GRAPPLERS SCORE 17-11 TRIUMPH OVER IOWA

Fisher High Scorer in Cage Game; Points Evenly Divided; Same Five Used Throughout Game; New Record Set in Medley Relay.

Nebraska athletic teams completed a perfect week of competition last night, collecting four victories yesterday in basketball, wrestling, swimming, and track. The basketball triumph over St. Louis Wednesday night makes a total of five wins for the past four days. Both cage games were won by narrow margins. Other contests were comparatively easy.

To take up the achievements chronologically, Rudy Vogelger's natators took the K-Aggies handily into camp, defeating them 50-25. A little later in the day, Charley Black's basketball team won a thriller from the lately deposed co-leaders of the Big Six, Missouri, and made the Tiger hopes for a championship look pretty slim.

Immediately following the basketball game, John Kellogg's wrestlers went to work on the matmen from Iowa University, and vanquished them, 17-11. While this was going on, Coach Schulte's track men, down in Columbia, were hanging another defeat on the Tigers, in track, piling up 68 points to the Columbia's 36.

Basketeers Win Thriller.
Coach Charley Black's basketeers beat the Missouri Tigers to the finish in a scoring race that picked up speed all the way through. The Nebraska quintet took the lead in the middle of the first half and were never headed or tied after that, although at times their margin of superiority was shaky.

Morris Fisher was high point man for the winners, with 30 points, all scored on field goals. Welsh, forward for the Tigers, scored a like number of counters in the same manner. Scoring honors were divided fairly evenly among the rest of the Huskers, with Witte, Grace, MacLay and Hokuf collecting eight, seven, five, and four points, respectively.

Hokuf and Witte were taking the ball off the Missouri backboard, effectively preventing the lengthy Huhn from scoring on follow-up shots. Most of the Tiger markers were the result of long shots.

The Nebraska quintet was functioning as a team last night, working more like a machine than

Whom you've met before -- at football games, at fall parties, at formal. She's a Nebraska girl (we didn't need to tell you that) who is in charge of the shop. She'll be glad to help you in your selection of your new spring wardrobe.

When we bought these printed silks and knitted three piece suits we had in mind what you want to wear when you go to the show Friday with Tom; to Dick's house dance, Saturday; to

meet Harry in front of Social Sciences tomorrow. That's why these garments are so delightfully typical of what the Nebraska Co-Ed is wearing. Come in and see them.
