officials are glad to welcome Bearg back to the school. President Womer stated that when Bearg left in 1920 that he left with the understanding that he would be back.

The All-Star eastern football squad has arrived in San Francisco for the practice sessions before the big game between the star eleven of the Pacific coast and the all-star eleven from the east. The eastern aggregation is headed by coaches Andy Kerr and Dick Hanley of Washington and Jefferson and Northwestern. Two Cornhusker gridders are listed among the eastern squad, Blue Howell, fullback, and Dan McMullen, guard. The two Nebraska players will represent Nebraska on the star selection and will meet the cream of the Pacific coast in the Shrine benefit game in Kezar stadium in San Francisco on December 29.

Kansas university opened their basketball season Tuesday evening at Washburn in Topeka to dedicate the new Washburn field house. The Jayhawker aggregation, coached by the famous "Phog" Allen took a defeat at the hands of the Topeka quint to usher in the 1929-30 season. The final score of the game was 24 to 25. The next game on the Jayhawk schedule is with the Missouri Tigers in a non-conference game. The Allen crew is booked for some stellar work in

the Big Six this season but from the bad start down at the Kansas capital, it looks as if "Phog" had not got under way yet.

Tonight Nebraska pries open the lid of the winter sport season, meeting the South Dakota Rabbits on the Coliseum floor. South Dakota comes to Nebraska unheralded and using also an unknown quantity on the hardwoods. Nebraska has not been in the sport light in basketball for some time and tonight, fans and followers of the cage game will have an opportunity to see what the Blackmen will do this season in the Big Six conference.

FOLK LORE COURSE WILL BE OFFERED

According to A. A. Reed, director of the extension division, a course in rhythmic music based on folk lore to be used in elementary and high schools will be offered in night classes of the second semester next year. Arrangement of schedule for the night classes is under way, according to Mr. Reed.
