

# Husker Coaching Staff is Completely Realigned

## GISH ANNOUNCES POSITION SHIFTS

Changes Recommended By Head Coach D. X. Bible And Approved By Athletic Board Yesterday: Entire Present Staff Maintained.

### SHAKEUP IS CAUSED BY OAKES' RESIGNATION

Coach H. W. Browne Is Promoted To Assistant Varsity Coach After One Year's Freshmen Work: Bill Day Also Made Assistant.

Complete realignment in Nebraska's coaching staff was announced yesterday by H. D. Gish, director of athletics. Although all members of the present staff were retained, most of them were shifted to new positions. The changes were recommended by D. X. Bible, head coach, and were approved by the athletic board.

The move of changing the staff was necessitated by the resignation of head line coach "Bunny" Oakes who will leave in June to take over the head coaching reins at Montana university. Oakes will be here to help Coach Bible with spring football practice which will start March 20.

**New Appointments.**  
The new appointments: Assistant varsity coach—H. W. Browne. Assistant varsity coach—Bill Day. Head scout and nubbins coach—Capt. R. G. Lehman.

Head freshman coach—Edwin Weir. Advisory coach—Henry F. Schulte. General assistant coach—Charles Black. Coach Browne, former Lincoln high mentor was promoted after one year's work with the freshmen. He will continue as freshman basket ball coach and varsity baseball coach. Bill Day will assist Bible with the first string after spending last season coaching the nubbins. Lehman will take the nubbins squad and will continue as assistant wrestling coach.

**Schulte Advisory Coach.**  
Coach "Indian" Schulte, who many had suggested as a successor to "Bunny" Oakes will continue as an advisory coach. He has served in this capacity for some time and has been instrumental in Husker successes on the gridiron.

Basket ball coach Charley Black will continue as head cage coach but will assist on both the nubbins and freshman football squad.

### KANSAS TANKMEN TRAIN HARD FOR BIG SIX SESSION

LAWRENCE, Kan.—The University of Kansas swimming team under the direction of Coach Herbert Alphin is settling down to intensive practice for the Kansas Aggie dual meet to be held Feb. 21 at Manhattan and the Big Six meet which will be March 14 at the Kansas City athletic club. Kansas has won its three dual meets this far this season, each day by the score of 57 to 27.

For the first time each school in the Big Six will be represented by a team in the Big Six meet and Iowa State, defending champions will be given plenty of competition by the other schools.

Several university graduates are applicants for the job of hangman at Prague, which may be a hint to some thoroughly modern universities to establish a course in hangmanship.

A large, up-to-date cafeteria, ample kitchens, and small and large dining rooms for club dinners would be provided in a student union building.

### HUSKER COACHING STAFF REVISED

W. H. BROWNE.

BILL DAY.

ED WEIR.

These members of the Nebraska coaching staff figured in the re-vamping of the department made necessary by the departure of B. F. Oakes, new head coach at Montana U.

There will be no designations of line coach, backfield coach, etc., all of Coach Bible's staff being assistant coaches.

### BLACK LIMITS TEAM TO LIGHT WORKOUT

Davey, Fisher, Don Maclay, Hokuf and Koster Will Start.

Charley Black restricted his first string basketballers to exercise in offense plays and practice in locating the center of the iron hoop Thursday evening. A light limbering up workout is on the program for this afternoon.

The starting lineup Saturday night will probably find Seldon Davey and Morris Fisher taking the tip from Don Maclay while George Koster and Steve Hokuf guard the Husker goal. This Cornhusker five conquered a four point lead at the half time earlier in the season down in Lawrence and finished with 31 points to the 30 of the Jayhawkers. It was a free throw tossed by Seldon Davey in an extra five minute period of that game that gave Nebraska the advantage.

**Jays Formidable.**  
The Jays have a formidable crew. "Phog" Allen will probably have Tom Bishop and Ted O'Leary in the forward positions at the start of tomorrow's game with Bill Johnson at center and Forrest Cox and Lee Page in personal charge of the defense department. All of these Kansas lads measure six feet or more in height and have built a record this year of scoring more points per game as an average than any other Big Six team Nebraska included. All of Allen's men except Johnson lettered last year.

Kansas finished second in the Big Six last season winning 7 games and losing three. The boys from K. U. were favorites then until Missouri triumphed over them in a game that decided the championship. A victory for Kansas will throw the Jayhawkers into a tie with Nebraska for first place. A defeat will reduce the Jays to three games in the lost column and dispose of the Husker's most dangerous opponent. Should Black's quint triumph the remainder of the way to a championship should be easy sledding.

Sunday afternoon the Nebraskans will crawl in cars for a drive over to Ames where Iowa State will entertain with Jackie Roadcap as toastmaster. Triumphs over K. U. and Iowa will guarantee Nebraska at least a tie for the conference championship.

A novel system for promoting student reading of good literature is being used by the Portland public library. Books are sent to every school in the city, one for each pupil and exchanged until every pupil is reached. Last year more than 900 books were circulated to over 75,000.

### SCHULTEMEN TO GO TO K. C. A. C. MEET

Indications Point To Good Showing For Husker Team This Year.

### RHEA IS IN GOOD FORM

Coach Henry Schulte and nineteen members of the Cornhusker track team will leave today for Kansas City where the Huskers are entered in the annual K. C. A. C. indoor track and field meet Saturday.

