950 TICKETS FOR K. U. GAME SOLD; NEW RECORD SET

Selleck Advises Students to Buy Pasteboards by Wednesday.

TRAIN LEAVES SATURDAY

Departure Set for 5:30 A. M.; Return Scheduled At Midnight.

Students who want tickets for the Kansas-Nebraska gridiron clash at Lawrence, Kans., Saturday, must get them at once, John K. Selleck, student activities manager here, announced Monday. Out of the original 1,000 tickets which were sent here, more than 950 have been sold, a checkup revealed. Fifty more tickets were to have come last evening, bringing the total number available to somewhere in the neighborhood of 100. These are all that remain in the original section held for Nebraska. However, three or four hundred more tickets are expected here Wednesday morning. These will not be in the original section. Reserved until Wednesday.

These tickets will be reserved for students up to 5 o'clock Wednesday afternoon, Mr. Selleck said yesterday. After that time, they will be offered to the general public.

"The sale is far greater than was anticipated," Mr. Selleck said Monday. "In past years, never more than 300 tickets have been sold. The large demand this year indicates a greater interest in the game than ever before, I believe."

Train Leaves at 5:30. Most of the Nebraska delegation is expected to make the trip on the special student train sponsored by the university. The train will leave at 5:30 o'clock Saturday morning over the Union Pacific lines from the Burlington depot. Arrival in Lawrence is scheduled for 12 o'clock Saturday noon. SPIRIT HIGH AT MT. OREAD FOR HUSKER BATTLE

Homecoming Activities Start With Radio Rally Thursday.

JAYHAWKERS CONFIDENT

Student spirit is running high as the traditional battle with the Cornhuskers nears and general opinion on Mt. Oread is that the Jayhawkers will break the long-extended jinx the Huskers have held over them. Not since 1916 has Kansas turned in a victory over Nebraska and not since 1896 has it won on its own field.

Homecoming activities will begin with a radio rally Thursday evening from 10:15 to 10:45 over station WREN of Lawrence. The rally will follow the "Amos and Andy" program and is being arranged by a sub-committee of the homecoming committee and will include music, yells, and pep talks for the game.

Registration for returning alumni will begin at 2 o'clock Friday afternoon at the Union building. Registration will be in charge of members of the Women's Self Government association. The Union building is to be the headquarters for alumni during the week-end.

Two Hundred in Race. The law-medec scrap is to be renewed at 2:30 Friday afternoon when the football teams of Phi Alpha Delta and Phi Beta Pi meet in their annual clash in the stadium. During the game 200 entrants will start the annual two-mile intramural turkey run ending in the stadium.

Friday evening at 7 o'clock a brilliant display of fireworks will be fired from Mt. Oread. After the fireworks a fifteen minute rally will be conducted by Oz Rutledge, head cheerleader. At 9 o'clock the home-coming mixer will begin with the annual reception. At 10 o'clock Moon Ryan's campus band will play for the annual dance. Stunts and refreshments are included in the evening's program.

Coach in Charge.

Coach Brutus Hamilton will be in charge of the half-hour radio broadcast over KFCK at 8 o'clock Friday evening when campus personalities will give last minute news and views on homecoming and the big game.

Organized houses will compete again this year in house decoration contests and returning alumni and visitors will have the opportunity of viewing the decorations Friday night and Saturday. New campus decorations also are being prepared.

Saturday morning, registration for alumni will continue and group reunions will be held at various places on the campus. A reception for flying Jayhawkers at the municipal airport is also scheduled for Saturday morning.

KLUB TO PICK SKITS FOR SHOW THURSDAY

An unusual amount of good material has been found in the various acts competing for positions in the show, according to members of the reviewing staff. Composed of Bill McCleery, Carl Hahn, Ray Sabata, Ben Cowdry and Joe Alter, the staff has been making the rounds of all aspirants since the deadline last Tuesday.

CURTAIN ACTS PLANNED

Twelve acts by organizations and five individual curtain skits have been received in the show competition. All of these will have been reviewed, judged and graded by Wednesday afternoon when the final selection will be made.

Because of the excellent material discovered, the reviewing committee predicts an unusual presentation this year on Thanksgiving morning. Two orchestras have been secured for the show besides a well known master of ceremonies. Arrangements are being made for a theater and the various properties necessary to stage the revue.

