

BROWNE POINTS YEARLINGS FOR TIGER CONTEST

Nebraska Frosh Scheduled Meet Missouri Youngsters Saturday.

HUSKERS DOPED TO WIN

Sauer, Bauer, Masterson and Boswell Likely to Start in Backfield.

Coach W. H. Browne drove his freshman squad hard last night in preparation for the coming battle with the Missouri Tiger cubs next Saturday. The squad spent most of the evening drilling on offense although putting some time on defense. Two teams of freshmen scrimmaged against each other.

Coach Browne indicated that his probable starting lineup against Missouri would consist of Wolcott and Kilbourne, ends; O'Brien and Schmitt, tackles; Bishop and Holmbeck, guards; Jones, center, and Bauer, Sauer, Masterson and Boswell in the backfield. This combination was clicking off good yardage against the second team and is the likely team to get the choice in Saturday's game.

The second team lineup included Armstrong and Pitzer, ends; Scoggin and Austin, tackles; Justice and DeBus, guards; Prestegard, center, with Overstreet, LaBounty, Norwood and Minnick in the backfield.

Nebraska will enter the game doped to win because of their 26 to 7 victory over the Oklahoma freshmen. Missouri lost a game to the Kansas yearlings a few weeks ago, taking a sound trouncing, 43 to 7. The Nebraskans defeated Missouri last year at Memorial stadium 20 to 0 in a mud battle.

The squad will leave Lincoln Friday evening at 5:30 for Columbia, arriving in the Missouri city at 7:30 the next morning. They will leave Columbia Saturday evening after the game at 9:20 and will arrive in Lincoln at 5:10 Sunday afternoon.

Coach Browne said Wednesday that the entire squad to make the trip has not yet been chosen, but that all men who are eligible and who are on the first squad will likely make the trip.

SOCCER SEMI-FINALS WON BY PI K A TEAM

Sig Eps, Outclassed by Opposition, Get Short End 2-0 Score.

Pi Kappa Alpha won over Sigma Phi Epsilon in the semi-finals of the inter-fraternity soccer championship by a score of 2-0. Delta Sigma Phi is to meet Sigma Alpha Epsilon in the other semi-final match.

Pi Kappa Alpha clearly outplayed the Sig Eps and kept the ball deep in Sig Ep territory most of the time. The game was fast and the teams were well matched. Pi K. A. scored first in the middle of the second quarter when Stump speed kicked, booted the ball through the cross bars. The team tallied again in the latter part of the final quarter when Kellee put through a long shot.

The Sig Eps threatened to score on several occasions but the goal guarding of Richards was too much for them and they were not able to get the ball through the bars.

The Roster

Pi Kappa Alpha	Sigma Phi Epsilon
Stump	Decker
Kellee	Fair
Lindell	Johnson
Kellee	Johnson
Best	Johnson
Montgomery	Wells
Jorgensen	Wells
Farnstock	Eymon
Richards	Elliott

K. U. Swimmers Start Preliminary Training

LAWRENCE, Kans.—Preliminary practice of the K. U. swimming team is progressing under direction of Coach Herbert Allphin. Veterans of last year's competition now out are John Bowdish, Wichita; Hisaoi Aoki, Honolulu; Clark Stephenson, Augusta; George Marshall, Lawrence; and Roger Kruse, Kansas City, Mo. Newer candidates are Pastor Echaavey of the Philippine Islands; Robert Dill, Lawrence; Kenneth Hart, Kansas City, Kas.; and Winfield Duncan, Kansas City, Mo.

LIVESTOCK MEN WILL CONVENE ON NOV. 15

Annual Roundup of Buyers On 'Omaha Day' to Attract 350.

Omaha day, the twenty-sixth annual round up of livestock men from the metropolitan area, is to take place Nov. 15. Approximately 350 stockmen will meet on the college of agriculture campus that day.

