### Oklahoma Falls; Schulte's Men Defeat Kansas; Wrestlers Win.

## MEREMEN BARELY LOSE

### Vogeler's Tank Squad Bows To Drake Plungers by Two Points.

Last Saturday was a big day in Husker athletics.

In four starts Nebraska sportsmen turned in three wins and some exceptional performances. Oklahoma fell before Charley Black's representatives 41 to 30 in the curtain game of the season. "Indian" Schulte's spiked papposes galloped away with a track victory over a Kansas Aggie team, 68-38; wrestlers under the wing of John Kellogg tamed the Tigers in Missouri 24 to 6 and Rudy Vogeler's meremen barely lost to a Drake swimming team in Omaha 43 to 41.

The Sooner-Husker goal triumph guaranteed Nebraska at least a tie for second place in Big Six basketball for the season and ended the loop careers of six Red and White hoopers.

### Smutny Sets Record.

In the track show George Smutny, the hurdling sprinter from Seward, set a new world record in the 60-yard low hurdles when he ran them in 6.3 seconds. The former world record of 7.2 was held jointly by Werner of Illinois and Guthrie of Ohio State. Smutny skipped over the 60-yard high in 7.5 seconds and in so doing he equaled the Big Six indoor mark set by Thompson of Nebraska at Columbia last year.

Hugh Rhea did his fifty feet and one inch act in the shot put and Dean executed the best pole vault in his experience clearing the bar at 12 feet 6 inches.

### Amato Gains Two Seconds.

Sammy Amato broke the 100-yard free style Big Six record by two full seconds when he stroked that distance in one minute four-tenths seconds. Amato also made a game attempt to cut down a half lap lead in the medley relay falling only by inches in the event that finally balanced the score in favor of Drake by two points. Amato also took first in the 50-yard print.

### Summary:

- 400 yard relay—Won by Drake. (Billick, Shaw, Podrebarac and Baker). Time, 4:17.6.

## KANSAS EDITOR WILL GIVE GRADS ADDRESS

### William Allen White Is to Preach Sermon for K. U. Seniors.

LAWRENCE, Kas.—William Allen White, Kansas editor and author, will preach a lay-sermon Baccalaureate Sunday, June 7, for the fifty-ninth graduating class of the University of Kansas.

In announcing Mr. White's acceptance, Chancellor Lindley added that previous announcement had been made that the commencement address, June 8, would be made by Glenn Frank, president of the University of Wisconsin.

Two years ago, a lay-sermon for commencement was preached by Robert A. Millikan, noted physicist of Pasadena, Calif.

The graduating class of 1931, the fifty-ninth to be graduated from the university, will number about 1,000 persons, since the number which has already finished its work, or is enrolled in the final class-hours, is about the same as last year.

Mr. White, who in 1886-1890, was a student at the university, and later was a member of its board of regents, has been a frequent speaker at the university, both at meetings of newspapermen, and for general convocations.

(Continued from Page 1.) state tournaments. No city tournament is complete without Joe's name on the entry list. During the last year Joe played tennis on the average of three or four times a week, playing on an indoor court when the weather was cold or rainy.

### New Game is Faster.

According to Joe, the game is much faster now than it used to be. Part of this is due to the improvement in the racket, and much of it is due to speeding up of the offensive attack. Where the players formerly were content to play a slow defensive game, today as a general rule they play a fast offensive one.

### CUNNINGHAM GIVES SPEECH

At a Cotner convocation last week, Prof. Harry F. Cunningham spoke on various aspects of modern architecture.

### Antonio Cortis, Tenor of Civic Opera Company, Will Play Part of Turiddu in 'Cavalleria Rusticana' March 17

Antonio Cortis, tenor of the Chicago Civic Opera company who will be heard when that famous organization appears at the University of Nebraska coliseum, Tuesday, March 17, already is well known to music lovers of Nebraska.

When Civic Opera made its first appearance at the coliseum four years ago, "Il Trovatore" with the famous Diva, Rosa Raisa, was the opera presented. While Raisa easily lived up to her reputation as one of the world's greatest singers it was also Cortis that took the fancy of the record crowd which heard the Verdi opera. Cortis appeared in the role of "Mario" four years ago. This year with the great Claudia Muzio in "Cavalleria Rusticana" he will portray the role of Turiddu.

Born on ship. Cortis was born on a ship on the high seas, the boat crossing from Algiers to Valencia in Spain. As he was only a few hours old when the ship docked, Valencia can lay claim to him as one of her distinguished citizens.

