PLANS FOR NEW INFIRMARY ARE MADE BY LYMAN

Building on R Street Will Be Ready for Occupancy In Two Weeks

DISPENSARY TO REMAIN

Students May Receive Minor Treatments at Old Place In Pharmacy Hall

Nebraska's infirmary will be ready for occupants in about two weeks, according to a statement made by Dean R. A. Lyman, chair-man of the department of phar-macy, yesterday. The building, next to Ellen Smith hall on R street, is being painted and redeco-

"We shall attempt to make the infirmary as homelike as possible," remarked Dean Lyman. A housemother and a nurse will make their homes in the building. Three rooms on the first floor have been set

apart for these supervisors.

As was announced following a meeting of the board of regents, one dollar will be added to the registration fee of each student entering or registering in the University next fall to cover medical atention. This money will be used to help remodel the building and get the infirmary started.

Old Infirmary Stays The dispensary in Pharmacy hall will not be removed to the infirmary, Dean Lyman stated. The Nebraskan announced that this fea-ture of student medical aid would also be placed in the infirmary, but

it will remain in Pharmacy hall, and will treat students in the customary manner.
Students who are cared for in the infirmary will pay one dollar for each day spent in that institu-

According to Dean Lyman this is hardly more than the average student pays for board alone.

HUSKERS SHOW FIGHT

In preparation for two out-oftown contests this week, Coach Charles Black and the Varsity basketball squad had a prolonged practice session last night on the Collseum court. A drill on fundamentals, and the brushing up on several faults which were displayed in the Kansas game required most of the time during the practice.
Oklahoma Sooners and the Kan-sas Aggles will face the Cornbusk-

ers this week in a pair of contests. Thursday night Coach Black and his boys will undertake to beat the Aggies at Manhattan. The Aggies have had three defeats in as many starts and will be fighting to keep from staying in the cellar position. The Sooners Saturday night took

the Aggles into camp by a 44 to 23 score which makes them loom as one of the leading conference contenders. Although their 1928 cham-pionship team has been changed to a certain extent due to graduation Churchill and Drake remain as nucleus for the new aggregation. Real Game Predicted

From the way some of the Ne braska basket tossers have been playing in recent contests, the Sooners are in for a real game. The work of Lewandowski, Olson, Maclay, Grace, Witte and Fisher should mean that the five of them will see most of the service in the games this week. Krall added much to his glory when he played the backboard in fine style last Satur-day and contributed two field goals

to the score.

ARCHITECTS WILL GET **NEW SCHOLARSHIPS**

Awards Given by Beaux-Arts Institute to Class 'A' Architects

Professor Smay, assistant professor of the department of architectural engineering, has recently received notices of three scholarships offered to architectural students by the Beaux-Arts Institute of Design in Chicago.
The Whitney Warren Fontaine-

bleau scholarship of \$500 is offered to the two students who submit the best work on a problem prepared by the school. This award would permit a student to spend three months in the Paris branch of the Beaux-Arts Institute and obtain

training abroad.

The S. Breck P. Trowbridge scholarship has also been offered for the same prize, three months study abroad. This is given for the person obtaining the highest number of values in five projects prepared by the school.

Hopkins Gift Offered The Walter I. Hopkins scholar-ship will be given to the student who obtains the highest number of values in five projects submitted during the current school year. The prize for this is a three months' trip abroad in England, France and
