

FOUR

TRY FOR POINT ABILITY GIVES REDS VICTORY

Final Practice Game Ends With 13-12 Score in Windy Battle

TILT STARTS WITH RUSH

Team With Breeze at Back Gets Breaks; Playing Goes Evenly

Ability to convert their try for point after a touchdown spelled victory for the Reds yesterday afternoon and they emerged the victors over the Orange, 13-12, in the final practice game of the spring training season. A strong north wind made difficult going, and all four touchdowns were made when the teams had the wind at their backs.

First quarter started off with a rush, the Reds holding the Orange in their own territory for the larger part of the period and finally blocking and recovering one of Marquis' punts behind the goal line. Long made the try for point. The rest of the quarter was fairly even with most of the play in the Orange territory.

In the second period, the Orange with the wind at its back, smashed and hammered its way to the 30-yard line through some brilliant playing and smashing by Farley and Paul. Marquis then flipped a pass across the line to Frucha, and which was completed by inches. The try for point was blocked and the half ended, Red 7, Orange 6.

Third Period Repeats

Third quarter was a repetition of the second with the Orange carrying the fight into Red territory and finally obtaining the ball on the 30-yard line when a Red punt went sky high and was blown back by the wind. Andrews finally smashed the ball across for the second score. The try for point was no good.

In the fourth quarter the Reds came back strong and started a victorious march which finally netted them a touchdown. Dempsey, an end snagged an Orange pass but was forced out of bounds. Another long pass, Long to Dempsey was good for about 40 yards and in the next series of plays, Long flipped a beautiful pass to Manley which was good for 30 yards and a touchdown. The Reds had a lot of fun on their try for point but were not successful in completing it.

Outstanding men of the game are hard to pick as they were quite evenly divided. Manley and Paul, two freshmen backs, furnished the thrills of the game. Manley's specialty was returning punts and he paved the way for the first Red score. Paul was going good on cutbacks and time after time he slipped and scrambled through the Red line for the needed yards. Long was also doing some good passing and kicking but seemed to be slow in getting away when carrying the ball. Captain Farley also played a good game. Bauer and Ray, in the line, were probably the outstanding linemen in action, although Koster broke through several times.

The starting lineup:

Head	Frucha
Linebacker	Kramer
Center	Kramer
Quarterback	Marquis
Running back	Manley
Fullback	Paul
Wide receiver	Andrews
End	Ray
Tackle	Bauer
Line	Ray
Head line	Manley

Y. M. Cabinet Plans for Retreat at Valparaiso

Members of the university Y. M. C. A. cabinet met at the Temple Cafeteria at 6 o'clock last evening to discuss plans for the cabinet retreat, scheduled for May 18 and 19. A private camp near Valparaiso will be used for the retreat. The Reverend Irvine Inglis, of the Nine Congregational church spoke briefly on "Character Building."

ENGINEERS OPEN AFFAIR WITH CONCLAVE

Lindskog, '29, Lincoln, acted as yell leader at the convocation which was under the direction of Charles McReynolds, '29, Lincoln.

Although the cold and wind were very severe in the afternoon, a crowd of 250 engineers participated in the Field day exercises. This is the largest crowd that has ever attended this event. A golf tournament, level race, baseball game, horseshoe tournament, and slide rule race were among the sports of the afternoon. Don Pittman, '22, Plattsmouth, won the golf tournament, and Ben Cowdery, '31, Omaha, was runner-up.

Exra Oehring, '29, Neligh, and John Daxon, '29, Lexington, were winners of the level race. Juniors in the College of Engineering won the baseball game with an 18 to 1 score. It was a seven inning game. A large crowd is expected to visit the engineering buildings on the campus Engineers night. Purpose of the night is to acquaint the public with the work being done by engineering students in the University. Last year a crowd of 5,000 people visited the various buildings holding open house on that night.

