

# CINDER ARTISTS BEGIN WORKOUTS UNDER STADIUM

Schultemen Will Attempt  
to Bring Back Big  
Six Crown.

14 LETTERMEN RETURN

Squad Looks to Be One of  
Strongest Ever to  
Represent Uni.

Coach Henry F. Schulte and his squad of cinder artists have already started their work under the stadium in their effort to bring the Big Six track crown back to the Cornhusker institution. Nebraska was barely nosed out of the conference meet last year through the activities of Big Jim Bausch and his cohorts from Kansas.

It does not appear likely that Kansas will appear on the 1931 track schedule for Nebraska due to the recent dispute over the status of the Jayhawkers in the Big Six, so Coach Schulte and his men may be denied the chance for revenge.

**Lettermen Back.**  
Approximately fourteen lettermen from last year's track squad have been working out on the indoor track under the east stadium and the squad gives promise of being one of the strongest to ever represent the Cornhusker institution. The men who were on the varsity squad last year and have returned to school are Smutney, Neurenberger, Garvey, Seger, Lamson, Petz, White, Rogers, Rhea, Hokuf, Faytinger, Tomson, Gray and Craig.

Several of the returning men were ranked with the best in the country last season and should do even greater things in the year to come. Willis Lamson, one of the greatest hurdlers to ever wear the scarlet and cream, was handicapped last year by a broken bone in his arm which hampered his training the early part of the season. Lamson is back this year and judging from early workouts this last year should be the most successful season of competition he has ever seen.

**Outstanding Men.**  
Other outstanding men in their events are Hugh Rhea and Cobie Tomson. Rhea won the junior championship at the A. A. U. meet this summer and placed well up in all the large relay meets last year. Tomson is the present holder of the Big Six record in the broad jump.

The loss of Bill Ossian, Louis Etherton, Griffin, Fulrodt and Ostergaard will be keenly felt this year. Ossian was one of the outstanding vaulters in the conference. Etherton and Griffin will be missed keenly in the distance races and Fulrodt and Ostergaard were sure point winners in the middle distance races.

Among the new men who were members of the freshman squad last year, Coach Schulte hopes to recruit the material to rebuild the gaps left by graduation. Jerry Lee and Ward Snow are probably the two most outstanding men who will be available from last year's frosh squad. Lee and Snow are both good sprinters, while the former has also shown a good deal

of ability in field events. Stanb, England, Morrow, LeDoyt, Mathis and the Carroll twins are other men who will put in a bid for the varsity squad this spring.

The Brilliancy of Formal Hours

SLIM silhouettes of even hemline are important. Demure, dignified or dashing, with fur trimming and new versions of the "camisole" and "Bertha" neckline high-lighted. Glimmering panne satins and velvets are exceptionally smart, and there's a goodly amount of beading, sequins and metal embroidery.