He was hardly old enough to walk when he began taking an interest in music. At the age of eight he had become a singer in a small way. He took violin lessons, and sang in the cathedral choir at Madrid. The violin nearly caught him at this time as he became very proficient with it, and at eleven he began playing in an orchestra.

But now he was to prove the fallacy of the belief that a beautiful child singer never keeps his fine voice as a man. When Cortis' voice changed it was found to be a magnificent tenor. Yielding to his friends' advice, he turned to a vocal career, and at eighteen, he made his operatic debut at Barcelona, his fellow singers, especially the soprano Maria Barrientos, convinced him that his operatic career had already had a triumphant beginning.

Sings in Valencia. In 1927, long after he had been singing leading roles elsewhere, Valencia had its first chance to hear its own tenor. The welcome was epoch making, and of the sort possible only in Latin Europe. As no theater could hold the whole city, the performances were held in the bull ring. Cortis sang in "La Tosca," "La Boheme" and "I Pagliacci." All sorts of honors were heaped on him.

The principal theater was renamed "Teatro Cortis." A public square was named "Plaza del Tenor Cortis." A bust of Cortis was unveiled with all the ceremonies dear to the hearts of the south of Europe. Finally, one of the world's greatest bullfighters, Sanchez Mejia, joined with Cortis' friend, the Marquis del Camp, to dedicate a bullfight to the town's hero.

### MISS HOWELL TELLS HOW UNIVERSITY PLAYERS CHOOSE CURRENT PRODUCTIONS

(Continued from Page 1.) repertoire. The University Players always try to present the best plays available at the time as they have been performed in the great dramatic centers of New York, Boston and Chicago.

### Royalties Depend on Play.

The royalties of any play depend of course, on the production itself, its success, and the author's contract with the publishers. As a rule, most plays cannot be produced until they have had a run in New York. Then the release is usually confined, for a time at least, to professional actors, as definitely distinguished from amateur players in the dramatic world.

### HUSKERS GIVEN EDGE IN CONFERENCE MEET

Iowa State also conceded good chance in Annual Indoor Track.

### RHEA, SMUTNY LEADERS

News dispatches dope Nebraska and Iowa State as favorites in the Big Six indoor track meet to be held in Columbia, Mo., this week end. Last year the Huskers won the affair with 31 points to barely edge out victorious over the 27½ tallies the spiked Cyclones were able to collect.

### Schulte Not Worried.

Schulte is not worried about that after the way George Smutny tied the 7.8 second mark for the 60-yard high, may have set a world record in the 60-yard low and came within a tenth of a second of the world record for the 60-yard dash against Kansas Aggies Saturday.

### Vets Missing.

Kansas university and Missouri are pressed for veteran material, but word from Norman hints that the Sooners may surprise in some events. In tryouts Saturday Don Addison, a sophomore dash man was caught by three clocks at 6.2 seconds in the 60-yard sprint. A

## INTRAMURAL BOWLING LEAGUE NEARS FINISH

### Alpha Theta Chi, Phi Gams Win From Kappa Sigs And Tekes.

## FINALS ARE WEDNESDAY

The intramural bowling league championship which will be settled next Wednesday when the finals are scheduled to be played has thus far seen Kappa Sigma and Tau Kappa Epsilon bow in defeat to Alpha Theta Chi and Phi Gamma Delta, respectively, in matches played this week.

The six teams entered in the elimination tournament were all then champions of their leagues, and so it is easy enough to understand the keenness of the competition displayed in the two matches already played.

### Alpha Theta Take Three.

The Alpha Theta won three straight games from the Tekes, with Ed Mortensen occupying the leading role. Mortensen rolled a series of 548, while Coates was the big gun for Tau Kappa Epsilon, rolling a 561 series. The Alpha Thetas meet the Sig Eps in the semi-final round Monday. The Sig Eps drew a bye for the first round.

Phi Gamma Delta rather upset the dope bucket when they defeated the Kappa Sigs in a close match. The Phi Gams won two out of the three games played. Baker bowled a 604 mark for the winners, but it remained for Woodcott of Kappa Sigma to register the excellent total of 658.

Lambda Chi Alpha who also drew a bye will compete against the Phi Gams Monday in the lower bracket of the semi-finals. This match promises to be spiritedly contested and probably plenty close.

The winner of the Alpha Theta Chi-Sigma Phi Epsilon game will then get together with the victor in the Lambda Chi-Phi Gams match Wednesday to bowl for premier honors.
