## WILDCATS SIGNED FOR TILT OCT. 3

**Biblemen to Open Northwestern Schedule at Evanston; One Date Still Left Blank; May Be Filled With 'Breather' to Give Team Rest.**

**WILL BE SECOND GAME BETWEEN TWO SCHOOLS**

**Scarlet and Cream Tangled With Purple in 1902; Wrestling, Baseball, Swimming, Tennis Slates For Rest of Year Are Announced.**

Announcement by Herbert D. Gish, athletic director of the University of Nebraska, of completion of arrangements for a football game with Northwestern university in Evanston Oct. 3, next year, leaves but one open date on the Huskers' 1931 football schedule. Gish made the announcement of the arrangements for the game Friday night in Kansas City where he is attending a meeting of the Big Six representatives.

Although the contract, which was made by telephone, was for only one year, according to Gish, the hope is that the scheduling of the game would be the beginning of a friendly rivalry which will continue for years. "Trug" Wilson, former Drake mentor and at present athletic director at Northwestern, and Mr. Gish made the plans for the game. Gish stated that Nebraska was happy to get the game, which will open the Wildcat's schedule.

**Needs One More.**  
In making the announcement Gish declared that he hoped to be able to make an announcement Saturday of a game which will fill the Nebraska schedule. The game will be a home game in the nature of a breather and will be played either Sept. 26 or Oct. 17.

The game will be the second Husker-Wildcat mix in the history of the two schools. Coach Bummy Booth's 1902 team defeated the Purple in a Thanksgiving scrimmage 12 to 0. Coach Booth's team that year was undefeated and the Husker goal line was uncrossed.

**Must Get Permission.**  
With the readmission of Kansas to the Big Six Friday and the scheduling of a game with the Jayhawkers for Oct. 24 at Lin-

coln, and with negotiations under way for an early season game, Nebraska must again obtain permission of the conference athletic committee to play nine games during the season.

The athletic directors recommended that the conference outdoor track and field meet be held in Lincoln, May 21 and 22. They also recommended that the indoor meet be held March 7 at Columbia, Mo.

## THREE CHAMPS AT IOWA STATE OUT FOR WRESTLING

OMES, Iowa.—Of the 130 men who have reported for varsity and freshman wrestling at Iowa State college, two were all state champions in their respective weights last year and one is a national champion.

Roland Lee Lille, who was state champion, in the 105 pound class last year, has reported for the grappling sport. He has gained enough weight to wrestle in the 118 pound division. Ruggles is trying out for the 145 pound berth on the frosh squad.

Both men, as well as the varsity regulars, will be seen in competition during the fall tourney which is being held next week in the new wrestling quarters under the stadium.

## K-AGGIE CAGE TEAM PREPARES FOR YEAR

**15 Report as Coach Corsaut Calls First Workout; 7 Vets Back.**

MANHATTAN, Kas.—The 1930-31 Aggie basketball campaign was officially opened here Monday with fifteen men reporting to Coach Corsaut for the initial workout.

Two veterans, Capt. Alex Nigro, Kansas City, Mo., and Pete Fairbanks, Topeka, were not able to take part in the first practice because of injuries received in football.

Nigro has injured his shoulder which may keep him out of play for a month, and Fairbanks will be unable to practice for about two weeks because of an infected finger.

With just two weeks before they meet Washington university at St. Louis, Coach Corsaut's immediate problem will be to find capable men to fill the positions left vacant through the graduation of Clem Richardson, all-conference guard, Ray Russell, forward, Kermit Silverwood, forward, and Hoxie Freeman, guard and center.

The Aggie roster will include seven lettermen and ten sophomores of more than ordinary ability.

## PHOG ALLEN STARTS BASKETBALL DRILLS

**Jayhawk Coach Gives Squad Training Designed to Smooth Out Play.**

LAWRENCE, Kas.—With basketball under way at the University of Kansas, Coach "Phog" Allen is devoting the pre-season practices to the various departments of the game to overcome dribbling difficulties, awkward floor maneuvers, and basket shooting troubles that squads experience at the start of a season.

