Nebraska's track team dropped a tough decision in the Big Six conference championships held Friday and Saturday in the stadium, losing the title to Kansas by a narrow three point margin. Records topped all afternoon, with perfect weather conditions as an asset to the athletes, and final compilation showed that eight marks had been replaced.

Jim Bausch, Kansas all around performer, easily won first honors of the afternoon, breaking the record in the shot put and piling up 17 1-2 points, almost a third of his team's total. Hubert Meier, Iowa State sprinter, put in a strong bid for fame when he streaked down the cinders in the hundred yard dash, to be clocked in 9 4-10 seconds, a mark which better the world's record, the American record, and the conference record, and equals the intercollegiate mark made by George Simpson.

Records which were shattered in addition to those in the shot and the hundred, were in the high hurdles, the low hurdles, the 440 yard dash, the discus, the broad jump, and the two mile run.

**Tomson Only First.**

Cobe Tomson, the only Husker to take a first, with the exception of Bill Ossian, who tied for one, broke his own record in the broad jump, getting out 24 feet, 2 1-4 inches. Ossian was forced to share honors in the pole vault with Jim Bausch, when neither of the men could clear the bar at 13 feet, 2 inches, after having cleared it at 13 feet even.

Ostergard and Lamson, scheduled to do big things in the half and the hurdles respectively, had a bad day. The big blonde from Gothenburg became too interested in Rocky Swartz while he was running the half, and both men burned themselves out before they entered the stretch. Hinshaw, Kansas 880 man, sneaked up from behind to win the event.

Lamson didn't get over the high sticks so slow, even though he finished second. He forced Soultis of Iowa State to a new record of 14 3-10 seconds, which is within a tenth of a second of the world's mark. He failed to place in the low.

**Thornhill Sets Discus Mark.**

Jim Bausch's new mark in the shot was 49 feet, 10 1-2 inches. Thornhill, a team mate, sailed the discus a matter of some 135 feet, 11 inches, to set another record.

Missouri placed three men in order in the 440 yard dash, with Dill leading the pack to the tape with a new record of 48 6-10 seconds. Welch of Missouri also got into the afternoon's pastime of the record smashing when he turned in a time of 23 3-10 seconds for the low hurdles.

Putnam, Iowa distance man who was looked to for a couple of new marks during the afternoon, had some tough luck in the mile, throwing a shoe and turning an ankle on the first turn. His shoes stayed on during the two mile, however, and he finished the grind in 9 minutes, 30 2-10 seconds for another record.

**Former Husker Coaches Soultis.**

An interesting coincidence of one of the performances was in the fact that Soultis, who set a new high hurdles record, is a protégé of Bob Simpson, former Missouri athlete and former holder of the record.

Nebraska's points in the high hurdles were the results of a second and a fifth, contributed by Lamson and White. Smutney came through with a fifth in the hundred, and a fourth in the 220, while Eller got a fifth in the latter event. The 440 points were garnered by Fuhlrodt, who finished fourth, and by Currier, who finished fifth.

Garvey, with a third in the mile,

## Sig Chi and A. G. R. Golfers Will Meet

Sigma Chi is scheduled to meet Alpha Gamma Rho Monday in a semi-final match of the interfraternity tennis tournament. In the lower bracket Phi Kappa Phi, and Zeta Beta Tau are holding up the works, having failed to play their second round game. When, and if, they play, the winner will meet Sigma Nu, and the winner of the latter contest will tackle Phi Alpha Delta in the semi-finals.

Thompson with a fourth in the low hurdles, and Griffin with a fifth in the 2 mile, completed Huskers scoring on the track, with the exception of the mile relay, in which the team of Rodgers, Currier, Ostergard, and Fuhlrodt finished second.

## RHEA, HOKUF PLACE TWICE

High Rhea was good for a second in the shot and a fourth in the javelin. Steve Hokuf pulled down a second in the javelin and a fifth in the discus. Faytinger got into the scoring with the javelin, placing third. Slayton Pierce, tied for second and third, and added 3 1-2 points in the high jump. Tomson with his first, and Gray with a third, made joints in the broad jump.

Nebraska's team was the only aggregation to score in every event. Kansas was the next best balanced squad, but the lack of balance was made up for by unusual proficiency in the discus, for example, where the Jayhawks placed four men in the top positions.

## Nebraska Evens Up With K-Aggies, 9-5

Staging a hitting spree in the ninth, Nebraska evened its two game series with the K-Aggies at Manhattan Saturday afternoon, 9 to 5. The concentrated stick work, along with costly errors by the Kansas crew brought about the victory.

Clair Sloan started on the mound for the Huskers, but was driven to the showers by Aggie batsmen. He was relieved by Ted Pickett, who had several weak moments in the ninth, but the Scottsbluff hurler pulled out of the holes, created by walks, to bring a Nebraska victory.

Dutch Witte and Jake Maser poled home runs for Nebraska and Nigro also made a circuit clout for the farmers.

## Nebraska Evens Up With K-Aggies, 9-5

The semi-finals of archery will be played Tuesday at 5 o'clock when Chi Omega plays Gamma Phi Beta for the right to enter the finals against Delta Gamma.

The deck tennis finals between Chi Omega and Delta Delta Delta will be played Monday night at 8 o'clock.

Monday night at 5 o'clock also sees another final played off when Dorm A plays Gamma Phi Beta for the baseball championship.

Golf and tennis are to be played off as soon as the bracket above and below have been played.