Banquet Closes Week
Remaining events of Engineers week, a banquet at the Annex cafe, will be held tomorrow evening at 8:15 o'clock. Prof. J. Brownlee Davidson of the Iowa State college, of Ames, Iowa, will be the principal speaker of the evening, and Prof. C. J. Frankforter, chairman of the Department of Chemistry, will act as toastmaster. A varied program has been arranged for this night by the committee in charge.

Tickets for the banquet went on sale Monday, according to Ralph Deeds, ticket chairman, and are selling for a dollar a piece.

EIGHTEEN COEDS ENTER DECK TILT

Final Round of Coed Sport Will Be Played in Near Future

Final round of intramural deck tennis tournament will be run off in the near future. Eighteen girls are to participate in the deck tennis finals, to be played off by elimination. This sport is being introduced on the Nebraska campus for the first time, and according to Betty Rider in charge of the tournament, the game has proved popular among coeds.

Girls that are to participate in the final round are as follows: Louise Westover and Caroline Cooper, Delta Zeta; Jerry Le Mere and Miriam Wiggenhorn, Delta Gamma; Bernadine Olson and Lois Grammer, Delta Zeta; Mable Heyne and Katherine Trudway, Sigma Kappa; Hope Allen and Amelia Magaret, Alpha Delta Theta; Carolyn Simpson and Marjory Hyde, Chi Omega; Lena Kein and Irma Blieberstein, Alpha Delta Theta; Betty Shields and Adele Elster, Gamma Phi Beta; Katherine Allen and Dorthea Mason, Delta Delta Delta.

TELEGRAPH MEET SET FOR FRESHMAN TRACK

Quartet from Each Big Six School Will Compete For Honors

ALL EVENTS INCLUDED

Freshmen track aspirants will have their first taste of real competition next week, starting May 6 and closing May 11, when members of Coach Henry F. Schulte's first year squad vie for honors in the annual Freshmen telegraphic relay for Big Six conference members.

Four men from each school will enter the competition in each event and records and marks made by them will be forwarded for computation with the other results obtained from the other schools.

All events of a regular track meet are included in the roster for the week. The 100-yard dash, 220-yard dash, 440, 880, mile, two mile, both hurdle events, shot put, discus, javelin, high and broad jumps, pole vault and both the mile and half mile relay are included.

Count Four Best

The four best marks of each school will be added together and results obtained for first places from the totals. Following is the schedule of event competition as announced by Coach Schulte:

Monday, May 6—Shot put, discus, high jump, broad jump, pole vault, 100-yard dash, 220 and the 440.

Tuesday—Javelin.

Wednesday—Discus, high hurdles and half mile.

Thursday—Low hurdles, two mile, shot put, broad jump, and the pole vault.

Friday—Discus, javelin.

Several of the record attempts will be repeated if weather conditions are favorable. Men may compete in the event more than once to obtain the best results.

FEW STUDENTS APPLY FOR SPRING ELECTION

(Continued from Page 1.)
senior members likewise will be juniors.

A student to be eligible for a member of the Student Council, must have made twenty-seven hours during the previous school year, twelve hours preceding semester. He must also have an average of 75 percent for all previous years in school and can have no standing delinquencies. A student for publication board membership must meet the same requirements. One senior, one junior and one sophomore will be elected.

Fillings are made in the student activities office in the Coliseum. Students who wish to have their names filed for office must do so themselves. Someone else can not do so for them.

FARMERS FAIR COMING FINE

(Continued from Page 1.)
folder including a complete schedule of events for the day, synopsis of the home economics pageant, "A Day at Nottingham," and a cast of characters for the affair. The back page is devoted to advertising.

Import Ferris Wheel

A large ferris wheel will be delivered at the college this afternoon. It is being brought from Beatrice. Harvey Jacobsen says that other attractions in "Fun and Frolic" include an "O'Reilly Kitchen" ten pin game, rat races, duck game, dart game, and probably a miniature horse race.

