Of Just Pride in School Is Noted Among Students, Faculty Members Pride and confidence in the University of Nebraska as an outstanding school of the United States is the greatest need

on the local empus, in the opinion of Samuel R. Buck, editor of The Daily Nebraskan eighteen years ago. In a letter to The Nebraskan Mr. Buck describes as his only criticism of Nebraska that "she is entirely too modest. "She has never to my knowledged resistance rather than to seek that had a competent press agent. Her place in the sun which should

Yale or Princeton or Michigan some other institution. "In the first place I do not beleve that this attitude is justified by the facts. I can say conservatively that in my experience have not mes with a finer student

body personally." Wide Experience.

Mr. Buck speaks with the experience and knowledge of cellegiate conditions gained by attendance at Doane college, Nebraska, Pennsylania, California and Washington universities. In addition to broad experience as a student be was correspondent for a national press association, in which work was placed in contact with the traditions and psychology of nearly every targe college and university in the country.

"In fact." he says. "in many re- lype. spects the atmosphere at Nebraska is as wholesome, as genuinely manly and womanly, as it is possible to find. But unfortunately, it so often seems that the student body there, and I think this is true of the faculty to a large extent also, seem to take the path of least

students too often seem ashamed rightfully be Nebraska's." of the fact that they are in attend-Early Defeats. ance there, rather than at Harvard an example of this he refers

to early football games with Michigan. It was the overcoming of the lack of confidence that produced the psychological effect re-sponsible for the defeat of Minnesola the following year and the beginning of an unbroken period of Nebraska conquests. "I do not mean to become anothbish or provincial or blind either

to your own faults or to the excellencies of others, but I do mean to eliminate the somewhat political attitude which many of the older graduates seem to have when in company with alumni of other institutions. "You have a school to be amply

proud of" he says. "Be proud of it not as blatant fools or halfbaked boodlums, but as college men and women of the highest Activities Worldwide.

In answer to the question "Do you think outside activities in a college course are worth the time and the effort expended?" Buck gives an emphatic reco who takes substantial sat-
