N. U. DEBATERS MEET ENGLISH LAST EVENING

Democracy Is Subject of Argument in Temple Between Nations.

THOMPSON IS CHAIRMAN

Negative Side Upheld by Nebraska; Open Forum Follows Orations.

"Has the principle of democracy been tried and found wanting?" was the question before the house last night in the international debate between Nebraska university and the team from the English universities. The debate was held at the Temple theater.

The English team, consisting of B. J. Crehan of the University of Liverpool and D. Hope Elletson of Oxford university argued affirmatively while Nebraska, represented by Lloyd L. Pospishil and Alan G. Williams spoke in favor of democracy.

Presiding as chairman of the debate was Prof. T. J. Thompson, dean of student affairs at Nebraska.

General Discussion.

Following speeches of 10 minutes of constructive argument apiece and 6 minutes for each speaker in rebuttal, the question was thrown open to the house for general discussion in open forum. Questions asked by members of the audience were answered to the best ability of the debaters.

The striking feature of the English team, this year, as has been evident in the debates with English teams in the past, is their characteristic accent and their famous English with this is so predominant.

A large number of students from neighboring high schools who are interested in high school debate were present for the debate last evening and took an active part in (Continued on Page 2.)

FARMERS WILL STAGE ANNUAL BARNWARMING

Ag Executive Board Makes Final Plans Today For Nov. 7.

Checking of plans that have been prepared for Farmers Formal will occupy the attention of the Agricultural Executive board when it meets Tuesday afternoon, it was stated by Boyd Von Seggern, chairman of the board. Farmers Formal is the annual barnwarming which will be staged Nov. 7.

Presidents of the Home Economics club and Ag club will be called before the board to give reports regarding the progress that has been made relative to the formal dance event, the chairman added. It is the intention of the executive board to lend all possible aid in making the affair successful, Von Seggern asserted.

Social, Financial Success.

Records show that last year's formal was both a social and financial success. This was due to the co-operation of everyone in the college, figures on the agricultural campus claim.

Other business coming before the board this afternoon will include the setting of dates for mixers for which applications have already been made. Proposed changes in the constitution of the board will also be discussed.

Miss Pound Among Those To Congratulate Sievers

Miss Louise Pound of the department of English of the University of Nebraska has been asked by the Germanistic institute of the University of Leipzig to join the company of friends and admirers of Prof. Eduard Sievers of the University of Leipzig in sending him congratulations on the occasion of his eightieth birthday. The letters are to be written on a sheet of parchment which was forwarded with the invitation from the institute. They are to be "bound in an artistic volume and presented to Professor Sievers on the evening of Nov. 25."

Huskies, Panthers Mix for Fifth Time

Grid Battle Saturday Will Be No. 5 for Two Teams; First, in 1921, Was Only Nebraska Victory; Pitt Takes Two; One Is Scoreless Tie.

When Pittsburgh's Panthers trot out on the field Saturday afternoon it will be the fifth meeting of Nebraska and Pitt. In previous engagements the Panthers have won two, the Huskers one and the other was a scoreless tie.

The first Nebraska-Pittsburgh game was in 1921 when Glen Warner, famous Stanford coach was in charge of the Pittsburgh griders. This was the lone victory scored by Nebraska. After a lapse of five years the Nebraska team again journeyed to Pittsburgh, this time taking the short end of a 21 to 13 verdict in a spectacular game.

The last two years the Panthers have come west, the 1928 game being a scoreless tie and the Pittsburgh team winning last year, 12 to 7.

Resume of 1921.

A brief resume of the 1921 game follows:

The Pittsburgh team of 1921 was one of the strongest ever turned out of the Panther institute. Boasting Herb Stein, All-American center and a pair of All-American backs in Davies and Hewitt, the Smoky City team expected little trouble from the Cornhuskers. The final score of the game was:

10 to 0 Nebraska, the outcome leaving little doubt as to the superiority of the Nebraskans.

Nebraska's touchdown came late in the second quarter, a surprise pass, Hartley to Swanson, being good for sixty-three yards. Hartley kicked goal and the Scarlet led 7 to 0 at the half.

