BRACKET APPOINTED HEAD OF DEPARTMENT

Prof. Sjogren Takes Leave Of Absence for Year Due to Sickness

Prof. E. E. Brackett of the department of agricultural engineering in the University of Nebraska has been appointed acting chairman of that department, beginning February 1. He takes the place of Prof. O. W. Sjogren, who was obliged to apply for a year's leave of absence due to sickness in his family.

Courses in the department of agricultural engineering offer instruction in subjects involving the application of engineering knowledge to the solution of agricultural problems. It offers an opportunity to farm-reared boys to enter a line of engineering which will permit them to capitalize their farm experience to the fullest extent.

Text: 'A 2 to 1 Favorite in 13 technical schools Proves the Parker Duofold is "The College Pen" In a canvass of 13 technical schools (names on request) it was found that as many students owned a Parker Duofold Pen as owned the next two nearest makes combined, and more would buy a Duofold next time than the next three combined. There are several reasons. One is Parker Pressureless Touch—Geo. S. Parker's 47th Improvement—known the world around as the means to tireless writing. 28% lighter than a rubber pen, this weight alone brings the pen into action the moment point touches paper. No strain. No fatigue. This relieves finger pressure. Smooth and steady ink-flow no matter how fast you write. No interruptions, no intrusions. A clear track for clearer THOUGHT, and better grades on papers. Five flashing colors and a new, modern Black and Pearl. Then a guarantee forever against all defects, so these Parker benefits are everlasting. See them at a nearby pen counter today. See "Geo. S. TO SENIORS Who are planning to enter the Business World What Other College Men Have Done With Kresge What Others Have Done You Can Do AFTER the years of college then there comes to many men the most trying period of their careers. What place does the world have for them? For what niche has their training best suited them? Where do they fit? It is to these seniors who have not yet fully decided on their future that this advertisement is addressed. The S. S. Kresge Company has an opportunity for college men who are ambitious enough and capable enough to reach the top—yet who are willing to start at the bottom. These men we train to be store managers and to occupy other executive positions—well paid positions involving a share in the Kresge profits. The men selected are given intensive preparation for their future executive positions, they are instructed in every detail of store management and they are advanced as rapidly as they become familiar with the Kresge policy and the Kresge methods of merchandising. The work is not easy but the reward is not small—an executive position in the Kresge organization which operates 510 stores with an annual volume of business close to \$150,000,000. If a career such as those described here appeals to you, write our Personnel Department and a Kresge representative will be sent to give you a personal interview. PERSONNEL DEPARTMENT 2 S. S.
