

ANNUAL TRACK MEET ANNOUNCED BY HEAD COACH

Indoor Interfrat Compet Will Be Held From Feb. 13-16.

EVENTS BEGIN MONDAY

Schulte Tells Order of Events for Four Days Affair.

Order of events for the eighth annual indoor interfraternity track meet, which will be held next Monday, Tuesday, Wednesday and Thursday, was announced today by Henry R. Schulte, head track coach at the University of Nebraska.

The meet will start Monday with the mile run, high jump, and 50-yard dash scheduled as the opening events. Tuesday, the pole vault, 50-yard low hurdles, and the 440-yard run will be held. Wednesday's card includes the shot put, broad jump, and two mile run. The 50-yard high hurdles and the 880-yard run will finish the meet Thursday.

Rules Are Stated.

As in past years, participants will be limited to those who have not competed in an intercollegiate meet. No fraternity will be eligible for the trophies to be awarded unless at least two men have been entered and have finished in every event.

Competition in the contest will be at 8:15, 4:15, and 5:15 o'clock each afternoon for the events scheduled. Participants may compete in any event at any of the hours.

The competition will be on the pentathlon basis as in former years. Results will be posted on the Coliseum and track bulletin boards every day. A trophy plaque will be awarded to the winner of the meet.

Schulte Urges Practice.

Schulte today urged all fraternities to get their men at work as soon as possible. "The three distance runs will mean that the fraternity with men training regularly will have the best chance to win," he said. "Practice will be of plenty of aid to men in other events, too."

All events will be held on the track underneath the east stands of the stadium.

The Program.

Monday—Mile run, high jump, 50-yard dash.
Tuesday—Pole vault, 50-yard low hurdles, 440-yard run.
Wednesday—Shot put, broad jump, two mile run.
Thursday—50-yard high hurdles, 880-yard run.

GREEK TEAMS PLAY IN BASKET TOURNAY

Theta Xi and Delta Teams Beat; Three Games Are Forfeited.

Three games were won via the forfeit route as another round was completed in the class B interfraternity basketball tournament last night. Teams winning by forfeit were: Alpha Gamma Rho, Phi Sigma Kappa and Sigma Alpha Epsilon.

Theta Xi's class B team showed power last night in winning 26 to 3 from Alpha Tau Omega in a listless encounter. Delta Tau Delta pulled up a 22 to 4 advantage over Phi Kappa in a similar tilt.

AMES TO COMPETE IN K. C. TRACK FEST

Iowa State Squad Numbers Twelve Men; Meet Is Saturday Night.

AMES, Ia.—A squad of at least twelve men probably will be taken to Kansas City Saturday to represent Iowa State college in the K. C. A. C. track carnival Saturday night, according to Coach Bob Simpson. Relay teams in both the mile and two mile events, as well as individual performers for the high jump, hurdles, dashes and pole vault will be taken.

Agricultural Freshmen Plan Party Friday Eve

All freshmen registered in the college of agriculture are invited

Positions Are Open To Track Managers

Emil Eret, senior track manager, has issued a call for sophomore managers. Second year men who are interested are requested to report at the stadium any afternoon after 3 o'clock.

The Students' Activities building on the agricultural campus tonight at 7:45 o'clock. The event is being sponsored by the Freshman auxiliary of the Y. W. C. A. A program of games and stunts has been planned. Refreshments will be served.

STUDENTS GIVEN LIBRARY DUTIES AT WISCONSIN U

Forty students of the Library school of the University of Wisconsin have been appointed for field practice during February and March to twenty-seven libraries and state departments in twenty-four cities and villages of the state. Each student is assigned to two different libraries to assure varied experience, explains Miss Mary S. Linsmith, principal.

The students work on full schedule as regular members of the staff and have a share in every part of the day's work. The success of Wisconsin Library school graduates is attributed partly to this practical part of their training, which is carried out under the close supervision of the faculty.

TRACKSTERS LEAVE FOR MEET TONIGHT

Schulte Picks 16 Men to Make Trip; Lamson Is Injured.

RELAYS ARE CHANGED

Coach Henry F. Schulte and sixteen track men will leave Lincoln late tonight for Kansas City, where the team is entered in the annual K. C. A. C. indoor meet. Willie Lamson, hurdler, and last year's Big Six champion in the high sticks event will be unable to compete. He is nursing a fractured arm which resulted from an altercation with a hurdle Tuesday afternoon.

Men making the trip and events in which they will compete are: George Cook, Casper, Wyo., high jump; Wilber Currier, Morrill, 440, mile relay; Louis Etherton, Lincoln, mile and 2 mile; Norman Fuhlrott, Fremont, 880, mile relay; Phillip Garvey, Rushville, mile, 2 mile; Hugo Hege, Paso Robles, Cal., 50-yard dash; Wesley Mays, Houston, Tex., 440-yard dash; William Ossian, Stanton, pole vault; Robert Ostergaard, Gothenburg, 600 yard special, mile relay; Harold Petz Nelson, 50-yard dash, 50 yard high hurdles; Slayton Pierce, Lincoln, high jump; Hugh Rhea, Arlington, shot put; Ralph Rodgers, Lincoln, 440, mile relay; Herman Siefkes, Pickrell, mile relay; George Smutney, Seward, 50 yard dash, 50 yard high hurdles; Claude Thompson, Billings, Mont., 50-yard high hurdles.

