OKLAHOMA A. & M. BIDS FOR OLYMPIC TRYOUTS

Coach Applies Upon Resolve Of Board To Hold Trials In Middle West.

LOS ANGELES HAS MEET

STILLWATER.—Oklahoma A. & M. college has already applied for selection as the place of the American team trials for the Olympic meet to be held in Los Angeles in 1932. E. C. Gallagher, wrestling coach and director of athletics, has announced.

When the Olympic games wrestling committee admitted recently that a midwestern place is favored for the final trials, Gallagher immediately filed the Aggie application. Each year the American Amateur Athletic union conducts national championships, both in team and individuals scoring, and on Olympic years the American team trials become the most attractive phase of such tournaments.

In 1925 Oklahoma A. & M. college sponsored the national A. A. U. tournament, which the Aggies won by a top heavy score. As Gallagher claims in his appreciation, that was the only time that gate receipts ever paid costs of the tournament.

The national wrestling committee has set July 4 and 5 as dates for the final trials, in 1932. C. W. Striet, jr., of Birmingham, Ala., is permanent chairman of the committee and was at the time the Aggies sponsored the tournament in 1925. Another committee member known personally by Gallagher is Paul Spitzer, of New York City, to whom Gallagher has written, too.

The national committee has agreed to regard the twenty-six A. A. U. district tournaments, as well as the championships of the various college conferences, as preliminary tryouts, with the national A. A. U. National Collegiate Athletic association and national Young Men's Christian association championships as semi-final trials, winners in all these to compete at one place in the final trials.

Altho Oklahoma A. & M. college wrestlers are engaged now in preparation for two national tournaments this spring, they are planning ahead, with much interest in the Olympic possibilities next year. First of the two 1931 national meets in the N. C. A. A., to be at Brown university, Providence, R. I. March 27 and 28. The national A. A. U. will be in Grand Rapids, Mich., under American Legion auspices, on April 8, 9 and 10.

RHODE ISLAND TO HAVE WRESTLING MEET THIS YEAR

The National Collegiate association wrestling meet to be held March 27 and 28 at Brown university, Providence, R. I., will be an invitation meet this year, according to Prof. H. G. Clapp, of this university.

Heretofore, any one might enter who fulfilled requirements at the college from which he came. This year the entries will be winners in wrestling association and conference meets, and those who come by special invitation.

TANK SEASON OPENS AT OKLAHOMA A. & M.

Tulsa Y. M. C. A. Team Will Furnish Competition in First Meet.

STILLWATER, Okla.—Splashing into the gymnasium pool Saturday afternoon, Oklahoma A. & M. college swimmers and divers will open the 1931 tank season in a dual meet with Tulsa Y. M. C. A. team.

Nine Aggies comprises the squad for the final trials, in 1932. Coach Miller Patterson likely will use against the Tulsans, the eight to be combined in pairs, trios or quartets for all events except diving, in which only one entrant will be used.

400-yard relay: Allen Hurley, J. C. Ridge, Woodrow Erwin, Roy Thompson or Al Smith.
200-yard breast stroke: Louis Comba and Ed Hughes.
60-yard free style: Ridge and Alfred Waters.
440-yard free style: Sapt. Jay Dickens and Smith.
100-yard back stroke: Hurley and Thompson.
100-yard free style: Ridge and Waters.
Diving: Hughes.
220-yard free style: Dickens and Smith.
300-yard medley relay: Thompson, Comba and Erwin.

A return meet with the Tulsa Y team is listed, but no date is set. The Aggies likely will meet Oklahoma university in a dual engagement in the Y. M. C. A. pool at Oklahoma City, the date to be determined.

Other matches facing the Aggie mermen are telegraphic events with all Missouri Valley conference schools, Grinnell college and Drake, Washington and Creighton universities.

Coach Patterson expects to send seven or eight men to the conference tank tourney at Washington university, St. Louis, on March 14. The conference meet originally was abandoned, in keeping with minor sports curtailment, but recently was reinstated.

Among the pool candidates at A. & M. are only two lettermen, Captain Dickens and Ridge. Outstanding performance in trials this month was marked by a new time set by Ridge, college record holder in the 100-yard free style race. He clipped his former mark of 60.5 seconds to 59.4.

OMNIBUS COLLEGE TO BE SPONSORED BY N. U.

(Continued from Page 1.)
last season President Hoover gave a special reception to the visiting students. The same number of days will be spent in New York City with a stop of two or three days being planned for Boston and Quebec.