Tryouts held last Saturday give the indication that Nebraska will make a good showing in the meet. Hugh Rhea is expected to place high in the shot put. All of his throws in the tryout last week were well over forty-five feet. Bob Ostergaard will defend his title in the Shannon Douglas cup special 600 yard race. Ralph Rodgers and Merlon England are also entered in this event.

Nebraska is stronger in the sprints this year than it has been in some time. Lee, Smutney, and Petz are entered in the 50 yard dash.

The Huskers should make a good showing in the hurdles. Willis Lamson, Merle White, Harold Petz and Linus and Leon Carroll are entered in the 50 yard hurdles.

The high jump will find Pierce and Jackson competing with Dean and Mathis entered in the pole vault.

England, Petz, Rodgers and Ostergaard will make up the mile relay team.

The entry list:  
50 yard dash: Jerry Lee, George Smutney, Harold Petz.  
50 yard hurdles: Lamson, Linus Carroll, Leon Carroll, White, Petz.  
440 yard dash: England, Rodgers.  
600 yard run: (Shannon Douglas cup), Ostergaard, Rodgers, England.  
880 yard run: Ostergaard, Rodgers, Watson.  
Mile: Garvey, Marrow, Watson.  
Pole vault: Dean, Mathis.  
High Jump: Pierce, Jackson.  
Shot: Rhea, Rist.  
Mile relay: England, Petz, Rodgers, Ostergaard.

### AGGIES TO WRESTLE OKLAHOMA TONIGHT

Three Sooner Matmen Will Find It Hard To Keep Records Clean.

NORMAN, Okl. (Special.) Three Sooner wrestlers who have not yet met defeat this season will have to wrestle like experts to keep their records unblemished when the Oklahoma Aggies of Coach Ed Gallagher, national champions and unbeaten in sixty-two consecutive matches, invade the fieldhouse tonight.

These three are James White, who will probably be pitted against Bobbie Pearce, Elton Eubanks, who may have to face Captain Jack VanBebber, and Phil Berry who will draw the indomitable Aggie captain if Eubanks does not, depending upon whether VanBebber wrestles in the 165-pound or 175-pound division.

**Hold Many Tryouts.**  
Meanwhile Coach Paul V. Keen is holding tryout after tryout to find a lightweight to oppose Devine. Albert Mantooth, brother of Lawrence Mantooth, the Sooner's 125-pound national champion in 1929 and 1930, has not yet enrolled in school this semester and may not be available Friday night. He has won four out of five matches this season and was being counted upon.

In his place Coach Keen may use James Mayes, the Norman boy whom physicians recently ordered to discontinue competitive wrestling until his low blood pressure was corrected. If Mayes is not available the Sooner 135-pounder may be Harold Sidwell, of Tulsa, or Douglas Lane of Bartlesville.

### GIRL'S TOURNAMENT WILL OPEN TUESDAY

Basketball Head Advises As Many Practices As Possible.

Opening games of the basketball tournament are definitely scheduled to begin Tuesday evening, February 17 in the women's gymnasium.

Practices will probably continue thru Monday evening in order to give every group the opportunity to get in at least one practice before the teams begin competition in earnest. No definite number of practices are necessary, but as many as possible advised, according to Helen Yowell, basketball head. Health notices were returned to the Intramural office Wednesday noon. Several groups have organized two teams for participation in the tournament, which also provides an excellent way to keep in practice.

The schedule as posted contains the following list: Phi Omega Pi, Sigma Eta Chi, Phi Mu, Alpha Kappa Alpha, Alpha Chi Omega, Friday; Kappa Kappa Gamma, Delta Gamma and Sigma Kappa from 10 to 11. Chi Omega, Delta Zeta and Sigma Delta Tau from 9 to 10. Lambda Gamma and Alpha Phi and Phi Mu, Saturday.

### Lawrence Men Meet To Promote Kansas Relays

LAWRENCE, Kas.—Fifty of the leading citizens of Lawrence will meet tomorrow with Robert L. Finch, promotion manager of the Kansas relays, for the purpose of forming the Lawrence relays advisory committee in the hope of creating more interest in the relays.

### Baseball Men To Meet Feb. 19 Says Coach H. Browne

Coach Harold Browne, varsity baseball coach, issued his first call to baseball candidates yesterday. A meeting for all men interested in trying out for varsity baseball will be held Thursday, Feb. 19 at 7:30 p. m. in the N club room in the coliseum. The purpose of the meeting will be to get acquainted, talk over indoor practice, and discuss the coming schedule.

ler, the mighty midget trio of Soonerland, who made 29 points against the Aggies the past three years, graduated. Sooner fans wonder what men on their 1931 squad may win points from the Aggies. Gunter, whose only defeat this year was an overtime one at the hands of Doyle, crack Kansas Aggie, may be one. Eubanks, Berry and Inglis are possibilities.

The largest wrestling crowd of the year will no doubt see the bouts.

### Treatment With Flax Seed Increases Yield

AMES, Ia.—Treatment of flax seed increases yields, tests conducted by the experiment station at Iowa State college in 1930 for the first time indicate. In thirty-eight tests started last spring seed treatment with Calcium increased the stand about 85 percent and the yield 26 percent, according to a report just published by the farm crops section. Bison proved to be the highest yielding variety when planted about May 1. The tests also showed that delaying planting from May 1 to May 14 decreased the yield 25 to 60 percent and that delaying until June 1 resulted in crop failure.
