Sensational Runs Provide Afternoon of Thrills For Spectators.

LONG SHOWS UP WELL

(BY JACK ELLIOTT.)

Coach Dana Bible threw open the gates to Memorial stadium Saturday afternoon as more than two thousand football fans poured into the stadium to watch the 1929 Cornhuskers perform for the first time in scrimmage this season. Clair Sloan, veteran Husker back, together with Wally Marrow and Marvin Paul furnished the fans many an early season football thrill as they tore through the Nubbin team to roll up a total of 39 points against 6 for the second string varsity men.

The two sensational runs of the afternoon were furnished by Clair Sloan and Wally Marrow. In the opening minutes of the game Sloan took the pigskin on the kickoff and raced 85 yards for a touchdown. Late in the game Marrow clipped off 90 yards for another touchdown for the varsity eleven. Touchdowns were scored by Sloan, Marrow, Peaker and Schwerzinger with Sloan crossing the white line three times for touchdowns and taking a fling at kicking the goals. No serious injuries marred the first scrimmage session and the coaching staff was well pleased with the showing made by the Scarlet and Cream squad. "Dutch" Witte, George Koster and Capt. George Farley carried minor injuries off the field while "Lou" Lewandowski is nursing a bad ankle and expects to be back in uniform Monday. Nebraska's football mentor wasted no time Saturday in finding out what his various combina-

tions could do. Scrimmage began at 3 o'clock and continued until late in the evening. During the afternoon session "Buster" Long, who has been working with the Nubbin team, graduated to the first string of varsity regulars due to his work against the first squad. Long was one of the mainstays in the backfield for the team in orange jerseys.

The scrimmage session brought out the fact that Coach Bible is stressing the aerial game and fans will see a different type of football played at Nebraska this year. "Dutch" Witte, Sloan and Marrow handled a great share of the passing game and made a goodly number of their flips complete.

Marvin Paul, sophomore, played a flashy game in Husker backfield during the afternoon and clipped off many a long run against the Nubbin team.

The only score for the Nubbin team came late in the afternoon when Steve Watkins intercepted a pass from Claude Rowley and ran 33 yards for a touchdown. Long's try for the extra point went wild. Harold Frahm, backfield ace from the 1928 team, reported in the stadium Saturday and expects to be back in training by Monday.

Coach Bible used several line-ups during the afternoon. The starting lineup was composed of Witte, Paul, Farley and Sloan in the backfield while Morgan, Richards, Koster, Maasden, Greenberg, Ray and Fisher made up the line. This combination was changed several times during the afternoon with Rhea and Bauer taking a fling at the center position in the line.

Coach Bill Day's Nubbin team was composed of Watkins, Carter, Tobin, Holt, Gartner, Hartnet, Dempsey, Long, Peitz, Nelson and

FALL ELECTION FILLS VACANCY IN COUNCIL

Raikes Says Successor to Maxine Hill Will Be Elected Soon.

One senior woman will be elected to the Student Council at the regular fall election on Oct. 8 to fill the vacancy left by the death of Maxine Hill, according to an announcement made by Ralph Raikes, president of the council, Saturday. Miss Hill was elected at the spring election of last year as the senior woman-at-large candidate. Her death follows an appendicitis operation this summer. Raikes also announced a meeting of the Student Council Wednesday evening at 5 o'clock in the dramatic club rooms of the Tem-

INNOCENTS MAKE FROSH INITIATION TIME THURSDAY

(Continued From Page 1.)

The Innocents society, is to acquaint new students with Nebraska tradition and spirit and administer the Cornhusker oath to the class of '33. Many have confused Freshman day held last Monday with Freshman initiation to be held next

Thursday, according to Larson.

Freshman initiation, however, is entirely different from Freshman day. The purpose of Freshman day was to acquaint new students with the campus and the advisers and deans of their various colleges. They were divided up and taken in separate groups to the different colleges.

The purpose of Freshman initiation, as previously stated, is to acquaint freshmen students with Nebraska tradition and instead of being divided into groups the entire Freshman class will be gathered into the university coliseum. Freshman initiation has also been designated as Freshman convocation in former years. The R. O. T. C. band will lead a parade of Freshmen from Social Sciences to the coliseum. Following the initiation exercises freshmen will gather outside the coliseum for a picture. Moving pictures will also be taken.
