

# FOUR SPORTS IN SPOTLIGHT FOR FANS THIS WEEK

### Cage, Track, Wrestling and Swimming Squads All Slate Battles.

### BASKETEERS MEET IOWA

#### Must Win if Nebraska Is to Hold Third Place in Big Six Ratings.

Basketball, track, wrestling, and swimming squads at Nebraska are working hard, with meets scheduled in all four sports this week. Charley Black's cagers will entertain at home Saturday evening when they meet Iowa State's five at the coliseum in the next to last basketball game of the season. A win in the contest is essential to the Blackmen if they are to be sure of third place in the Big Six ratings this season. The cagers layed off last night, but will snap back into a series of heavy drills this afternoon, and continue all week with plenty of work on tap each evening.

Coach Henry F. Schulte's einder path artists likewise remain at home this week, entertaining Iowa State's tracksters Saturday afternoon. The squad has returned from a dual meet at Missouri with one win to its credit, and is determined to annex another in its first home appearance. The Huskers are hoping to repeat their performance of 1929 when they topped the title in track, and Saturday's meet is expected to show their prospects for repeating.

Nebraska's wrestlers, accompanied by Coach Johnny Kellogg, are likewise to meet Iowa State, but the encounter will be at the home of the latter. The meet is scheduled for Friday.

Rudy Vogeler's mermen drew the only double assignment of the week. They are scheduled to meet Iowa university Saturday night at Iowa City. From there, they go to Des Moines for a rest over Sunday and a meet with Drake university's tankers Monday.

The swimmers have shown unusual speed this year, having scored a clean sweep in all meets so far. Both schools on schedule for this week-end offer plenty in the shape of competition, so Coach Vogeler is planning a series of stiff workouts for the meet.

### IOWA LISTS SPRING BASEBALL, TENNIS

#### Nine Will Play 18 Games, 14 of Them With Big Six Opponents.

AMES, Iowa.—Schedules for the Iowa State college baseball and tennis teams for 1930 have been released by T. N. Metcalf, director of athletics. The Cyclone baseball team will play 18 contests, 14 of them conference games. Eight dual meets, five against conference opponents, and the Big Six individual championships are listed on the tennis card. The baseball schedule follows:

- April 18—Baker university at Baldwin, Kan. (tentative).
  - April 19—Oklahoma city university at Oklahoma City.
  - April 21—Oklahoma at Norman.

  - May 10—Missouri at Lincoln.
  - May 17—Nebraska at Ames.
  - May 21, 22—Big Six championships at Lincoln, Neb.
  - May 31—Drake at Des Moines.

### BIZADS, TEACHERS BATTLE FOR LAURELS

#### Intercollegiate Champs to Be Decided Friday at Carnival.

Court warriors representing the college of business administration and the teachers college meet Friday night on the Coliseum stage, during the Cornhusker carnival, to decide the intercollegiate basketball championship of the university. Following the game, the members of the winning teams will receive medals emblematic of their achievement.

The teachers college won their way into the finals by winning every game in their league, but the bizads were bucked in their efforts by the law school. They, however, won a tie playoff from the law school by a wide margin, 22 to 10. The teachers won three games and lost none, while the bizads won three games and lost one. The plan is to have the winner of each league play for the title.

The teachers will probably use Syng and Horney at forwards, Johnson and Miller at guards, and Bittner at center. Cook, Burnham, and Ossowski are the teachers' reserves. The rival basketball team will probably have Davidson and Halbesen at forwards, Roberts and Kimball at guards, and Urban at center. The reserve strength of the bizads lies in Mason, Martin, and Swenson.

The final standing of the leagues are as follows:

League I.	W	L	Pct.
Teachers	4	1	.800
Bizads	3	1	.750
Arts & Sciences	2	1	.667
Dentists	2	0	1.000

  

League II.	W	L	Pct.
Business Adm.	4	1	.800
Law	3	1	.750
Pharmacy	2	1	.667
Engineering	2	0	1.000

### IOWA STATE NAMES NEW DIAMOND HEAD

AMES, Ia., Feb. 13.—Louis E. Menze has been appointed head coach of the Iowa State college baseball team, according to T. N. Metcalf, director of athletics. Noel Workman, head football coach, has formerly had charge of baseball, but he was released from diamond duties in order to devote his entire time to spring football and give individual attention to candidates for next year's eleven.

Preliminary practices will be in charge of Workman, however, since Menze is occupied with basketball until the close of the winter quarter.

### PI KAPPA PHI, DELTA CHI WIN CAGE GAMES

#### Pi K A's Tounce Delta Chis; Kappa Sigs Defeat Betas.

PI KAPPA PHI won the championship in league VI, and Delta Chi won one of its two games in the playoff of the title for the title in league V, in class A interfraternity basketball games played Monday night in the Coliseum. In class B games, the Pi K A's trounced the Delta Chi outfit, 34-8, and the Kappa Sigs administered a 19-11 defeat to the Betas.

Many of the more rapid basketball fans present last night lost parts of their clothing and maybe some of their anatomy as the Delta Chi team copped a thriller from the Tau Kappa Epsilon aggregation, to the tune of 19 to 17. Rival rooting sections took up places on opposite sides of the floor, and a boisterous and happy time was had by all.

