KLUB ITINERARY IS MADE PUBLIC

BY STURTEVANT the Temple, Saturday morning at

Large Orchestra Planned Mr. Turner stated that the balanced orchestra to be carried on the Kosmet Klub trip will include players of the following instruments: piona, two violins, trumpet, trombone, three saxaphones and clarinets combined, drums, and a

bass horn. Members of the various staffs in connection with the production of 'Don't Be Silly" are to report to the Kosmet Klub to get assign-ments from the heads of the various departments. Publicity, basiness, advertising, production and office staffs have been selected by members of the Klub.

Cornhusker Pictures

The following groups are scheduled to have pictures taken for the Cornhusker the last part of this week and the first of next week. The pictures are to be taken at the campus studio.

Friday, March 8

12:00—Swimming team. 12:15—Block and Bridle club. Dairy Products judging team, International livestock judging team. 12:30—Athletic managers.

Monday, March 11 12:15-Glee club. Tuesday, March 12

12:00 Pharmaceutical club.

12:30 - Octet. Collins continued. "You will be interested to see the vast amount of country in which literally countless bison lived, migrating from one part to another as snowstorms and drought cut down their pasturage.

You will be interested to learn that the central or near central point from which this vast assemblage of bison radiated was situated just about where the town of Kearney, Nebraska, now stands."

Tells of Buffalo County Kearney, lying in the Platte val- in putting on the event,

the bison abounding there. sand are left. Near the town of Valentine in the northern section show. coam in peace now.

There are a few more areas such as this scattered out in the various his pursuit of game. Mr. Collins brought his talk to a close by stat-ing that it was not only in this conthent that the bison was practi-cally extinct, but also in Europe. Of the herds abounding in Germany and mentioned by Julius Caesar, only about five animals are now

GENEVA LOSES CLOSE GAME TO ST. PAUL

Continued on Page 2 who collected fourteen points, and the work of Martin, who scored twelve, featured the St. Paul of-The quintet, as a team, functioned perfectly once it had hit its stride, and to all appearances. St. Paul is very much in the running for its second title

York Pulls Rally

The York team staged an interesting rally after lagging 13-6, at the intermission in their game with Fremont. The score at the end of the third quarter was 13 to 14, Fremont. The Fremont team set up a four point lead in the beginning of the last quarter, but York overcame the lead, and won, 23 to 19. Lunney scored twelve points for

Dr. E. Stanley Jones Cherishes Belief That Christianity Welcomes Science

"Christianity is not afraid of sel- America, and after speaking in Wanted: A limited number of ence. All we ask is that it be suf. North America for six months, he men and women students for sum ficiently scientific. All we say is to will return to his work in India. A mer employment. Out of doors go to the limit in seeking the facts. complete schedule of his meetings work in Nebraska or elsewhere. The more scientific life grows, the in Lincoln will be published at an that is ful of variety and in which more masterful Christ becomes in early date.

Such are the contentions of Dr. GAMMA ALPHA CHI E. Stanley Jones, world famous evangelist missionary, who will be in Lincoln the week of March 17 to 22. The series of meetings will be interdenominational in character, and are to be held under the auspices of the combined religious and educational institutions of the city and community.

Dr. Jones is the missionary of india who has been discussed so much in recent years. He was edu cated in Wilmore college in Kentucky, a small Methodist college He made a profound study of Budd-hism, Hinduism and Mohammedan ism, and became convinced that the approach to the people of other re-ligions had been wrong. He was one of the pioneers in this new mission ary attitude. In his famous book "Christ or the Indian Road," he sets forth this new missionary procedure. This book is an amazing sale, and has established him as one of the outstanding religious
