Two Prizes Are Given to Boys, Girls Congress In Illinois

Two prize trips to the eighth na-nopal boys and girls club congress and seven prize trips to club week in L'ucoln will be awarded to Nehasta boys and girls by state poulors are (ry organizations, according to an announcement made by L. I. Priswork of Conrad. Either he is a problem not immediately worth the solution, because one catches his hie, state extension agent in club work of this state. The national club congress is held at Chicago ary idol whose power seems ever in December and the Neearis . greater and more fascinating. brasks club week is scheduled for lune, 1930.

These awards are the most ex-tensive ever offered in Nebraska for achievement in poultry raising They will be made by the Nebraska Poultry Improvement association, Nebraska Accredited Hatchery an my and Egg association.

Winner Selected on Work

One of the prize trips to Chicago is to go to the best poultry club inder in the state. The winner will be selected on the basis of toquality of work and percent of boys and girls completing the project. The champion boy or girl to re-

elve the prize trip to Chicago is to he determined by the records and activities of those enrolled in poultry clubs. Success and interest in the work will be considered as some of the factors in picking the Since the club congress is to be held in Chicago at the same time that the international live stock show is going on, it is ex-pected that all boys and girls en rolled in poultry clubs in the state will be interested in winning the

prize trip. Winners of the seven trips to club week in Lincoln will be selected from the outstanding county champions in poultry raising. Each year about four hundred club boys and girls assemble in Lincoln at the College of Agriculture for this five day fun fest.

Omaha Central, Beatrice, **Blair Are Numbered** In Essay List

Entries in the American Chemical Society's prize contest for high school students are still coming in. according to Professor C. J. Frankforter who is juding them. Last year more than forty papers were submitted and at least as many are

expected this year. Of the first consignment of entries Central high of Omaha contributed five, Blair high school two, Beatrice high school four, and Central City and Nebraska City high
