

# THE DAILY NEBRASKAN

Official Student Newspaper of the University of Nebraska

VOL. XXIX.—NO. 21.

LINCOLN, NEBRASKA, THURSDAY, OCTOBER 17, 1929.

PRICE FIVE CENTS.

## ROOTERS ADOPT BELLS TO RING FOR TOUCHDOWN

Fans Will Celebrate Each Score With New Type Noisemakers.

## BEGINS NEW TRADITION

Magee's Clothing Store Donates 1,000 Bells to Cornhuskers.

One thousand "Moo-oo-oo" bells to be used by the Nebraska cheering section in celebrating every touchdown that the Huskers make during this year and following years have been donated by Magee's clothing store.

Wisconsin and DePaul universities both have had this tradition for some time and have similar bells that they ring whenever the team goes over for a touchdown. The intense interest displayed in this custom in these two universities caused Magee's to think that a like tradition might be started in Nebraska.

The bells are miniature cow bells, being about five inches long and three inches wide. On them is pasted a slogan:

"Moo-oo-oo for Nebraska"

The bells will be distributed throughout the cheering section before Saturday's game by Corn Coes and Saturday will mark the official beginning of Nebraska's new bell tradition. If any bells are left over they will be distributed throughout the student section. All people holding these bells are requested by the cheer leaders to save their bells until Nebraska makes a touchdown. Ringing them at any other time will cause too much disturbance and bother the calling of signals.

Each person is to keep his bell and bring it to each home game. Bells should also be taken to Missouri as this will be in keeping with the bell tradition between Missouri and Nebraska which began last year.

The innocents have requested that only those who hold cheering section tickets sit in this section. Several people who did not hold tickets were sitting in this section during the last game and spoiled the effect of the card system.

## STUDENTS MUST GET PICTURES BY NOV. 9

Junior and Senior Students Start Today Having Photos Made.

Cornhusker picture appointments have been arranged for all junior and senior students listed below for today. Appointments will be made from day to day, but all pictures must be taken by Nov. 9, or the prices will be increased, according to Arthur Bailey, editor.

Twenty-eight juniors whose names appear below are to report to Townsend's studio today.

Aabel, Lloyd; Aarni, John; Abbott, Charles; Abernethy, Raymond; Ach, Joe; Adair, Catherine; Adams, Hall; Adams, Unioia; Adler, Evelyn; Akin, Maurice; Alden, Avis; Aldrich, George; Alley, George; Allen, Marion; Almy, Loren; Amato, Salvatore; Ambrose, Lucille; Anderson, R. C.; Anderson, Vera; Anderson, Ardell; Anderson, Ethel; Anderson, Florence; Anderson, Grace; Anderson, James; Anderson, Walter; Andrews, Russell; Andrews, Leona; Andrews, Roger.

The following seniors are to have their pictures taken at Hauck's studio some time today:

Abern, Lorella; Achtemeier, Kasper; Ackerman, Lucille; Adams, Percy; Adams, George; Adams, Harold; Alcorn, Wesley; Aldrich, Mary; Alexander, Theodore; Alexander, Warren; Allen, Fred; Allen, Hope; Ames, Mercedes; Amgwert, Marvel; Andersen, Earl; Andersen, Rhuel; Anderson Dwight; Anderson, Franklin; Anderson, Lynn; Anderson, Margaret; Anderson, Vance; Andrus, Harold; Antes, Wesley; Arup, Laura; Ashmun, Janet; Atkins, Eloise; Atkins, Glen.

## University Players Rehearse With Doubtful Aid of Incomplete Scene

With such helpful suggestions as: "Don't get him like a stray cat" or "You're shaking hands, not doing the family washing," the University Players attempted Monday night to perfect their performance of "The Royal Family" which will be given Friday night at the Temple.

With only a few steps leading to nowhere, a couple of chairs and a bell as scenic decoration, the Players were obliged to call upon their imaginations to furnish the rest of the stage equipment. Those steps, moreover, were by no means an asset. The carpenter insisted on nailing them in the midst of an important conversation while the said almost fell off of them after saying her lines.

## INITIAL CORNHUSKER COUNTRYMAN ISSUED

Special Number Dedicated To Freshmen Has Novel Cover Design.

## ISSUE RELEASED TODAY

Initial issue of the Cornhusker Countryman was distributed on the agricultural campus today. Students were requested to call for their copies in the Countryman office on the third floor of Agricultural hall today or tomorrow. Faculty subscribers will receive their copies by mail.