CAGE SQUAD LEAVES ON TWO-GAME TRIP

Nebraska's basketball team starts its two game trip to Oklahoma and Kansas early this afternoon, when ten players and Coach Charley Black leave for Norman.

Blackmen Will Encounter Sooners and Kansas Over Week End.

Nebraska's basketball team starts its two game trip to Oklahoma and Kansas early this afternoon, when ten players and Coach Charley Black leave for Norman.

Coach Black named these men for the journey: Forwards, Harvey Grace, Morris Fisher, Selden Davey and Cliff Jensen; Guards, Adolph Lewandowski, Steve Hokuf, "Dutch" Witte and Ed Etipsky; and centers, Don MacLay and Leonard Konkin.

PET GILA GONE.

UNIVERSITY OF NEVADA—Speaking of calamities, the University of Nevada recently suffered a great loss when its pet reptile, presented to the campus by Don Finalyson of Arizona, disappeared. Despite the ardent but ineffective search by the students and professors, nothing has been seen or heard of the pet gila mon-

TANK SQUAD LEAVES TONIGHT ON TRIP TO AMES AND GRINNELL

Eight Men Will Accompany Coach Vogeler on Iowa Tour.

AMATO STILL NOT SURE

Coach Rudolph Vogeler with eight men comprising the Nebraska swimming team will leave Lincoln late tonight for a trip which will bring them into competition with Grinnell college and Iowa State in dual meets Saturday and Monday nights.

COLLEGE AGENTS TO HOLD AG MEETINGS OVER WHOLE STATE

Extension agents of the college of agriculture will conduct about 150 agricultural meetings in all parts of Nebraska in the next two months. These meetings will deal with such subjects as poultry house construction, price trends and outlook, creameries, horticulture, corn and hogs, 4-H clubs and crops.

J. H. Claybaugh and Paul Hoff will conduct the meetings dealing with the construction of poultry houses. Claybaugh is a poultry specialist and Hoff is an agricultural engineer. They will hold meetings in six different towns from February 17 to March 14.

E. H. Holland, Harold Hodges, H. G. Gould and Ralph Cole will be in charge of the outlook meetings. Price trends, demand, and production of farm products will be discussed at these meetings, which will be held in twenty-four Nebraska towns. The meetings will occur Feb. 17 to 28.

Cremeries meetings are being held in thirteen towns. They are conducted by H. J. Young and Paul Hoff. Mr. Young is a dairy specialist. These meetings started on Jan. 15 and will be completed on Feb. 11.

Corn and hog days are being held in twenty-three towns. They are conducted by Stewart Wagener, Gross and McNeil. The meetings started on Jan. 27 and will continue till Feb. 14.

E. H. Hoppert, a horticultural specialist, conducts meetings in sixteen different towns. He commenced on Feb. 3 and will continue until Feb. 26.

Meetings dealing with 4-H club planning are being held in thirty-one towns, conducted by H. G. Gould, L. I. Frisbie and R. E. Holland. They commenced on Feb. 23 and will be completed on Feb. 22.

Stewart and Gross conduct county crop days in thirteen different counties. These meetings started on Feb. 28 and will continue until March 7.

HUNDRED ATTEND BIG AND LITTLE SISTER BANQUET

One hundred gathered for the Big and Little Sister dinner in the honor of all new women students, which was held in Ellen Smith hall Thursday, Feb. 6. This was the last big event to be sponsored by the present Big Sister board, as the new board will be installed the first of March.

EVEDROPPING

UTAH PI K. A.'S LEAD

UNIVERSITY OF UTAH—National recognition was gained by the local chapter of Pi Kappa Alpha last week when they were informed that they had again won the national Pi K. A. scholarship trophy. This is the third time the local chapter has earned this recognition and gives them permanent possession of the cup.

OHIO SIG CHIS WRANGLE.

OHIO STATE UNIVERSITY—Campus politics took a sudden change at Ohio State when the Sigma Chi fraternity here withdrew its membership from the interfraternity council.

A wrangle over the validity to pledge a freshman who had previously been pledged by another fraternity caused the trouble when the council decided to penalize the yearling by prohibiting his affiliating with another organization within twenty-four weeks time. The Sigma Chi chapter which had pledged the freshman decided that an injustice was being done him and promptly cancelled all its obligations to the council.

PHI GAMS BEAUTY JUDGES

OREGON STATE COLLEGE—Contrary to custom of former years the most beautiful girls at Kansas State Agriculture college will not be selected by members of different fraternities this year but by members of one fraternity. The men in the chapter of Phi Gamma Delta at Oregon State will journey to Manhattan, Kas., to act as judges.

