

TRACK MEN PREPARE FOR SOUTHERN TRIP

Cinder Team Plans to Take Part in S. M. U. and Texas Relays

MANY TRY FOR SQUAD

Preparation for the coming Texas and S. M. U. relays, on tap for March 28 and 29 at Austin and Dallas respectively, will hold the attention of the Cornhusker track athletes for the next two weeks, tryouts for the several relay events being on card for today, Wednesday and Thursday. Nebraska's entrance into the southern games this year will be its first appearance since the opening of the meets and Coach Schulte is desirous of making an impressive showing.

Candidates for the four-mile relay ran through the mile distance last Saturday, competing for places on the long distance quartet. Januliewicz, Garvey, Etherton, Griffin, and True ran the mile on the indoor track, finishing in the order named. The winner's time was 4:33, the next three placing close behind.

Competition is Keen
The same five men along with Dexter and Currier will compete for two-mile relay places tomorrow while sprint candidates will vie for the shorter distance honors on the outside track providing warm weather conditions prevail.

Easter, Lowe, Nestor, and Eller appear to be the leading candidates for the sprint honors. Easter, who enjoys his best time in the 220 yard dash, was 19:25. Missouri Valley champion over the furlong race and warm weather and the opportunity to get outside should boost his efforts quite a bit. Lowe has been improving steadily throughout the season while Eller and Nestor, both sophomores, have been doing some good work.

Mile Relay Team Good

The mile relay team with Captain Campbell, Wyatt, Krause, Maya, and Eller, vying for honors, should be up among the leaders as all of these men have been cutting their time down throughout the indoor season.

The Nebraska mentor plans on taking quite a representation of Scarlet and Cream athletes to the southern relays, competing, if possible, in every event.

TRI-COLOR MEN GIVE FAIR PERFORMANCES

Schulte Runs His Proteges Through Field Events At Stadium

Coach Henry Schulte ran his proteges in a tri-color meet last evening in the stadium. No exceptional marks were set up, but the performances were all fair. Fuehrodt, Red senior, turned in a nice half mile with a time of 2 minutes and 3.5 seconds. Wilson ran a quarter in 54.4 seconds. Hege and Lambert tied for first honors in the 50 yard dash, both men doing the distance in 7.5 seconds.

The summary of the meet follows:

Victory of Nebraska Shuttle Relay Team Pleases Schulte

Comment on the impressive victory of the Nebraska shuttle hurdle relay team at the annual Illinois Indoor Relay carnival, provided the chief activity of the Cornhusker varsity track aspirants Monday afternoon. The return of Fleming, Arganbright, Lamson, and Tomson from the Big Ten indoor classic, late Sunday night, brought final reports concerning the meet and the race of the evening, in which Nebraska colors were carried to victory.

Coach Schulte's entrants, who made the trip unaccompanied by coach or trainer, proved to be the dark horse in the hurdle relay and upset the prevailing dope. The Ohio State team, which finished second in the event, were granted a victory before the final race as their early season records surpassed those of Wisconsin and Illinois, who finished third and fourth. But the strength of the Husker members of quartet was not known and they proceeded to clip the barriers for a first place.

Time Very Good
The time of 41.5 seconds, according to Illinois officials, was very good and bids fair to stand as a high mark for several seasons. Each man was required to run a total of eighty yards which gave the Nebraska men an individual average of 10.375 seconds per man. The 75-yard open event was run in 3.6 seconds which figures approximately 10.15 seconds for the eighty yard distance. Figuring on that basis, the time made by the Nebraska victors was exceedingly fast and very impressive.

All four members of the winning team were awarded handsome eight-day bureau clocks with the name of the meet and the event inscribed in gold letters on the case.
Coach Schulte expressed himself as being very well pleased with the showing made by the four Nebraska representatives. Should the shuttle hurdle relay event be included on the Drake Relays roster of races, Nebraska's probability of a victory there looms bright.

The Ohio State quartet was victorious in this event at the annual Penn relays last year and plan to enter the same race this spring. Should Nebraska swim at Drake and Ohio State at the Penn games, the Husker victory over the Ohio school last Saturday would rate them high among the country's shuttle hurdle relay teams.

Saturday afternoon the Husker track mentor held tryouts for the Nebraska mile relay team which will compete in the Texas relays March 29 and 30. Five runners came through with times of better than 4 minutes 35 seconds which listened good to Coach Schulte, Januliewicz, veteran distance runner, turned in a time of 4:33 which was the best time of the four runners: Griffin, Etherton, and True. Schulte announced later that he would probably take these four men to the Lone Star state for the relays next week.

STAPLES BRINGS NAVAJO INDIANS

University of New Mexico Lecturer Will Speak at Convocation

B. I. Staples, extension lecturer of the University of New Mexico, will speak at a special convocation at 11 o'clock Thursday morning at the Temple theatre on "The Indians of the Southwest."
Three Navajos, a silversmith, a weaver and a sandpainter whom Mr. Staples is bringing with him will work in native costume in the art gallery in Morrill hall, where an exhibit of Navajo Indian arts and crafts will be shown. During exhibition hours Thursday and Friday Mr. Staples will give gallery talks.

"The man who keeps his word," as Mr. Staples is called by the Navajos, has lived on the Navajo reservation for twelve years, and is said to have more influence than any other American in developing the art and craft of these people. He is one of the few white men who has their complete confidence, and has been taken into the tribe with full initiatory ceremonies.

Kellogg Sets Inter-Greek Meet for Wednesday At Coliseum

The interfraternity wrestling meet begins tomorrow at the Coliseum, according to an announcement made by John Kellogg, varsity wrestling coach Monday. Coach Kellogg is very hopeful of discovering varsity material in the meets.

The weights are 115, 125, 135, 145, 155, 165, 175 and heavyweights with a four pound weight allowance. Each fraternity will have to enter four men in order to get entrance points. Drawings will be made Wednesday afternoon just before the preliminaries begin.

A number of wrestling men were working out yesterday getting ready for the meet. Wrestlers will leave in any time after Wednesday noon.

In this incident the unnatural was transformed to the natural. "Sin unbalances the level of natural life," said the Doctor. He cited a personal experience which occurred in India. In conversation with a rajah he was asked, "Is there more in life of pain or joy?" Dr. Jones replied that there was about 99.99 percent more joy.