Beginning with a parade shortly after 9 o'clock Saturday morning, the Omahans will file up O street to Fifteenth street and then take cars to the agricultural college. The Omaha South high school band will play.

A luncheon will be served at noon in the student activities building. A. D. Weber, of the animal husbandry department, has charge of all entertainment for the event.

Following the luncheon the group will attend the Missouri-Nebraska football game, it was said today.

The Benchwarmer by Gay Craig

The wolves are on Kansas! Leslie Edmonds, the first writer to speak of the trouble in which Kansas was recently involved, has come forth with the statement that the only way Kansas can clear up things is to denounce "Phog" Allen. He bases his assertion in authority from certain Big Six members and it certainly appears as though Kansas will have to do something drastic.

Missouri, in announcing its 1931 schedule, stated that it would carry Kansas on the schedule pending action by the Big Six. Nebraska and one or two other schools have already dropped the Jayhawks from their next year's schedule. Nothing definite can be done until the conference has its meeting next month at which time some definite action will be taken. Kansas might be well off to note the difficulty Iowa encountered in a like argument—they haven't had such a wonderful season.

Why not build tents for the Osage Indians out of the field covering the athletic department purchased at the beginning of the year? In this period of hard times there must surely be some poor soul who does not have a home. But it is true that a stitch in time will save a lot of embarrassment—according to Aesop—and the covering may come in for a little use yet.

It really would be nice if some obliging soul could arrange for a little rain or snow this week and so the authorities may feel they have not entirely wasted the money spent on this covering. It has been spread each night before a home game but so far this year there has been no need for it.

Announcement that the university swimming team has started training may cause some people to wonder. For the information of the ignorant—the swimming team trains in the Y. M. C. A. pool.

Nebraska athletic authorities have seen fit to buy field covers and what not rather than invest the money in a swimming pool which would be a benefit to many more than any such field cover would. A space was provided in the coliseum for such a pool but so far it has not been used.

Swimming is acknowledged to be one of the most healthful sports. Why, then, does not the school come to life and see if something cannot be done about this pool?

The swimming team is forced to do its training in a two-by-four pool which is entirely inadequate. Many students are forced to go without their regular weekly baths and still others are denied the pleasure of a swim for exercise. This appeal is to the authorities—if you have any more money that is loose why not sink it in a swimming pool?

Another side has been presented to the controversy connected with the new system of awarding "N"s to Nebraska athletes.

If the idea is to make the athlete work harder to gain the major letter, what about the games along toward the end of the season when he realizes he cannot possibly make his major letter but has a minor letter clinched? Of course he could not have it for sure because of the committee which would consider conduct, but he would be fairly certain if he made a half-hearted attempt to work out.

One of these men might be sent into a game and realize that he had absolutely no chance of making a major letter as it might be one of the last games. In a case like this the man would have nothing to push him on and would not fight as he should.

This idea of placing the letter awards on a higher plane is fine. But at the same time there is the danger of limiting the letters awarded to such an extent that men will feel they have no chance to letter after the varsity has been selected.

This may do more harm than good, as it is often the case that good men do not "show their stuff" until the season is well under way.

DEADLINE ON HUSKER PHOTOS APPROACHES

Staff Urges Students to Report Soon to Avoid Last Minute Rush.

Only ten days remain during which pictures may be taken at Hauck's or Townsend's studios for the junior, senior, fraternity and sorority sections of the 1931 Cornhusker.

According to Kenneth Gammill, editor of the book, there has been a noticeable decrease in the number of students reporting for pictures during the early part of the week. "In consideration of the number of students who desire pictures for the annual there is apt to be a distressing last minute rush unless a large number of people are photographed during the remainder of the week," he said.

"The Cornhusker staff hopes it may be able to avoid a last minute rush," the editor pointed out, "for when this occurs the result is that many poor photos are turned out due to the lack of time. Naturally, each student who gets a picture taken for the yearbook wants it to be a good one, just as much as we do, and for this reason we hope there will be no delay from now on."