This first issue of the year was a special number dedicated to the freshman class. The cover page carries a picture of all the first year students who visited the campus Oct. 16, Freshman day. Donald Facks wrote the first page story covering the events of the first annual freshman day ever held by the university.

Nelson Jodon, editor last year, wrote an article concerning the work of the North Platte substation. Jodon is experimenting with crops there. "Profitable Pork Special" is the title of an article written by Claude Roe dealing with the special Burlington train which is now on a tour of Nebraska. Roe pointed out the purpose of the train and the personnel.

Nagal Bonzo, a student from the Philippine Islands, described the coconut farming in his home country. This article suggested that coconuts are a profitable crop on the islands.

This is the first issue of the year put out by the new staff. A few changes in makeup and in type of stories have been made.

## AWGWAN PUBLICATION SET FRIDAY MORNING

Book Printed, But Ink Not Dry Enough to Permit Folding, Binding.

Release of the Agwan, intended for 8 o'clock this morning, has been postponed to early Friday morning, according to the editor of the magazine. He stated that the complete book had been printed but the ink is not dry enough to permit folding and binding.

The Agwan was to have been sold from booths in Social Sciences, the Temple, and the library by members of Sigma Delta Chi, honorary journalistic fraternity, today. This same plan will be carried out Friday, according to Earl Andersen, director of sales.

A short business meeting of Sigma Delta Chi has been called by Andersen tonight at 7 o'clock in room 105 of "U" hall. Rearrangement of selling hours of different members and revision of plans will be taken up at the meeting.

Following a decidedly different style of make up, the new Agwan will offer many novel features.

## 129 TAKE TRYOUTS FOR PERSHING RIFLES

All Freshmen, Sophomores Eligible; Must Take Two Tryouts.

One hundred and twenty-nine men, a larger turnout than even Tuesday's record, were present at the tryouts of Pershing Rifles, crack drill organization, yesterday afternoon.

This was the second of the three tryouts scheduled for this week. The last tryout will be tomorrow afternoon starting at 5 o'clock on the drill field. Freshmen and sophomores are eligible for the tryouts. It is necessary for each man to try out twice in order to be eligible for consideration.

Recommendations from the various companies are not necessary for those who desire to participate. It is not required that the men wear the regular army uniforms for the tryouts. The only requirement is that candidates be freshmen and sophomores in the Nebraska unit of the R. O. T. C.

Announcement of the new pledges will be made in Sunday's Daily Nebraskan.

"We will now do that scene with the Deans again," shouted the director, and the actors and actresses patiently repeated their lines between Spanish, Hindu, and the cooing over an imaginary baby, the scene "with the Deans" was finally completed.

"My dear girl, you can speak to your husband without making such a face, can't you?" came an offstage comment.

## LEADS SELECTED FOR PLAYERS INITIAL PRODUCTION

HERBERT YENNE. AUGUSTA FRENCH. HELEN McCHESNEY. These three people have been selected to play the leading parts in "The Royal Family" to be presented Friday night by the University Players.

## WORLD FORUM HEARS DR. PATTERSON TALK

Culture Is Necessary to Guide Civilization, Says Speaker.

## AMERICA DECLARED SAFE

The distinction between civilization and culture was discussed by Dr. C. H. Patterson, of the department of philosophy, at the World Forum luncheon at the Nebraskan hotel Wednesday. Fifty-five were present.

"Civilization deals with the external factors, which have to do with the adjustment of man to his environment," Dr. Patterson stated, "but culture deals not with external factors, but internal factors which have to do with man's attitude toward his environment."

The aim of culture, according to Dr. Patterson is, "not how long I shall live, but how well I can live." "Culture," he said, "is not concerned with things which give comfort to the body, but with the things which give pleasure to the mind."

Civilization expresses itself in machines, inventions and discoveries, according to Dr. Patterson but culture expresses itself in our poetry.

## CORN COBS HAND OUT PITTSBURGH PLACARDS

Innocents Publish Slogans; Signs Will Be Built About Campus.

"Pickle Ol' Pitt," is the slogan which will greet the Pitt team when it arrives in Lincoln Friday for the Pittsburgh-Nebraska football game. It was originated as a parody on "Piccolo Pete," title of a popular dance tune, by a committee under the direction of W. Joyce Ayres.

Two thousand placards and tags bearing that slogan have been published by the Innocents society and were distributed on campus cars Wednesday afternoon. The Corn Cobs, with Edwin Edmonds in charge distributed the cards. Besides the slogan cards, three big signs will be erected on the campus today.