Many people have been inquiring about the pony and pet stock show during the last few days. Eston Clarke, chairman, says that he will be forced to build a special cage for a peacock which someone wants to bring. A large number of prizes have been secured for awards in this show.

NEW CARS FOR RENT

Just adding to our fine fleet Flying Cloud Coupe; Chevrolet sixes, Ford Model A Roadsters, Coupes and Tudors. Effective immediately \$25 per mile discount on older Chevrolets, all models.

SCHULTE PLANS TO USE STRENGTH IN SOONER MEET

Mentor's Announcement Indicates Mixup in Dual Compet

MEN REST WEDNESDAY

'Doc' McClean Pronounces Most of Cinder Squad in Condition

Coach Henry F. Schulte will throw his entire varsity strength against the Oklahoma Sooners at the Memorial stadium cinders Saturday in the annual dual meet, in an extra effort to break a long-standing victory record of the southern track squad. Announcement of the roster to compete in Saturday afternoon's affair was made Wednesday and indicates a huge mixup in the two-way competition.

Varsity members took things easy Wednesday with the chilly weather and limited their work-out to limbering up proceedings. "Doc" McClean pronounced the squad in tip top shape with the exception of Ossian and Bevard. Ossian has been bothered with a sprained ankle for the past two weeks. While Bevard's javelin throwing arm is still not the best, Bevard may not enter the javelin event.

The Nebraska mentor indicated that he would run the full total of men in each event, believing that seconds and thirds will carry a lot of weight in the final standings of the two teams. Scaries and Cravan performers believe that a great afternoon is in store for them and they are looking forward to administering the first Oklahoma dual defeat in five years.

Easter Is Included

Easter, last year's Missouri Valley 220 champion, Eller and Lowe, will carry the sprinting duties with a possible substitute should Coach Schulte decide to make a change. Easter is fast rounding into shape while Eller and Lowe have been clipping things off in great style all season. The splendid improvement of Lowe has been more than gratifying to Nebraska fans this year and Oklahoma sprinters will have to move away from these three if they can't.

Wyatt and Campbell, through past performances, have served notice of giving Flint, Oklahoma 440 man, all he wants this week.

Diamond Kings Get Ready for Aggie Skirmish

Nebraskans Arrange Formal Program to Precede Game Friday

Certain rabeling activities for the opening home appearance of Coach "Choppy" Rhodes and his apple smashers at Landis field, Friday, when the Aggies open a two day schedule on the home lot, are fast taking form and student bat and glove fans are in for a rare treat. The program, which is being arranged for the occasion, will rival that of the initial season game in any big league city.

Members of the university cadet band will be on hand for the affair with the Corn Cobs. Members of both teams will march to the center of the field behind the band to be present at the raising of the flag, the highlight of the opening ceremony.

Two prominent university officials will open the game with one throwing the first ball to the other. Members of both squads will be introduced by "Chick" Dox, varsity yell king, as they take their turns at the plate.

PLANS PROGRESS FOR GIGANTIC BARR PARTY

(Continued from Page 1.)
land atmosphere to the gala occasion. No indications are available as to what will be served over the bar.

A twelve piece orchestra has been engaged to furnish the music for the evening's dancing. Specialty numbers will be included in the program presented by the musicians.

Everyone Invited

Tickets for twenty-five cents will be obtainable at the door according to the committee chairman. He made it plain that there will be no restrictions for any University student.

Committee positions in addition to Alan Williams, '31, Lincoln, general chairman, are filled as follows: Doors and tickets, Marvin Grim '29, Republic, Kans.; music, DeForrest West '29, Syracuse; chaperones, Ruth Shalcross, '29, Bellevue; reception, Ruth Hatfield, '31, Lincoln; publicity, Grayce Fecheous, '22, Lincoln; general chairman, Delphin Nash, '32, Morrill; invitations and Flyd Peterson, '30, Loretto, posters.