The party will travel in special buses designed for the purpose, three of which will be allotted to the party sponsored by the University of Nebraska, and will eat and sleep in special camps arranged for the purpose. All work will be done by employees of the college, leaving students free to carry on their school work without interference.

The cost of the trip will be \$206.00, registration and tuition included. Students will be regularly enrolled in field geography thru the extension department and three hour credits may be secured for the summer's work which will occupy a period of about seven weeks. All work will be done under the personal supervision of Dr. Le Fleur who, at the conclusion of the tour, will submit reports of the quality of work done and final grades through the regular department channels to the office of the registrar.

Bengston Approves.
Dr. Bengston, commenting on the course, stated "in my opinion a carefully conducted study tour is the most effective means of teaching some aspects of regional geography. I am confident that all students making the trip under the able guidance of Dr. Le Fleur will profit to a far greater degree than by the mere earning of the three hour allotted credit in the course."

There is no prerequisite requirement for the course and those interested may secure additional information through the extension department of the university.

OKLAHOMA WRESTLING STAR AWARDED MEDAL

Receives Prize Given Each Year To Matman With Highest Score.

STILLWATER.—(Special.)—Bobby Pearce, 126 pound Oklahoma Aggie wrestling star, will receive the Bernard T. Dodder medal for 1931, an annual trophy awarded to the A. & M. college wrestler scoring the highest number of points in the regular season. Dodder, now living in Washington, D. C., is an Aggie alumnus.

Pearce, a Cushing boy, led seventeen teammates in scoring, attaining a total of 23 points. He was in five dual meets and won four by falls and one by decision.

Closest to Pearce was LeRoy McGuirk, of Tulsa, with 19 points. McGuirk competed in two weights, 155 and 165 pounds, winning by falls both times he entered in the heavier division and by decisions three times in the lighter class.

Many Good Scores.
Capt. Jack VanBebber of Perry, regular 165-pounder, and John Divine, also of Perry, 135 pounder, ran Pearce and McGuirk a close race for points, each with 18. VanBebber was in only four meets, winning every time, three by falls or forfeit. He did not take part in one meet because of an injury. Divine won four matches, one by fall, three by decisions, and lost one decision.

Pearce began his wrestling career in Cushing high school, where two years he was state champion. Last year, in his first season at A. & M., he won the national Amateur Athletic union's championship at 118 pounds. He has another season at A. & M.

McGuirk, runnerup to Pearce, is another former high school state champion, as a Tulsa high school star of former seasons. He, too, has another year in the A. A. U. meet he lost in the final bout to a teammate, VanBebber, who was entered then at 165 pounds.

VanBebber was national collegiate champion in 1930, as was Conrad Caldwell, 175 pounder, who this season wrestled as heavy-weight, succeeding the giant Earl McCready, now a professional. Caldwell scored 16 points in four meets this year.

In seven dual meets, comprising the 1931 season, the Aggies scored a total of 201 1/2 points to opponents' 26 1/2. In a total of 56 bouts, the Aggies won 49, tied one and lost six. They finished their tenth consecutive all victorious season.

JOCK, SCOTCH TERRIER, LEADS ACTIVE LIFE IN CAMPUS AFFAIRS; FAMOUS AS STAR IN UNIVERSITY PLAYERS' SHOWS.

(Continued from Page 1.)
has not had much chance to practice rat hunting but instead has busied himself with securing a college education which he feels every respectable end high bred dog should have.

While attending a German class in Andrews hall one day last year Jock was called by the teacher "der artige Hund" which when translated means "a well behaved dog." Jock had spent most of the fifty minutes in the classroom without moving or making any noise. He was a frequent visitor to the German class after that, and according to Mr. Leland, received an excellent grade in the course.

Believes in Democracy.
Jock is very democratic in spirit and manner, especially with university students. He does not, however, like anyone who is not well-dressed. He is aristocratic in this one thing. Jock also has a great antipathy for other dogs and will not allow them to come into the yard.

Mr. Leland stated that he felt that Jock was about ready for a degree of some kind but did not know just what it would be. He said he thought he would have Jock make application this spring and allow a faculty committee to judge what he should be awarded.

FRATERNITY HOLDS SHOW

(Daily Texan.)
A sum of more than \$80 was realized by Sigma Delta Chi, honorary and professional journalism fraternity, from the midnight mailee which was sponsored by them at the Texas theater recently. It is estimated that approximately 400 persons attended the show.