One of them will read "Point for Pitt—Attend Bonfire Rally." Another will say "Pep up for Pitt—Burn Down for Nebraska at the Bonfire Rally" and the third sign will consist of "Break the Ties—It's Our Turn Now—Pickle Ol' Pitt."

Two slogans instead of only one will be used for the Missouri-Nebraska game, according to Ayres.

## FRENCH STUDENTS WILL REORGANIZE CIRCLE FRANCAIS

All students interested in the formation of a French club are urged to attend the "Circle Francais," Monday, Oct. 12, at 4 p. m. in University hall, room 111. The meeting will be for the purpose of organization mainly, with Dr. J. R. Wadsworth, a newly appointed assistant professor in the department of romance languages, in charge.

All students interested in the formation of the club are asked to sign their names on the bulletin board in the corridor of University hall. The French club was not organized last year because of the lack of interest shown.

All University Party Scheduled for Nov. 2 Another All University party under the direction of the Barb council was scheduled for Saturday, Oct. 19, after the Nebraska-Pittsburgh game. Due to the fact that the first party was moved up to Oct. 5 this one has been set for the night of Nov. 2. That is Homecoming day and the date of the traditional battle between the Kansas Jayhawkers and the Nebraska Cornhuskers.

## GRADUATE OF 1919 VISITS DEAN LYMAN

George Thompson of Oshkosh, Neb., a graduate of the college of pharmacy at Nebraska in 1919, visited Dean Lyman of that college Wednesday. Mr. Thompson is now practicing pharmacy in Oshkosh and is in Lincoln at present to attend the convention of the Order of Eastern Star of which he is the state grand patron.

## INNOCENTS ARRANGE SECOND RADIO PARTY

Plans Nearing Completion For Listening in on Missouri Game.

Plans of the Innocents society to give out the radio returns of the Nebraska-Missouri game are rapidly nearing completion. The game will be received at a radio party to be given in the Temple theater a week from this Saturday.

The game will start promptly at 2 p. m. and a grid-graph will be operated to show the position of the ball at all times. The first party of the year was held when Nebraska defeated Syracuse and was well attended. It is not known yet who will be in charge of the affair.

The Innocents sponsored three football parties last year when Nebraska played Kansas, Oklahoma and the Army. This year they have planned parties for Syracuse, Missouri and Kansas Aggies games.

## LYMAN HONORED WITH COMMITTEE POSITION

College of Pharmacy Head Made Member Group For Research.

Dr. R. A. Lyman, dean of the college of pharmacy at the University of Nebraska, was recently appointed for a five year period to membership in the national syllabus committee of the American Pharmaceutical association. The appointment was made by Dr. H. A. B. Dunning of Baltimore, Md., president of the association.

The syllabus committee studies the curricula of schools of pharmacy in order to suggest possible improvements in the curricula proper or in the methods of teaching employed. The committee is made up of outstanding men representing different fields of pharmacy throughout the nation and an appointment to it carries with it a high mark of distinction in pharmaceutical circles.

## CAMPUS CALENDAR

- Thursday, Oct. 17. Sigma Delta Chi meeting, University hall, 105, 7 p. m. Very short business meeting.
- Delta Sigma Pi, election of initiates, Commercial club rooms, Social Sciences, 7:15 p. m.
- Freshman commission, Ellen Smith hall, 7 to 8 p. m.
- Sigma Lambda honorary art sorority, tea, Gallery A, Morrill hall, for all girls in drawing and painting departments, 4 to 5:30 p. m.
- Executive council of intramurals, women's gymnasium, 6 p. m.
- Friday, Oct. 18. Rally and bonfire, drill field, 7 p. m.
- Cosmopolitan club, Y. M. C. A. club rooms, Temple, 8 p. m.
- Phi Omega Pi house party.
- Delta Chi house party.
- Saturday, Oct. 19. Pittsburgh-Nebraska football game, Memorial stadium, 2 p. m.
- Alpha Chi Sigma house party.
- Alpha Phi house party.
- Kappa Alpha Theta house party.
- Sigma Alpha Epsilon house party.
- Sigma Phi Epsilon fall party, Cornhusker hotel.
- Sigma Phi Sigma house party.
- Zeta Tau Alpha house party.

## STATE WILL CHOOSE BEST YOUNG CITIZENS

Four Boys and Four Girls Will Be Selected by Special Judges.

## STUDENTS ARE ELIGIBLE

Nebraska young citizens contest is announced today by the University Extension News. Each county will select one boy and one girl between the ages of sixteen and twenty-one, on the basis of intelligence, physical well being and personality as applied to social, civic and business or professional relations. All University of Nebraska students are eligible if they are within the age limits.