Kosmet Klub will hold its regular meeting tonight at 9 o'clock in the club rooms, Annex building, and further details of the show will be discussed there. Figures for the months of September and October for the university correspondence school show a total of 242 pupils registered for 260 courses amounting to 675 hours. The total registration for October was 137, thirty-two more than in September.

Seven hundred and twenty-one hours were completed during September, mostly from those who had enrolled in the school during the summer months. Two hundred and two hours were completed in October. The leaders in the course for those two months were English with seventy-two, language with forty, education with thirty-two, and history with twenty enrolled.

Cornhuskers Given Big Sendoff in '25

Account in Daily Nebraskan Describes Rally Staged Before Battle With Illinois, Which Resulted in Victory for Scarlet and Cream.

Two cadet companies, the university band, and approximately 2,000 students saw the Cornhuskers of 1925 depart for Urbana, Ill., where they won a decisive victory in the opening game of that gridiron season. An account of the rally in The Daily Nebraskan of Oct. 2 said: "Best Illinois" was the slogan of more than 2,000 students who gathered at the pep rally held at the Burlington station yesterday afternoon to give the Cornhuskers a rousing send off on their trip to Urbana, where they will meet Illinois Saturday. The drizzling rain which fell through the afternoon failed to dampen the spirits of the crowd, which cheered, sang, and applauded speakers continuously and pointed in singing the "Scarlet and Cream" as the train left the station. Scattered Red Grange.

It was in this game that Coach Bearg and twenty-seven Nebraskans stopped Harold "Red" Grange, holding him scoreless on his home field for the first time of his college career. Nebraska not only stopped Illinois but ran over two touchdowns, winning by 14 to 0 score.

The Nebraska story continues: "We're going to win," remember that," said Coach Bearg, responding to the prolonged cheering which greeted the coach and Captain Weir as they boarded the train. "Determination and success was the keynote of the various speeches made by members of the squad: 'If determination will win we'll bring back the game.' Ed Weir announced in reply to the numerous demands from a speech. It seems evident that this pep and determination had the desired effect, for the Cornhuskers opened up that season with a glorious victory. Rally Starts Early.

Describing the rally the paper said: "The pep rally started at 4 o'clock at the Armory. Led by the university band and companies G and H about 1,000 students marched down O street to the station. Several hundred students followed in cars and along the sidewalks. Others were already at the station." Plans are being made for a send off rally on Thursday afternoon at which time 1930 Cornhuskers will entrain for Lawrence for the crucial game with Kansas university Saturday. It is hoped that a similar display of Cornhusker spirit will manifest itself at this rally, as was shown for the 1925 Cornhuskers when they left for the Illinois game.

The Cornhusker football team will leave over the Union Pacific from the Burlington depot at 5 o'clock Thursday afternoon for Lawrence to renew an ancient rivalry with the University of Kansas Jayhawks. The struggle has added significance this year in that Kansas has virtually withdrawn from the Big Six conference.

Hope to Make History. "We hope to make this the greatest sendoff rally in Cornhusker history," Carl Hahn told The Daily Nebraskan. "That will be some achievement if we recall those pep sessions before Notre Dame, Pittsburgh and away from home Missouri games." The entire student body led by the cadet regiment will march down to the depot. Notices have been given by the military department for all cadets to be in uniform at 4 o'clock Thursday afternoon. The band will lead the procession, which will start at the drill field. A short speaking program will probably be arranged, according to Hahn.

HOAG DOWNS MARIO IN TENNIS TOURNAY

Holder of Two Titles Gets Third; Wins Straight Sets, 6-2, 6-3, 6-3.

Art Hoag added the title "All University tennis champion of the University of Nebraska" to those of "state junior singles champion" and a half interest in "state junior doubles champion" when he defeated Roberto Mario at the Lincoln Tennis club Sunday afternoon. The sets ran 6-2, 6-3, 6-3. As a bystander remarked, it was not that Mario played poorly but that Hoag played his usual extraordinary game. Mario's powerful left hand drive is always a threat but left Hoag unperturbed. The junior champion can drive or chop as the occasion dictates and mixed his placements too adroitly for the Philippine lad. Hoag, who is a freshman, will not be eligible for varsity until next year. Mario is considered a favorable prospect to fill the vacancy on the first squad. A gold medal goes to Hoag and a silver one to Mario.