Drop Kick.

The Nebraska team carried the ball to Pitt's seven yard line in the fourth period but the Panthers held and Preston dropped kicked from the 13-yard mark to end the scoring of the afternoon.

Preston, Wright, Lowellen and Hartley performed in the backfield for Nebraska. The forward wall was made up of Swanson and Scherer, ends; Lyman and Weller, tackles; Pucelik and Berquist, guards and Peterson, center.

Edmonds Comments.

"I see no reason why a sophomore coming from some other school should be denied the privilege of entering activities," said Edwin Edmonds, business manager of the Cornhusker, Innocent, and member of the Kosmet Klub.

"Three year men, those who come here after only one year at some other school, are cut out of activities all through the university by the rule. They come as sophomores, cannot enter activities until they are juniors, and by that time it is too late to get started."

As for professionalism, Edmonds says that there isn't enough money in any of the activities to lure anyone to them for that purpose. In schools where the annual is a make all or lose all proposition there might be an opportunity for a professional to make a good thing financially out of it. However, at Nebraska this is impossible because the annual staff receives a specified salary.

Rathburn Opposes.

When interviewed upon her stand concerning the eligibility rule, Jean Rathburn, Nebraska coed, definitely announced her stand against the ruling.

"I cannot understand," stated (Continued on Page 3.)

KANSAS BEGINS PRIVATE QUERY SCHOOL CHARGES

Jayhawks Will Investigate 'Subsidized' Athletics On Q. T.

UNIVERSITY IS SHOCKED

Students, Faculty Stunned At Order Breaking Big Six Relations.

Facing ostracism from Big Six conference circles for alleged recruiting and subsidization of athletics, the University of Kansas Sunday commenced a "private investigation" of affairs as they now stand.

The order terminating athletic relations between Kansas and the five other conference schools at the end of the current scholastic year and prohibiting member schools from scheduling additional games with Kansas this year stunned the faculty and student body of the Jayhawk institution. To be reinstated, Kansas must initiate correction of the conditions declared illegal by the conference faculty council at the conclusion of Saturday's meeting in Columbia.

Impartial investigation. Chancellor E. H. Lindley of the University of Kansas in commenting upon the action asked for an impartial investigation by outside agencies. "The action of the faculty conference in the case of Kansas," Chancellor Lindley said, "was unexpected and drastic. It is certain the public will demand explicit evidence in justice of the situation."

"In view of reports concerning conditions elsewhere in the conference, it also is assumed that the faculty representatives with equal promptness voted to provide for a thorough investigation of the Big Six by impartial, outside agencies. Unfortunately the Big Six as yet has no machinery such as the Big Ten has found necessary, namely, a commissioner for the securing and sifting of evidence in this difficult field."

"Meanwhile, whether Kansas is (Continued on Page 3.)

MILITARY INSIGNIA CONTEST ANNOUNCED

Prizes Offered to Persons Presenting Best Collar Design, Motto.

ALL STUDENTS ELIGIBLE

Announcement of a completed plans for an insignia contest for the military department was made Monday by the officers of Scabbard and Blade, senior honorary military society. Two prizes of ten dollars each will be awarded in the contest, one to go to the student presenting the best design for a collar insignia for the cadet uniform, and the other for the best motto to be inscribed on a scroll on the insignia.

Considerable interest has been expressed in the prospect of the contest by various students and faculty members.

Oury Pleaded.

Lt. Colonel W. H. Oury, commandant of cadets, expressed satisfaction in regard to the plan. "The cadet regiment has been 'dressed up' this year with the new issue of uniforms," he said, "but a school collar ornament to balance the official R. O. T. C. emblem is lacking. Such a contest is encouraged by the military department and through the offering of the prizes by this group we feel as though a proper emblem will be obtained."

"An insignia for the unit at Nebraska affords an opportunity for talent to make an appearance and with the incentive of the prizes as well as the significance carried of the prizes by this group we feel will do this emblem and wear it for years to come, there should be (Continued on Page 3.)
