FROSH DEFENSE STOPS VARSITY

Charley Black's Regulars Have Hard Time Scoring On Yearlings in Wednesday Evening Scrimmage; Workout Is Quite Ragged in Spots.

DAVEY REPLACES MORRIE FISHER AT FORWARD

Lanky Sharpshooter Proves Worth by Outscoring All Others in Game; Oakes Is Developing Fast And Aggressive First Year Team.

Nebraska's hoop artists tangled o with the frosh again last night, assignment in dazzling fashion. with the yearlings putting up a very strong defense. The varsity had considerable trouble in sifting through the first year men for the all vital two pointers.

Seldon Davey replaced Morrie Fisher on the first quintet and proceeded to make more points than any of the other varsity men. He has acquired a shot that appears to be about the latest thing in shooting. He carries the ball in on a fast dribble completely under the basket, then comes the difficult element when he gives the ball a flip over his head, completely guarding the abot with his body.

Lewandowski was instrumental in breaking up most of the frosh scoring plays. He seems to be able to scent just where thrusts are going to be made, then fills 'he in the unprotected spot. When- will undoubtedly be fighting it ever the varsity broke down the out in the first division. Charley floor on a scoring play, Lew was usually at the bottom of it.

Bunny Oakes has developed a fairly powerful frosh quintet, con-sidering the fact that the material was only mediocre. Lenser is the outstanding man of the freshmen team, ringing up several counters against the varsity. He is a former Hastings college basket-baller, and disports himself in great style on the maple floors.

Paul Beattie, former Lincoln the best game, they will face stiff high school athlete was holding down his end of the guarding engagement.

Smooth Arrangements Of Rehearsals.

If not more than six girls representing one organization come out for basketball practice in the womens' gymnasium, at a scheduled time, more teams will be scheduled to practice with them, according to announcement made by the intramural office.

The teams scheduled to practice

Several times he broke down the schedules of the Southwest confloor and made long shots that ference and in the past three years dropped dead through the hoop. five members of the Big Six have Only in flashes did the varsity carded football games with south-ern schools. Next fall will bee show the form that they are really capable of, and the rest of the time they were playing only rag-ged ball. This can be attributed Nebraska playing its Southwest conference team, the to only two things, either the var-Texas Aggies. sity is not in the best of shape, or the frosh are getting plenty good TIP-OFF ELIMINATION Varsity Is Weary.

Since the Huskers have returned from their road trip, they have tangled with the yearlings twice, and each time the play has been very close. The long eastern jaunt certainly was very wearing on the

team and they will have to im-prove greatly if they are to take Kansas and Mexico Try Two the K-Aggies this Friday.

Charley Black is not overly excited over Nebraska's prospects at hole himself, or has someone else the present moment, but the team styles of besketball, both of which eliminated the tipoff at center afregards the games this week end as plenty potent, and that the team will do well to gain an even ter scoring, were tried here in the Kansas-Mexico game. The plays break

were offered as means of away with the inequality that Basketball in the Big Six is on exists between teams where one a higher plane this year than it has a center much taller than the has been in some time, with all six teams in with a real ball club other. At present the race seems to stand The The changes were particularly noticeable in the trial here because between Oklahoma, Kansas, and Missouri. Even though these of the short stature of the Mexican lads. How much of their scorteams are credited with playing ing was due to the elimination of the center tipoff, and how much competition in every conference

to their agility and teamwork, was not certain. Dr. James Naismith of K. U. faculty, inventor of the basketball game said the elimination of the tipoff made the game monotonous, but believed it was a

Davidson, Hurst, and Farner at the forward positions; Carr and Smith at the center post; and Beatie, Martin, and Stansberry at the guard positions. These men have all been teaming with the

freshmen against the varsity. Bunny Oakes annonuced yesterday that about fifteen of the outstanding men on the yearling squad that have turned out regu larly will be given season basketball books. The list of men that receive the books will be posted The men out for the Friday yearling team received this anouncement with great enthusiasm.

This idea of giving the men seaon books is a good one, because the freshmen basketballers do not play any games with opponents outside of the varsity. The football team is allowed to play two scheduled games, but the men of the maple floor do not receive this opportunity. Freshmen competition should be enlarged to include more sports than only football.