Each county is to select a committee to be composed of the county superintendent of schools, as chairman; county physician, superintendent of largest school in county; principal of largest non-accredited school in the county; principal of the largest parochial school in the county and the physical director of the largest school.

This committee, not later than Oct. 26, shall give a standard intelligence test and physical health examination to all contestants. A personality test is also to be given. From all the contestants

## 'PICKLE OL' PITT' IS CRY OF CORNHUSKERS

Big Bonfire and Rally Will Begin at 7:15 O'clock Friday Evening.

"Pickle Ol' Pitt" is the cry throughout the realm of King Cornhusker this week as time draws near for the Nebraska-Pitt football classic on Memorial stadium field Saturday. Rallies and a huge bonfire will stir up the Nebraska spirit for the coming game.

Many thousands of the Nebraska student body are expected to attend the big bonfire rally Friday night at 7:15 o'clock on the drill field which will start the ball rolling for the Husker pep in Saturday's game. Before the bonfire rally house to house rallies will be staged by the Corn Cobs starting at 4:45 p. m. in front of the armory.

As the Panthers are expected to spend Friday night in Omaha Friday's rally will not include them. Many noted speakers are on the program Friday night. They are Coach Dana X. Bible, head football coach; Coach "Bunny" Oakes, head line coach; Herb Gish, athletic director; Coach Henry Schulte, head track coach and assistant football coach; Captain George Farley, captain of the 1929 Cornhusker team, and Ed Weir, all-American tackle and former Cornhusker football captain.

## Ramsay Speaks to Phi Tau Theta Members

Tuesday night Ray Ramsay, secretary of the University alumni association, spoke to thirty-five members of Phi Tau Theta, an aviation and applications regarding the same.

According to John LaMarr, president, the next meeting will be a closed meeting for members only for a business discussion. On Friday, Oct. 25, there will be a joint party of Kappa Phi, girls' organization, and Phi Tau Theta at Auto park. Freshmen and new members are cordially invited.

## Dichsen Has Office Built About His Desk

An office has been constructed for Herbert Dichsen, United Lutheran student secretary, in a corner of the post office room in the Temple. An unusual feature of this is undoubtedly very pleasing for Mr. Dichsen, for instead of having to go to the other of moving his desk into his new office, he merely has to walk in and sit down. The office was built around his desk.

## PASSION PLAY WILL OPEN RUN THURSDAY

Many Lincoln People Take Parts; 200 Extras Selected.

## MATINEE IS ARRANGED

Many Lincoln people will participate in the nationally famous Passion Play which will open Thursday night at the coliseum. A chorus of 300 voices composed of members of the University of Nebraska chorus, the Wesleyan chorus and glee club, and several Lincoln church choirs.

A cast of 200 extras has been selected from the University of Nebraska dramatic department, the Wesleyan dramatic department and the Malcolm dramatic studio to take part in the play. The chorus and a symphony orchestra of fifteen members will be under the direction of Harold Loring, director of music of Ottawa college.

The Freiburg players who will give the performance carry with them three carloads of scenery, including costumes for 1,000 actors. Work on the stage here was begun Monday and has been progressing rapidly. The visiting players have expressed themselves as being impressed with the facilities offered by the University of Nebraska coliseum.

Performances will be given evenings Thursday, Friday and Saturday. A special matinee at reduced prices will be given Saturday morning. Students who participate are required to attend three of the four performances. Elaborate costumes are provided for both members of the chorus and those in the mob scenes.

## BLUE PRINT READY TO RELEASE FRIDAY

Many New Features and Stories Included in Special Number.

The Nebraska Blue Print, engineering college publication, will come out Friday with something altogether different in the way of covers for engineering magazines, according to John Clema, editor. It is of a distinctive yet original type. It is one of the largest issues that has come out for some time.

Louise Westover has an interesting article under the title of "The Sorority Pictorial of Nebraska." Her article is made up of such items that most would miss in visiting any of the sorority houses that have come up on the campus in the last few years.

Merle Rainey, who graduated in '23 from the electrical engineering department has contributed a

(Continued on Page 2, Col. 5.)

## DEAN LELAND PLANS CHURCH CONFERENCE

Student Pastor Returns From Visit to Other State Campuses.

Dean R. Leland, Presbyterian student pastor, and president of the conference of church workers for the central region during the current year, has been working the past week with a committee, comprised of officers of the conference, on the program for the next meeting of the organization to be held at the University of Illinois on Dec. 30, 31, and Jan. 1.

