

MATMEN TRY OUT FOR MEET WITH INDIANA

Wrestling Contest Will Be Held Saturday Prior To Cage Game

EXPECT STIFF BATTLE

Many tough battles were fought Tuesday afternoon in the tryouts for the wrestling team for the University of Indiana meet next Saturday before the basketball game. The squad is working out daily in anticipation of a tough tussle with the experienced Indiana team that boasts of an Olympic star in its ranks.

In the 135 pound class Andrews overcame Reese in 6 minutes, 50 seconds. In a very hard-fought battle Linsok beat Hurten after two extra periods by a time advantage of 3 minutes, 25 seconds. These two bouts were the only tryouts held as all the other wrestlers have been decided upon.

Toman, 165 pounds, captain of the wrestling team, showed better form than Simick, in a workout match. Simick had a weight handicap of ten pounds and Toman was in much better condition.

Keiselbach, a freshman, former Lincoln high star, present holder of the state heavyweight high school wrestling title, shows very good promise for next year. Keiselbach and Peterson, a new man out for the team, fought for about eleven minutes before they were sent to the showers.

Reimers, 140 pounds, downed Robinson, 162 pounds, in about four minutes. Then Smith, the same weight as Reimers, but less experienced, showed fine skill in an almost even five-minute match with Reimers. The workout ended with a fast match between Kish, 118 pounds, and Eckman, 129 pounds. This was a practice match.

TWO MATCHES ARE ON SLATE FOR RIFLEMEN

Nebraska Shooters Will Vie With Connecticut and DePauw This Week

Two shooting matches, the first of the present season, are slated for the Nebraska rifle team this week. The results of the matches will be telegraphed to the Connecticut Aggies and DePauw university, who, in turn, will wire a statement of the scores of their respective squads to Nebraska.

But two lettermen have returned to the Nebraska team this year. They are Chauncey Hager, captain of the team, and Cliff Webster. The latter is ill at present and will not be able to participate in the first matches this week. Twenty-five men have reported for shooting so far and all of these men will take part in the matches, the ten highest scores being used in the contest with the other two schools.

Ten additional targets are being erected in Andrews hall, making the total number of targets sixteen. The new targets are expected to be completely installed this week. Captain Lyons is replacing Captain Eggers as leader of the range this week.

Largest State Adds to Total Land Acreage

Austin, Texas—(IP)—Texas, already the largest state in the union, is to be 25,000 acres larger when the United States Supreme court issues its final decree in the Texas-Oklahoma boundary dispute.

About that amount of land, valued at from \$25 to \$75 an acre, will be added to Texas because the court has found that the true 100th meridian, the legal border of Western Oklahoma, and the eastern border of the Texas panhandle, really takes in part of what is now Oklahoma.

VOGELER ISSUES CALL FOR MORE SWIMMERS

Sixteen Natators Are Out For Team and Numeral Awards Later

According to Rudolph Vogeler, swimming instructor, a great many more swimmers are needed to complete his class and to afford a suitable group from which to pick a team. There are a number of sprinters at present, according to Mr. Vogeler, but he has very few swimmers of the back-stroke and breast-stroke style.

At present there are sixteen swimmers enrolled, including the following: Amato, Waldo, Mockler, Thomas, Gallup, Hestpeck, Dille, Pattavini, Bennett, Peterson, Holt, McFarlane, Cahow, Southerland, Whitaker, and Ungles. Swimmers are urged to report at 4 o'clock daily at the Y. M. C. A. pool.

A numeral meet will be held next week for the purpose of awarding letters to the best swimmers. An intercollegiate meet has been definitely scheduled with Ames to take place at Omaha on February 9. Tentative meets are as follows: University of Kansas and Kansas Aggies on February 16-18; St. Louis university, Washington, and Drake on February 24.

INDOOR CINDER TRACK SEASON IS IN OFFING

Over 250 Have Reported For Workouts According To Coach Schulte

The Nebraska indoor track season started officially Monday, January 7. Up to the present time about 250 men have reported for workouts.

This year's prospects look good with the veterans Easter, Krause, Ossian, Dexter, Mousel, Ritcher, and Batte back. More are expected to report in the next few days.

The men have not started intensive training yet, most of the time being spent in limbering up exercises and preliminary work.

Coach Henry Schulte said that by the latter part of the week he expected the men to be in good shape and ready for the real test which is before them.