The time limit for picture taking has been set as Nov. 25 by the downtown studios which are handling the Cornhusker contract. Due to the Christmas rush which begins usually about the first of December, the photographers will be forced to give their time from then on to Lincoln townspeople.

NUBBINS SQUAD SCORES AGAINST HUSKER VARSITY

Accomplish Feat in Which Pitt, Kansas Failed; Marrow, Paul Lead.

TEAM GETS PASS DRILL

Buster Long, Greenberg Out of Suit, But Expected To Play Saturday.

By MURLIN SPENCER. A spirited, hard hitting Nubbins team gave the Cornhusker varsity a few lessons in offense Wednesday night as the Huskers continued preparations for the Missouri invasion Saturday.

Taking the ball on the 30-yard line, Paul and Marrow carried the ball in straight downs for a touchdown. Marrow kicked goal for the extra point. In scoring, the Nubbins accomplished something which both Kansas and Pittsburgh failed to do—broke through the tight Nebraska defense within the 5-yard line.

The varsity then took the ball, and with Young carrying the brunt of the attack, scored three touchdowns in rapid succession. The first team, composed of Prucka and Hofik, ends; Rhee and Broadstone, tackles; Koster and Justice, guards; Ely, center; with a backfield of Mathis, Frahm, Kreizinger and Young, were taken up to the practice field for work on passing.

Second Team Takes Field. The second team that took the field for the varsity was made up of Durkee and Byrnes, ends; Eno and Kroger, tackles; Gartner and Adams, guards; McPherson, center; with Marley, Packer, Perry and Nelson in the backfield.

The Nubbins team was composed of Hulbert and Holtzendorf, ends; Hartman and Kariakoz, tackles; Loeffel and Rosen, guards; McPherson, center; with Paul, Marrow, Miller and Rough making up the backfield.

Buster Long, varsity fullback, was not in suit last night due to an infected tooth resulting from a kick suffered in the Kansas game last week. He will probably be ready for action against Missouri, however.

Greenberg Gets Rest. "Chick" Justice was in Greenberg's place Wednesday night. Greenberg, who has seen most of the action all year, will be given a rest this week if possible. Lee Penny, Sidney, Iowa, has been looking good in workouts.

Capt. Maynard Spear, 213 pound left tackle of the Iowa State Cyclones, will play his last game Saturday against the Kansas Aggies. Spear has played every minute of every game this year, his best performance being against Kansas.

this week and may see action Saturday.

Paul and Marrow looked good for the Nubbins in the practice last night, getting away for several good runs, and tackling in great style.

Weight About Even. Reports from the Nebraska and Missouri strongholds show that both teams will be fairly even in weight, with both teams having a light backfield. This is the first time this year that the Nebraska backs have not been outweighed, and Nebraska fans can look forward to a fast game.

Coach D. X. Bible is working his men hard for the coming tilt. Advice from Missouri show that the Cornhuskers may expect a hard game Saturday, in spite of the poor showing made by the Tigers in their early games.

ALLEN DECLARES BIG SIX AGAINST WORKING ATHLETE

LAWRENCE, Kas.—The Big Six conference has shown itself unfavorable to the student who works his way through school by its recent activities," according to Dr. F. C. "Phog" Allen, director of physical education, in an address before the student body of Kansas university, at a rally before the Nebraska game.

Dr. Allen further declared that it was no dishonor for a man to work through college and to play football at the same time. "The Amer' n standard is considerable different from the English standard whereby 'gentlemen' of independent means only are considered eligible to take part in English sports," he said.

SPEEDBALL TITLE GOES TO PHI MUS

Defeat Gamma Phis 6-5 by Score Made in Last Minute of Play.

GAME IS HARD FOUGHT

Phi Mu is the winner of the women's speedball tournament by virtue of its 6 to 5 win last night from the Gamma Phi Beta team. The game was a hard, fast contest, both teams playing their best.

