MENTOR IS SATISFIED

Training for Next Contests Begins at Once; McLean Keeps Occupied

Schulte's Scarlet and Cream tracksters fully satisfied their mentor Saturday in the S. M. U. Relays at Dallas, Tex., by capturing one second place, two thirds, and two fourths.

The second place went to Roger Leonard in the high jump, where he made his best effort of the year, by leaping 6 feet, 1 inch.

Others Add Scores Janulewicz, Etherton, Griffin and Garvey ran the four mile stretch for a fourth in that relay contest.

Claude Thompson was the only other Nebraska man to qualify in the meet, and he failed to place in the finals of the 220-yard low hurdles.

BALL SQUADS BATTLE IN HARD FOUGHT GAME

Horsehide Tossers Labor Through Four Innings; A Team Tops Score

A squad of the Husker baseball team managed to defeat the B squad in an 8 to 7, four inning game last Friday, through the double play route.

A squad made five of their tallies and six hits in the first inning of play. Betts and Row singled, Ellstrom tripled, Grace singled, Witte tripled, and Maser singled.

Bittner's carelessness in the second inning in allowing three runs to score on an error gave the B team a chance to catch up, however.

"Sledge" Editor Calls for Scandal Copy to Put in Engineers' Fun Sheet

The scandal in the College of engineering is soon to be unearthed. If there are any scores to be settled with any student or faculty member of the College of Engineering, now is an exceptional opportunity to get it back on them.

If there is anything humorous, comic or scandalous in nature about any one connected with the College of Engineering just write it on a slip of paper and drop it into one of the boxes placed in the halls of all the buildings where engineers hang out.

Premise Starting Facts. The "Sledge" will contain some hard, startling and daring facts. The editor of the publication will not be made public because it might not be altogether conducive to his health and well-being—and can you feature it, the material

ON ONE CALLEY

One of the outstanding performers at the Texas relays in Austin Friday was Willie Lamson of the University of Nebraska.

Coach Henry Schulte bite just a little harder on his black clipper. Cobe Tomson was another Nebraska trackster who showed up brilliantly for the Scarlet in a second place in the broad jump.

Varsity baseball uniforms were issued last week to the Cornhusker baseball nine. The suits were not taken off the shelf as the old sport was but the team members are equipped with new uniforms and Coach "Choppy" Rhodes issued seventeen of the outfits to the squad with instructions that a gift of the suit did not mean a regular place on the squad.

Coach "Bunny" Oakes gave his Cornhusker football squad a day of vacation Saturday afternoon so the gridders would be in good shape for the Monday session which will be handled by the new Scarlet gridiron mentor, Coach Dana X. Bible, who will arrive in Lincoln Monday.

Coach "Choppy" Rhodes is being considered for the position of athletic director and coach of Denver University to succeed Coach Fred Dawson who recently resigned.