Refreshment committee is headed by Edith Quinton, '29, Lincoln; program, Violet Lee, '30, Cortland; floor management, Esther Boyer, '31, Palmyra; chair committee, Ernest Klinger, '31, Hanover, Kas.; Lee Clarke, '31, York; checking, Lee Chatfield, '30, Lincoln; decoration, Lester Schoone, '30, Syracuse; Don Exley, '30, Malcolm; Martha Weaver, '29, Falls City; and Glen Reichenbach, '29, Lincoln.

Barbs Make Chicago Effects in Coliseum For Friday Gathering

Nebraskans Arrange Formal Program to Precede Game Friday

Barbs who have longed to visit Chicago will have an opportunity to experience the thrills and chills which this famous city affords. Chicago will be transported to the Coliseum, May 3, in order to furnish background for the "Barb" party.

A program of variety is promised for the price of a quarter. Attractions given by the Farmers Fair will likely add the stock yard touches to the scene. In order to make it seem more like Chicago, thugs and "hold-up" men will be thrung with pistols cocked and machine guns oiled. But no one need stray away on that account, for a healthy atmosphere will prevail and everything will be properly conducted, according to the chairman, as President Hoover has requested. Professor and Mrs. Lantz will chaperone the gathering.

KANSAS SCHOOLS TIED FOR BIG SIX

University of Kansas and Kansas State Each Win Three Out of Four

AMES, Iowa, April 30—By virtue of double victories during the week of play just closed, the University of Kansas and Kansas State went into a tie for the leadership of the Big Six conference baseball race, each with a record of three victories and one defeat. Kansas won at the expense of Iowa State, and Kansas State twice defeated Missouri.

Four conference games, Kansas at Missouri, May 1 and 2, and Kan-

The RAILROAD PLANT AND ITS DEVELOPMENT

AMERICA enjoys and is profiting beyond measure as a result of the best and cheapest transportation in the world—and for the record it might be stated, the best and cheapest in the history of the world.

Most persons realize that this is true and possible because of several factors including the better understanding between railroads and the public and between all those engaged in producing railroad transportation, but one of the most important factors, if not the most important, is the fact that it has been possible to obtain and use tremendous sums of new capital.

Some idea of what this means to an individual railroad or system can be obtained from a study of the record of the Missouri Pacific Lines. It is generally known that the railroads of the United States have been spending annually an average of more than 750 millions of dollars. What this means to a system like the Missouri Pacific can be understood from a brief study of the expenditures for any one year.

The expenditures are for new equipment, new rail and fastening; additional yard tracks, sidings and industry tracks and for additional main running tracks; automatic block signals, grade and line revision; reconstruction and strengthening of bridges, trestles and culverts; reconstruction and improvements to existing freight and passenger train equipment; new shop machinery and tools; elimination of grade crossings; and other similar items.

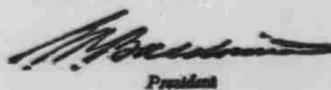

Expenditures for items of this kind in 1929 will total approximately \$30,000,000 on the Missouri Pacific Lines. Some of the larger items are:

Additional main running tracks (the continuation of the double track program between St. Louis and Jefferson City)	\$3,500,000
New rail, tie plates, fastenings, etc.	2,000,000
Grade and line revision (principally between Kansas City and Pueblo)	2,750,000
Automatic block signals	2,000,000
Reconstructing existing freight train cars and improvement to that equipment	2,000,000
Strengthening and renewing bridges, trestles, etc.	1,600,000
Additional yard tracks, sidings, industry tracks	1,250,000
Elimination of grade crossings, signals, etc.	400,000
Shop machinery and tools	300,000

And the foregoing does not include \$11,000,000 for new equipment, \$8,500,000 of which is for new freight train cars, \$1,250,000 for new passenger train cars and \$1,250,000 for new switch locomotives.

The public should know these facts in order to better understand the railroad question and I earnestly urge our friends to study them.

I solicit your co-operation and support.

President