Phi Mu won the toss and elected to kick. Dorothy Charleson with a short lifted kick to Harriett Cruze, started their passing attack which resulted in the Gamma Phi's getting a free kick. The Phi Mu's again took the ball to their goal by a pass, Martha Sterriker to Harriett Cruze, they opened the scoring. Gamma Phi kicked to the Phi Mu's who took the ball right down to the goal for two more points. The score then stood 4 to 0. Gamma Phi Beta took time out.

Herma Beckman and Alice Buffett of the Gamma Phi team almost made a goal by passing. The quarter ended 4 to 0. The second quarter the ball remained in the center of the field most of the time. Harriett Cruze and Dorothy Charleson started their passing, which was broken by Alice Buffett. Many of the passes did not reach the person intended, being intercepted by members of the other team. This quarter proved to be more even because of the close guarding of the Gamma Phi's. The score remained the same at the end of the quarter, 4 to 0.

Gamma Phi Come Back. Gamma Phi Beta, evidently rested from the half, began a passing attack which resulted in their first score when Herma Beckman passed to Alice Buffett for two points. After the kick at center they again went down the field and this time Alice Buffett kicked the ball through the goal posts for three points, putting them one point ahead of the Phi Mu's.

Phi Mu made a substitution at the beginning of the fourth quarter. Most of the playing was around the Gamma Phi goal, but they were unable to make good any of the attempts to score. The Phi Mu's managed to get the ball almost down to their goal but the Gamma Phi backfield kept it out of dangerous territory. In the last minute of play when it looked as if the Gamma Phi's were the winners, the Phi Mu's made a drive toward their goal, and with a pass, Jeanette Moseman to Harriett Cruze, they won the game by one point. The score was 6 to 5.

ACCIDENT TOTAL IN NEBRASKA SPORT 26

From the latest report of the Nebraska Press association, covering a two week period ending November 4, 1930, twenty-six accidents in Nebraska's sport world have occurred. Out of the twenty-six, sixteen were fractures and dislocations resulting from playing football.

This is small in comparison with fifteen deaths and 228 injuries resulting from auto casualties.

JAYHAWKS LOOK TO TILT WITH SOONERS

Hargiss Stresses Pass Defense as Charges go Through Workouts.

LAWRENCE, Kans.—After two days of rest, the University of Kansas football squad settled down to hard drill for its last home game, that with Oklahoma here Saturday.

Coach Hargiss paid especial attention to pass defensive work, with a little time for chalk talk and dummy scrimmage. The Oklahomans are said to have a chain-lightning backfield, and are leading the conference this season.

They have defeated Ames, Nebraska and the K-Aggies and have only the Kansas game this week and Missouri on Thanksgiving day left. The Sooners lost only one non-conference game, that to Texas.

The Oklahomans are coached by Adrian Lindsey, a Kansas graduate, and captain of the last Kansas team to defeat Nebraska—way back in history.

The occasion is Dad's day and after the game a dinner will be given visiting parents of K. U. students.

VETERAN SWIMMERS BACK AT IOWA STATE

Cyclones Hoping for Title Winning Team; Have Big Schedule.

AMES, Ia.—With nine letter winners and a half dozen promising sophomores to choose from, Coach C. E. Daubert is hopeful of taking the Big Six swimming championship with his Cyclone paddlers this year. Last season the Cornhuskers barely nosed out the Cyclones for first place.

The five lettermen are Fleig, Fraser, Unser, Weld and Petsch. Weld forced Mockler of Nebraska to set a new record in order to win the back stroke event at the conference meet. Unser, competing his third year, has been one of the best sprinters in the conference.

In addition, Coach Daubert has four minor lettermen who were point winners in their respective events last year, and several fast sophomores from last year's freshman team. Lowder and Sands have turned in better than record time in the sprint and breast stroke events, respectively.

The swimming schedule is not complete to date, but it will include duals with conference members, with Drake and Grinnell in all probability, and the Big Six meet.