A light scrimmage between members of the squad, the first scrimmage of the season, was held the middle of the week. The men who played with the blue team were Page, Cox, W. Johnson, O'Leary, Bishop, Hale, Skinner, Kraemer, K. Johnson, Ramsey, Ransom. The members of the red team which was made up of new men were Coen, Hipp, Mills, Phillips and Filkin.

Tom Bishop, all Big Six forward last year, again most likely will hold down one of the forward positions. O'Leary, Ramsey, Skinner and Kraemer will fight it out for the other forward position with the possibility of a new man slipping in after the season has progressed.

## DECKER SINGS AS GUEST ARTIST AT KIWANIS MEETING

Hermann T. Decker, instructor in the theory of music in the school of fine arts, sang at the presentation of the Lincoln Kiwanis club's medal for distinguished service. The ceremony was performed at a luncheon Friday noon in the chamber of commerce.

The medal is awarded for the most outstanding service of a general nature. This year it went to Luther North, of Columbus, Neb., in recognition of his pioneering. The president of the Union Pacific Railway came to Lincoln especially for the presentation.

Mr. Decker sang two numbers. They were: "My Heart's in the Highlands" by Jensen, and "Friend of Mine" by Sanderson.

## First Typhoid Patient In Ten Years Released

The first University of Nebraska student to have typhoid fever since the student health service was organized ten years ago has just been released from the university infirmary, according to Dean R. A. Lyman.

All people who had been in contact with the student were inoculated for the malady. None has shown symptoms of typhoid fever over a period of two weeks. Dr. Lyman believes that the infected student contracted the disease while home for a week end some time ago.

Sigma Eta Chi, Gamma Phi Beta, and Delta Gamma has progressed farthest in Germany and Austria, according to Dr. Waite, the English system is quite superior. He believes that the German and Austrian systems of having physicians under the direct control of the government has pushed the social medicine program too far. He regards with favor the English plan in which policy is formulated not by the government but by the physicians themselves.

## HASTINGS AWARDED PREP CAGE TOURNAY

**\$3,000 Guarantee Reason For Moving Scene From University.**

Hastings was awarded the Nebraska state high school basketball tournament by the board of control, in a meeting Saturday morning. A \$3,000 guarantee, offered by Hastings, was primarily responsible for the change in location.

Lincoln, after being the home of the tourney for the last several years, will in all probability be allowed a district tournament.

The Omaha schools, who have been absent from several of the past tournaments, have been granted two optional methods of entering this year's play. Omaha principals are to meet Monday to consider the two plans, and decide whether an Omaha team will enter the play at Hastings.

## WAITE DESCRIBES SOCIAL MEDICINE PLANS IN EUROPE

"Impressions on Social Medicine in Europe," was the subject of the talk Dr. H. H. Waite gave before the Lancaster Medical club last week. With a number of others interested in public health work, Dr. Waite went to Europe last summer visiting centers of medicine in England, Austria, Germany and France.

While social medicine has progressed farthest in Germany and Austria, according to Dr. Waite, the English system is quite superior. He believes that the German and Austrian systems of having physicians under the direct control of the government has pushed the social medicine program too far. He regards with favor the English plan in which policy is formulated not by the government but by the physicians themselves.

## FARM CAGE QUINT TO OPEN SCHEDULE SOON

**Short Course Stars Will Play Raymond in First Contest.**

Coach Otto Dillon of the farm operator basketball team at the agricultural college announced this morning that the Nebraska farm boys' quintet would open the season next week at Raymond against the town team. Members of Dillon's team are boys enrolled in the short course at the college. Most of them have had high school basketball experience.

A schedule of twenty games has been arranged for the short course boys, according to Dillon. High schools, town teams, and college teams appear on it. The short course boys will meet the agricultural college in two games during the season.

With a squad of nearly fifty boys out, Coach Dillon has plenty of material from which to pick his five. He indicated in practices Friday that his starting lineup against Raymond would find Ralph Wilhelm, Dunbar, and Corwin Shipherd, Nora, at the guards; Harvey Gall of Eustis at center and Joy Schreiner, Dunbar, and Gerald Dority of Shelton at the forwards. Others slated to see action in the opener include Paul Jones of Salem and Roy Grey of Ceresco.

Lincoln, after being the home of the tourney for the last several years, will in all probability be allowed a district tournament.