Jackson of the Delta Chi fraternity led the scorers with six field goals and one free throw for a total of 13 points. Outstanding in the play of the winning team was the work of the two Horney brothers, Bill and Bob. Bill was breaking up a good share of the Tekes scoring efforts, and Bob was busy getting the ball to a mate that was in position to drop the ball thru the hoop.

Jensen, guard on the Teke team was the outstanding man for his team, being instrumental in breaking up numerous scoring thrusts, and ably breaking the ball down the floor. His aggressiveness was very apparent thruout the mele. Cy Yordy, former basketballer for Lincoln was playing a very effective game of ball, but his opponents were just a trifle too much for his efforts.

Clair Sloan appeared in a new role, when the Pi Kaps trounced the Acacians, his offensive tactics being especially apparent. Whenever this big half back came tearing thru, something had to give, and usually it was the Acacian's defense.

Mutt Davidson was the outstanding man during this mix, and he was personally responsible for 8 of his 15 points. His dribbling and shooting aided greatly in making the game worth seeing. On th defense, Gus Zinnecker was an absolute thorn in the side of the Acacians, continually turning back their efforts to score from the field. His potency was very noticeable, as the Acacians only tallied one field goal during the struggles.

### FLOOD AID FOR PRESSMEN.

OKLAHOMA BAPTIST UNIVERSITY, Shawnee.—When water from the recent rains completely covered the floor of the Bison office at Oklahoma Baptist university the staff decided that the thing they most needed was flood relief. After a struggle to wade through the hall into the office where there were approximately three inches of water, the staff stuck to its post and succeeded in establishing a drier situation before the day was past.

U.C.L.A. will dedicate its new campus in a formal ceremony, March 27 and 28.

### HUSKER-AMES TRACK SQUADS WILL CLASH

#### Fans May See Schultemen In Indoor Meet for First Time.

### TEAM SHOWS STRENGTH

Husker fans will get their first view of the 1930 track team in action Saturday afternoon when Nebraska meets Ames on the indoor track at Memorial stadium. This is the final indoor dual meet of the season and Coach Schulte will spend the next two weeks in grooming his squad for competition in the Big Six indoor meet at Columbia, March 8.

Schulte's squad flashed some unexpected strength when they snowed Missouri under, 68 to 36, in the dual affair at the Tiger school last week end. Ostergard, winner of the Shannon Douglas cup at the K. C. A. C., ran a nice race to nose out Swartz of Missouri. Smutney won the 60-yard dash in 5.4 seconds and romped over the high hurdles ahead of Thompson of Nebraska to turn in the best individual scoring performance of the evening. Smutney got tangled up with one of the low sticks and fell, the race being won by Pats with Thompson close behind. The Huskers won twelve firsts and made a clean sweep in the high hurdles.

Final try-outs for the Nebraska-AMES dual meet will be held the first part of the week with some of the men who have been slow in rounding into shape getting a chance to display their wares. Eller and Kaester, varsity sprinters last year, have been slow to get into condition and may not get into competition for some time yet. Hugh Rhea, who won second in the shot-put at the K. C. A. C., is being troubled by an eligibility.

### WURGLER COPS TITLE IN HANDBALL CONTEST

#### Defeats Grossman to Win Interfraternity Singles Championship.

Robert Wurgler, Pi Kappa Alpha freshman, won the interfraternity singles championship in handball Tuesday afternoon, by defeating Paul Grossman, Zeta Beta Tau, in two games. The scores were 21 to 18 and 21 to 5.

The first game was fairly close but Wurgler's skilled shots soon pulled him out of the hole and he won 21 to 18. In the second game, the champion found the going to his liking and turned back Grossman on the short end of a 21 to 5 score. He completely outshone Grossman in the second game.

By virtue of his defeat of Philippe, Alpha Theta Chi, Wurgler won his way into the finals. Grossman nosed out Harry Rich, Sigma Alpha Mu, to win the right to play the new champion.

Wurgler will attend the National Y. M. C. A. handball championships later this month.

### Lewis Says Horses Are Not Vehicles; Wants Daily Nebraskan Correction

Jimmy Lewis, director general of the Cornhusker derby, which is to be run Friday night in the coliseum in connection with the Cornhusker carnival has made known his dislike for a statement which appeared in The Nebraskan yesterday. This statement gave the impression that varsity athletes were to use vehicles in the race. Jimmy insists that horses are not vehicles, and plunges into the "dope" about the race.

Former Captain George Farley, who is to uphold the honor of the football team in the derby, is to be mounted upon Carnera, a recent importation from Italy. This racer is unusual in that its training diet, like that of its boxer namesake, is prodigious. Special importations of spaghetti are being fed the animal in huge quantities. All it will eat is spaghetti.

Griffin is Jockey.

Carroll Griffin, the boisterous jockey who will represent the cross country team, when approached by Jimmy, said: "I have absolutely no statement to make. My horse is the best animal in the race. The results Friday night will speak for themselves. My horse has been in constant training for the past two months, and is in the best condition of his career. The distance for the derby is just right for him, and I am certain that his performance will be far above the usual performance turned in during the derby. I can make no statement for publication."

