

SOUTHERN JAUNT LEAVES ITS MARK ON CORNHUSKERS

Hokuf and Maclay Are Out; Conklin Being Groomed For Center.

PLAY DRAKE SATURDAY

Varsity Has Long Workout Wednesday; Topped by Tilt With Frosh.

The victorious jaunt of Coach Charley Black's Cornhuskers into the southern part of the conference last week is taking its toll in the ranks of the Nebraska varsity.

Don Maclay, center, is out temporarily with a sprained wrist. He is expected to be in shape for the Drake game Saturday.

Steve Hokuf, varsity guard, is also showing the effects of the trip. Blistered feet are the cause of his failure to report for practice last night.

The Cornhuskers took a long workout Wednesday, topping the drill off with a snappy scrimmage with Coach Browne's freshmen.

JAYHAWKS JOURNEY TO AMES FOR NEXT GAME

Defeat by Cornhusker Cage Squad First on T. S. Year's Schedule.

LAWRENCE, Kans.—After two slip and tuck games, the Kansas basketball team goes to Ames to meet the Iowa State team Thursday evening.

Saturday night, in a game in which the lead changed nine times, Kansas defeated K-Aggies at Manhattan in a whirlwind finish 37 to 29.

Monday night at Lawrence, Kansas lost to Nebraska in a hectic, overtime game, the first on the local court in several years.

Of the forty-one games previously played with Iowa State, Kansas has won thirty-six, with a total of 1288 points to Ames' 841.

Records Hung Up in R.O.T.C. Track Meets Are Falling Like Rain Drops In Cloud Burst in This Year's Meet

Ralph Rodgers Sets New Time of 29.7 for 256 Yard Dash; Orlin Dean Vaults 1 Foot, 1 Inch Higher Than Bill Ossian's Mark.

By ART MITCHELL.

Nebraska should have a record smashing track team in a year or two, if record breaking performances in the inter-company military meet now going on are any criterion.

The meet is now in its third week, and marks hung up in past years have been falling faster than raindrops in a cloud-burst.

So proficient have R. O. T. C. runners become that 1.1 seconds have been slashed off the old time for this event. Ralph Rodgers, varsity track man, holds the new mark, with a time of 29.7 seconds.

The old record of 30.8 seconds was held by Jerry Lee, last year. Other men who have fractured the old mark and their times: Staab, :30.7 England, :30.3; Wilhelm, :30.7.

Hurdle Records Broken. Last week the military athletes hurled the marks in 50-yard hurdles and pole vault, with the result that a new record was hung up in the former.

Orlin Dean turned in the best performance in the pole vault when he cleared the bar at 11 feet 4 inches, despite the fact that he was handicapped by a military suit. The record formerly was a foot and an inch lower, 10 feet 3 inches, and belonged to W. W. "Bill" Ossian, who left the Husker school by the graduate route last spring.

The Cornhuskers took a long workout Wednesday, topping the drill off with a snappy scrimmage with Coach Browne's freshmen.

JUST how bad Don Maclay's wrist will turn out to be is one of the big problems which is worrying Charley Black at the present time. While the star center's injury did not appear to be very serious, there is no telling how it may turn out and an injury to the Auburn flash at this stage of the game would hurt the Huskers badly.

The fact that Drake is coming here this week end may prove a big break in favor of Nebraska as the Drake team will furnish plenty of opposition and at the same time give the reserves a chance.

The last two conference games have been so tough that Black has been forced to use his regular lineup throughout the entire forty minutes of play. This has worked a hardship on the men and also the reserve material as it has not had a chance to develop.

THE men in favor of this compulsory drill may think that it teaches orderliness, courtesy, etc., but the track meet through which the "kaydets" are sent yearly is one mistake, it would seem.

They take men out on the track who are not in condition for such competition and send them through a string of events, attired in their drill uniforms. The men are not given a chance to warm up thoroughly before they start the various races and consequently have to run "cold."

Now any coach in the world will tell you that an athlete can not do his best when he is not warmed up and there is the added risk of pulling a muscle.

TRUE enough, when a man is known to have ability and is given a chance to make a good mark, he is given a little time to run around and get ready for the race.

But the average man is shoved into his race or forced to jump or whatever the event may be and is not given a bit of time to get ready for it. They merely line the men up and away they go as those in charge are anxious to get the work out of the way.

Take this 256-yard run for instance. No man who is not in condition can expect to go out and frolic around the indoor track as fast as he can go and not have some bad result.

MANY of the men get sick. Others feel as though they had been run through a mill. Only the men who are working out for track regularly come through the event without feeling some bad effect.

In the low hurdles, to take another event, the man has not been naturally form a significant portion of the student body from the political standpoint.