CATAWBA COLLEGE—The "summer school on wheels," which was conducted by Catawba college last summer proved so successful that another tour is being planned by college officials for 1930. The school will travel the country in especially built buses, and will have an enrollment of sixty students.

It is believed that this is the first school of its kind in the country. The last summer was made to the Pacific coast by the central route, covering in all about 8,500 miles. The students and three faculty members were conveyed in fifteen buses, including diners, sleepers, trucks and pilot cars. Classes were taught daily at scheduled intervals.

SMITH GIRLS RIDE BIKES.

SMITH COLLEGE—At least 211 bicycles are in daily use at Smith college, a recent census here showed. A no-car riding and long distances between classes were given as reasons for the large number of bicycles that reached the height of their popularity in the "Nimeties."

More than half of this number belong to the six dormitories of the quadrangle on Smith campus, as they are the furthest away from the center of college activities. Only ten of the sixty-one college houses are without at least one bicycle.

During the week-end the bicycles are little used but on weekdays, campus pedestrians are in almost as much danger as city inhabitants, for the bicycles are everywhere. Both students and townspeople have increased their nimbleness and alertness in keeping out of the way of the speeding bicycles. Every now and then a student is fined for riding on the sidewalks in the face of a city ordinance.

ENGLISH WANT GOOD HEALTH.

"A sound constitution" topped the list of factors governing the happy life when members of the National Union of Students in England balloted on the subject at their annual banquet in London this winter.

The other points receiving a great number of votes as important factors were: a sense of humor, a congenial occupation, an assured future, a charming wife or husband, a blameless reputation, 400 pounds a year (2,000), a brilliant career, a thick skin, a good cook, etc.

HUSKERS WILL MEET JAYHAWK WRESTLERS

First Home Match Will Be Held Tonight; Neither Team Has Won.

ADAMS IS HEAVYWEIGHT

Johnny Kellogg's exponents of the wrestling art will meet the University of Kansas grapplers this evening promptly at 8 o'clock in the first home match of the year. The definite lineup has not been decided upon as yet, but Johnny always puts a good team on the mats.

Jerry Adams is the answer to the coach's prayer for a heavyweight, but it is not known how potent he really is, for this is to be his first competition for Nebraska. Kieselbach has been more or less indisposed for the majority of the year, but this is the first engagement he has been forced to miss altogether.

Kansas should provide just about the competition for Nebraska, as neither team has turned in a conference victory, but both teams will be fighting to keep from being dropped unceremoniously to the cellar. If Nebraska takes the match, it will give them a margin of one meet in the victory column, and one in the loss side.

AG WOMEN MAY FILE FOR VACANT POSITION

Due to the failure of Sybil Hallett, '31, Lincoln, to return to the front for the second semester, there is a vacancy in the Student council according to Ralph Raikes, president. The vacancy will be filled at the second semester election to be held Feb. 18.

Notice of filings for the position is made in The Daily Nebraskan. Any junior woman in the college of agriculture may file for the post at the student activities office in the Coliseum. She must satisfy the university activity requirement of having made twelve hours the preceding semester and twenty-seven the two preceding semesters. There is also an average grade requirement.

MISS SHANAFELT SPEAKS.

Miss Marjorie Shanafelt addressed the business girls' group at the Y. W. C. A., Thursday night on "What Time Is It?"

Utica Banker Sees Services Rendered State by University

Services that the University of Nebraska can render the state other than giving instruction to students are being recognized by business men of the state. Evidence of this is noted in a quotation by George W. Liggett, banker of Utica, Neb., in The Lincoln Journal yesterday.

In the interview he attributes Nebraska's present financial predicament to the large expenditures for good roads and for gasoline.

"In Utica," he told the correspondent, "in 1925 we spent \$50,000 for a new school house, and some objected, but no one objected to the spending of \$80,000 which the people of that town spent the same year for gasoline. I would like to have the university compile new figures on the cost of operating automobiles to bring the facts directly home to the people."

DOWN GREEKS ON PROBATION.

Ten fraternities and three sororities at O. S. C. were placed on probation for the winter term for failure to come up to the scholastic average of the student body, according to announcement recently made by E. B. Lemon, registrar.

The fraternities placed on probation are: Kappa Sigma, Alpha Tau Omega, Beta Theta Pi, Sigma Nu, Delta Upsilon, Phi Delta Theta, Sigma Alpha Epsilon, Sigma Chi, Pi Kappa Alpha, and Kappa Psi. Sororities falling below the average mark are: Alpha Xi Delta, Kappa Alpha Theta, and Chi Omega.

LIBRARY HAVING BOOKS OF PLAYS IS ESTABLISHED

The university extension bureau cooperating with the department of education has announced a dramatic loan library. Plays suitable for high school production are kept on file and are loaned to schools or individuals for a period of five days. A deposit is required for each book. This system has been originated so that plays can be selected without having to buy books or order them from the publishers.

Plays by such authors as William Mack, Israel Zangwill, William C. DeMille, George M. Cohan, Joseph Carlton, George Middleton and Gay Bolton, Alice Duer Miller and Robert Milton as well as many others are offered.