Adolph Lewandowski is scheduled to appear in the derby astride a white mule. Lew is certain that he will be able to talk the mule into winning the race. He bases his conclusion on his success in directing the basketball team during the winter, and says that if he can only keep his voice in condition until Friday night he is certain of a victory.

Peterson Rides Pony.

Ardean Peterson, the wrestler, is riding a Shetland pony. By special arrangement with the judges, Peterson is to wear suspenders of unusual construction, which will enable him to carry the pony and help it along in case it becomes fatigued.

Dutch Witte refuses to divulge much information about his entry. He has it stabled behind the Kappa house, and says that his greatest difficulty is in getting the horse to observe training rules in its cat-

### Rhodes Calls for Baseball Prospects

"Choppy" Rhodes, head baseball coach, has called a meeting of all candidates for the varsity baseball team for tonight in the N club rooms, at 7:30 o'clock. It is important that all prospects be present, according to Rhodes.

Bunn. The squad included four lettermen, Schmidt, McCoy, Fisher and Trombold, and two former squad members, Harper and Anderson.

Bert Hoga, a veteran, is on the wrestling squad, and Bishop and Thompson are now on the basketball team.

Pitching strength is coming up from the sophomore class; the outfield will be made of veterans, and the infield suffered only the loss of Wayne Culp, last year's captain.

### BETA FIVE WIN OVER THETA CHI, 26 TO 16

#### Contest Decides Leader of League IV of Intra-Mural Play.

Beta Theta Pi's Class A basketball team triumphed, 26 to 16, in an easy victory over Theta Chi to win the championship in League IV last night. Last Tuesday the Theta Chis took a close game from the Betas to tie up the league standing. Beckner, with six field goals, and Westcott, with three baskets and a free throw, accounted for most of the Beta points. Martin, with eight points, was high point man for Theta Chi and did most of the work, aided by Steinheider.

- Xi Psi Phi, 21; Theta Xi, 9.
- Sigma Chi, Pi Kappa Phi, and Zeta Beta Tau and Alpha Tau Omega did not appear for their games.

### AMES SQUAD BEGINS BASEBALL WORKOUTS

AMES, Ia.—First call for varsity baseball practice at Iowa State college was sounded last night when a general meeting of all candidates was held. Due to limited indoor facilities, only the batter aspirants will work out regularly. March 1 is the date set for all members of the squad to start practice. Noel Workman, assistant baseball coach, will have charge of the practices until Head Coach Louis Menze is released from basketball duties.

### COED CAGE FIGHT MARKED BY MANY PERSONAL FOULS

#### Kappa Phi, Phi Omega Pi, Sigma Kappa Take Hard Games.

### NEW SCHEDULE APPEARS

#### Phi Mu and Sigma Eta Chi, Victors for Monday, Omitted in Story.

Fighting for blood or honor seemed to be the incentive of the six girls' intramural basketball teams who played yesterday afternoon and evening in the Bancroft school gymnasium or in the university women's gymnasium. To all appearances, each team tried to see how many of their opponents they could eliminate. Rough and ready games they might have been called, but more properly free-for-alls.

A close game between two evenly matched teams, Dormitory A and Kappa Phi at 5 o'clock in the Bancroft gymnasium ended in a 16-to-14 score in favor of Kappa Phi. Grace Egley, forward on the winning team, scored 10 of the 16 points; and Louise Redman on the opposing team whose swift floor work and accurate basket shooting were outstanding made all 14 points for her team.

Competition was not so keen in the Kappa Delta-Phi Omega Pi game at the same hour. Although the Kappa Delta team put up a good fight in the second half, it was not sufficient to offset the advantage of their opponents' amassed during the first half, and when the whistle blew, the score gave the advantage of a 15-to-5 score to the Phi Omega Pi's. Grace Vlasak was high scorer on the winning team with nine points to her credit.

Many Fouls Called.

Both afternoon games were noticeable for the number of personal and technical fouls called on forwards as well as guards. Over guarding and blocking were but minor causes for free throws.

The Alpha Xi Delta-Sigma Kappa game at 7 o'clock, however, was a real struggle, and it would be difficult to determine whether the "survival of the fittest" theory held good in this instance. The game for the most part resembled a class in tumbling, for much of the time was spent groveling on the floor to be broken occasionally by some lucky forward who broke loose long enough to sink a goal.

The game ended 11 to 9 in favor of the Sigma Kappa team. For the winners, Esther Jensen's work as forward was good. For the losers, Blossom McDade as running center played a good game, and Helen Yowell's long, well-placed baskets were noticeable. Good team work was exhibited by the losers, better in fact, than that of their opponents.

The results of the games played at Bancroft Monday were omitted from the story yesterday. Phi Mu defeated Sigma Delta Tau by a 22-to-6 score, and Sigma Eta Chi won from Alpha Delta Pi by a score of 18 to 10.

### Revised Schedule Listed.

The schedule, as revised for the remainder of the week is as follows:

WEDNESDAY  
Bancroft 5-6