Ike Moore, president of the fraternity, said that Sigma Delta Chi wished to thank Theta Sigma Phi, women's honorary journalism fraternity.

SPEAKER CRITICIZES TEACHERS' ATTITUDE

Says Professors Do Not Consider Student's Mentality.

BRITISH COLUMBIA.—Dr. Irma Kennedy, in a recent address at the University of British Columbia, gave her opinion that the average professor did not attach sufficient value to the student's intellectual capacity and was accordingly criticized for being impractical, intolerant and unsympathetic. She believes that many students' minds are capable of transcending the mentalities of their professors and that the latter should take this into consideration in training the student.

She further stated that men and women think differently and that women often bring up original suggestions which, however, are far in advance of the professor's limit of thought. Technical training was said to be detrimental to a woman's nature because it adds a fourth side to her intellect, namely, inquisitive intellect.

UNIVERSITY OF ROCHESTER.—The faculty of the university recently voted to abolish all eight o'clock classes.

WEST POINT.—One of the biggest gate attractions for the 1930 football season was the Army football team. More than 437,500 fans turned out to witness the games on the Army schedule.

KANSANS TO VOTE SOON ON HALL OF FAME MEN

Early-Day Editors Chosen, Three of Whom Will Be Honored.

LAWRENCE, Kan.—Names of twenty-three editors of the past in Kansas are being submitted to the "Quarter Century Club of Kansans" for the final selection of three who will be honored in the Kansas Newspaper Hall of Fame, sponsored by Sigma Delta Chi, journalism fraternity at the university.

In all, eighty-nine early day Kansas editors were named in the preliminary nominations, according to Carl Cooper, chairman of the Hall of Fame committee. Among the eighty-nine, twenty-three received three or more mentions, and these, arranged in alphabetical order, are being sent to editors who have been twenty-five years or more in the newspaper business in Kansas.

The nominees submitted for final vote are:
D. R. Anthony Ben Murdock
W. E. Blackburn John A. Martin
Ed. P. Greer George W. Martin
John Gilmore George Marble
Hugh Harris Noble Prentice
J. E. Harrison John Stotler
E. W. Hoeh A. P. Riddle
Major J. K. Hudson John Speer
Henry King Sion O. Thatcher
Sol Miller Sion O. Thatcher
Marion Miller D. W. Winter
Marah Alford

The form of memorial to the three selected has not been determined, Cooper said.

BURMESE STUDENTS EAGER FOR SCHOOL

Islanders Look Upon High School As Privilege: Sports Are Few.

STATE COLLEGE, Pa.—"Burmese students are in many cases more eager for study and knowledge than American undergraduates," declared Dr. Currier, former instructor at Judson college, where the islanders are training. The reasons are obvious. The students look upon high school attendance as a distinct privilege and not as a natural consequence of graduation. Only a favored few attend college and therefore they are more interested in their education.

Until recently organized sports were unknown to the Burmese people. Individual competition was common. At the time when basketball was first introduced, natural instincts led the students to retaliate for fouls by knifing their offenders. This form of "after the battle spirit" was soon abolished, and few sportsmen play cleaner games than the Burmese.

OHIO STATE UNIVERSITY.—Traditional blue uniforms, worn by the cadet officers of R. O. T. C. are to be discarded next year for khaki. The change has met with the approval of the students because those who accept reserve officer commissions after graduation must have khaki uniforms.

ternity, for their co-operation in the sale of his tickets. He said that he also wished to thank Joe Fisher, Don McCall, and the men's glee club quartet for the part they took in the program.
Funds derived from the show will be used to help finance the Texas high school press meet which will be held in May in connection with the Interscholastic meet. The money will be used to pay the expenses of a banquet which will be given for the contestants at this time.

ISAAC AOKI WILL CAPTAIN KANSAS SWIMMING TEAM

LAWRENCE, Kas.—Isaac Aoki, Hawaiian swimmer who set a conference record for the 440 yard swim at 6 minutes flat in the K. U.—Kaggie meet here Feb. 7, will be the acting captain when the Jayhawk swimmers go to Manhattan Saturday afternoon. Capt. John Bowdish and Clark Stephenson are ill with influenza. Coach Alphin will depend on Aoki, Marshall, Kruse, Dill, Burcham, Kite and Jennings. Kansas won three swimming meets this season, all by the score of 57 to 27.