He returned Monday from the campuses of the University of Iowa and the University of Illinois, where he had been working with members of the committee in order to complete arrangements for the meeting.

There will be about 180 special workers in attendance. Local university pastors are members of the organization and will attend the meeting. Rev. W. C. Fawell, Methodist student pastor, occupies a prominent place on the program. Topics under discussion at the meeting will be "Work Relating to University Pastors," "Youth Looks at the Church," and a very important aspect of the meeting is the subject, "Schools of Religion."

## Professor Werkmeister Has Varied Success in German Fraternity Duels

BY HERB BENNELL. Two victories, two draws, and one defeat was the record compiled by Prof. W. H. Werkmeister in his dueling activities while a student at the universities of Muenster and Frankfurt in Germany. His first encounter was the most disastrous. In this bout he received a gash in the head which required two stitches to close and necessitated the stopping of the engagement by the surgeon automatically giving the victory to his opponent.

In later matches he fared better and finally became so expert that he was placed in charge of the dueling in his fraternity, Deutsche Burschenschaft. Dueling in German university

## RAILROAD RAISES RATES FOR TRIP TO TIGER GAME

Round Trip Tickets Set at \$13.61; Innocents Try Bus Companies.

## FEW STUDENTS WILL GO

Most Corn Cobs Plan to Make Trip; R. O. T. C. Band May Go.

Herb Gish, director of athletics, made public the rates that had been offered to him for a special to Missouri, but they are not as satisfactory as in years past. Usually the round trip rates are cheaper than the regular one-way ticket, but this year they are considerably higher. The round trip tickets are as follows: Round trip \$13.61; lower berth one way, \$4.50; upper berth, \$3.60. Tourist rates are: Lower berth, \$2.25, and upper berth, \$1.80.

It is quite certain that most of the Corn Cobs will make the trip, and there is a possibility that the band will also go. Owing to the fact that the rates are to be higher there will not be nearly so many make the trip as in other years. The ones that do go will be assured a good time as Missouri is noted for its courtesy to Nebraska collegians. No figures are available as to the number that are planning on making the trip.

On behalf of the Innocents, Joyce Ayres and Eldred Larson are negotiating with several bus lines in an effort to get a more satisfactory rate from them than was possible with the railroads. They have sent letters to St. Louis and Omaha, and are to receive a reply tomorrow. They have also talked with one of the Lincoln lines, and they report that things look favorable for rates under ten dollars. If the rates are made this low, it will mean that a lot of students will be able to make the trip. Further announcements will be made tomorrow concerning the outcome of the Innocents' efforts.

## WILLIAMS PRAISES FELLMAN'S PLAN

Barb Leader Lauds Scheme Giving Proportionate Representation.

Although he had not yet talked to members of the Barb council to determine their opinion on the proposed plan for selection of student council members, Alan G. Williams, chairman of the reorganized barb council, last night expressed his personal approval of the plan.

"It is a wonderful idea, I think," Williams said. "Without doubt it is a democratic plan. However, I would rather make no comment without first thinking it over."

The plan will undoubtedly be brought up for discussion tonight at the meeting of the Barb council, Williams said, and action taken at that time toward determining the council's position on the plan. Should the system be adopted it would give recognition to the barb faction as well as the two rival greek factions.

By indicating on a separate ballot the preference among the three parties, the relative strength of each would be determined, and the number of Student council members determined in proportion. Division according to enrollment in the various colleges would remain on the same basis as before.

## Head of Luther League Will Speak at Rally

Herbert Fischer, Omaha, president of the state Luther League, will be present at a rally of the local Luther League to be held at Grace Lutheran church, Fourteenth and F streets, Sunday at 7 p. m. He will speak on the subject of "Round Pegs in Square Holes."

Herbert Dichen, Lutheran student secretary, will give a short talk on the "New Vision." All Lutheran students are urged to be present at this meeting.

## Professor Werkmeister Has Varied Success in German Fraternity Duels

fraternities corresponded roughly to the interfraternity sports in vogue at Nebraska. The representatives of the various societies would gather in a conference and arrange the matches. They would then be fought according to schedule at the agreed time and place. The duels were usually ten to fifteen minutes long and were composed of from thirty to forty rounds of four strokes each.

Although the contests were fought with two-edged sharp swords, fatal injuries were prevented by ample padding and the presence of a doctor. At rare intervals death resulted from the duels but it was always due to