North Platte Methodist Students Plan Meeting

Methodist students whose homes are in North Platte will hold a dinner meeting at the Wesley Foundation, at 1417 R street tonight at 6 o'clock. The Rev. E. L. Geisinger, pastor of the First Methodist church of North Platte, will be the guest of honor at this meeting.

This meeting is part of the Wesley Foundation program for this year which has for its purpose the bringing together into the closest possible social relations the large group of Methodist students attending the University.

Riflers Will Meet to Plan Year's Program

There will be a meeting of all men who have made scores or intend to shoot on the rifle team this year, in the office of Capt. Lyons in Nebraska Hall, Wednesday, at 5 o'clock. This is an important meeting. Letter awards for the season are given on the basis of average shooting during the season, and participation in early season matches is necessary.

Nebraska is staging a big double bill at the Coliseum Saturday night when the Nebraska basketball team meets the Missouri five in a Big Six conference clash. Coach Johnny Kellogg's Husker grapplers will furnish the second period of athletic entertainment by meeting the Hoosier wrestling team from the University of Indiana. The basketball game which opens the home season in the Big Six has everything the ardent fan and follower of the court desires. Missouri, built around a team of tall and veteran cagers, looks to be one of the foremost fives in the Big Six. But over on the Coliseum hardwoods every night, Coach Charley Black is building a Scarlet and Cream machine that looks to be a whiz. Basket shooting aces are going to be plentiful in the Husker camp, if the fans can judge by what the Scarlet squad is doing in the practice sessions. Led by Harvey Grace, Elmer Holm, Glenn Munn, Carl Olson and others, the Nebraska court team is

driving away this week in preparation for the coming of the Missouri quint Saturday. It will be fast, clever and spectacular—this Missouri-Nebraska game this week. Fans are in store for a real court thriller and on paper Missouri has the edge. Coach Black's caners have not been beaten to date and there is a great deal of spirit among the Husker basketkeeters for the coming game.

Did you know? That Nebraska drew the largest football crowd of the Big Six during the 1928 season when the Huskers met Missouri on Homecoming day. That the Husker football team played before the largest crowd for the entire season when 144,476 football fans paid through the turnstiles. That this record is a new one for the Cornhusker school, bettering the last season's attendance by more than 30,000. That Nebraska holds the record for the largest football crowd in the Valley region when the Huskers met Notre Dame in 1925 before a crowd of 45,000 fans. That the 35,000 fans at the Missouri-Nebraska game almost doubled any other game in the entire Big Six conference. That the second largest crowd of the Big Six season witnessed the scoreless tie between Nebraska and the Pitt Panther. And that nearly every game on the home season was followed or preceded by the weather jinx?

Although the Missouri Tiger basketball quint was halted by Butler and Indiana during the holiday rush, Coach Edwards hopes to start out the Big Six season with a win over the Nebraska Huskers here in Lincoln Saturday. The Tiger five will probably have Charlie Huhm at center against Nebraska. The little Tiger center only towers up into ether about six feet and six inches, the tallest pivot man in the conference. The call has not been issued for the center job on the

Scarlet five but if Huhm is to have any competition at all, Glenn Munn is about the only Husker who can give it to him in the line of jump-throw center. The forward berth will probably be held down by Craig and Harry Walsh, the two Tiger sharpshooters. Captain Roach and Waldorf will be at the guard posts.

Coach Dana Bible, the new Cornhusker football mentor arrives in Lincoln Thursday and will be presented to the student body at the Nebraska-Missouri basketball game in the Coliseum Saturday evening. Coach Bible will spend some time in Lincoln, looking over the land and getting acquainted with Nebraskans. A trip through the state is being planned during his stay here which will enable the coach to get in contact with the state high schools from whence comes the great material that has made Cornhusker football teams famous. Coach Bible is losing no time in getting acquainted with his factories which turn out the Nebraska football warriors. The state trip will include Omaha, Hastings, Beatrice and several other Nebraska cities.

Although Captain-elect Reigels of California university stands out as

the foremost football player during the series of holiday football classics, Nebraska's own Blue Howell did everything but run backwards. Scoring touchdowns, turning all the hospitality of the south into wrath, touring the south in airplanes were only a few of the things that the Cornhusker gridiron star accomplished during the glorious finale of his football career. Although Blue did not run the wrong direction for seventy yards, he was the outstanding ball lugger in both the East-West game in San Francisco and the Big Six-Southern conference game at Dallas. Five touchdowns were scored in the two games and Blue managed to take four of them across the white line. In the East-West game in Frisco, Howell took the oval across for the first two markers and teamed with Holman of Northwestern as if they had worked together for years.
