

GRID SQUAD DRILLS ON FUNDAMENTALS

Bible Puts Charges Through Paces in Spring Grid Practice.

MASTERTSON IS INJURED

More than forty pigskin aspirants for berths on the 1931 edition of the Cornhusker varsity gridiron machine braved the rather wintry elements Wednesday afternoon to go through a strenuous drill on fundamentals, under the direction of Head Coach D. X. Bible and his corps of assistants.

Backfield Drills.

Under the tutelage of Coaches Bible, Browne and Black, the backfield hopefuls went through various plays, with particular attention being devoted to spinner plays. On the other side of the practice field, "Bunny" Oakes, Bill Day, and Joe Lehman were hard at work instructing the linemen in the art of blocking and charging.

Masterson Breaks Nose.

The first casualty of the spring practice occurred during Wednesday's workout, when Bernie Masterson showed up with a broken nose, received during the execution of a fake spinner play. However, the injury is not expected to prevent the former Lincoln high ace from participating in the workouts for more than a few days, but in the meantime, Masterson is going around with a badly swollen nose.

The following is an incomplete list of the gridmen who will compose the personnel of the two teams, the Reds and Blues. It is necessarily incomplete because of the absence of letterman and others who are expected to report by next week.

Two Squads.

Reds: Singer, Jones, Gartner, Penney, Norwood, Miller, Scott, Hubert, O'Brien, NeSmith, Scott, Fitzgerald, Bishop, Owens, Shields, Wasserman, Uptegrove and Cole.

Blues: Chambers, Scoggan, DeBus, Clary, Austin, Kroger, Wolcott, Armstrong, Nash, Raich, Bauer, Swanson, Kreizinger, Masterson, Temple and R. Shields.

JAYHAWK TRACK MEN POLISH FOR SATURDAY MEET

LAWRENCE, Kas.—The University of Kansas track team under the tutelage of Coach Brutus Hamilton is practicing daily in preparation for the Big Six conference indoor meet to be held in Columbia, Saturday, March 7, in the Brewer fieldhouse.

The return of Jim Hodges, star broad jumper and winner of second place in the conference meet last year, and Paul Beardslee 440-yard man who has been ill, is expected to strengthen the Kansas team considerably if these men can round into shape in time for the meet.

Nebaska, defending champions, will be the favorites in the Big Six meet but with the 72 to 13 victory scored over Missouri last week in the first dual meet of the season, Kansas assumed a dark horse role in the indoor meet. Kansas placed third last year, behind Iowa State and Nebraska, the winner.

CAGE CAREER ENDED

LEONARD CONKLIN

Here is Leonard Conklin, who, although he lettered for the first and last time this year as a member of Charley Black's Cornhusker basketball team, gained for himself during the year a reputation of being one of the most aggressive players on the Nebraska team. He was best as a "ball hawk," chasing the leather all over the floor. His best game of the year was against the University of Washington, when he led the scoring with 13 points.

MERMEN TO ENGAGE K-AGGIES SATURDAY

Second Tangle of Season To Be Staged in Pool at Lincoln High.

AMATO IS ILL WITH FLU

Coach Rudy Volgeier's swimmers will hold their first home splash and party of the season at the Lincoln high pool with Kansas Aggies at 3 o'clock Saturday afternoon.

In a previous meet in Manhattan earlier this season the Nebraska stokers defeated the K-Aggies 66 to 18, walking away with most of the places in all events. A repeat victory is expected since the Huskers are being improving as the green men on the squad become experienced.

Last week end Volgeier's men dropped a close contest to Drake water men 43 to 41 in Omaha. In this battle Sammy Amato swam the 100-yard free style distance in 1 minute 4-10 second to better the Big Six record held by himself by two full seconds.

Illness has been working havoc in Nebraska ranks this week. Amato is in bed with the flu and Cahow, who was unable to compete in Omaha because of similar trouble, is now bothered with an infected foot.

Coach Volgeier will probably use several substitutes in his lineup this week end to give the men experience in competition.

Entries will probably be as follows:

Relay—Powell, Elliott, Walter or Chase, and Sutherland or Cahow.

Breast Stroke—Pattavina and Oddo.

60-yard free style—Waldo and Powell.

440-yard free style—Elliott and Webster.

150-yard back stroke—Gavin and Pattavina.

100-yard free style—Waldo and Cahow or Chase.

Diving—Sutherland and Powell.

220-yard free style—Walther and Elliott or Webster.

Medley Relay—Gavin, Oddo and Chase or Cahow.

PAIRINGS IN BOXING TOURNAMENT ANNOUNCED

March 12 Set for Final Bouts in University Tournament.

Pairings for the all-university boxing tournament finals were completed in the intramural department yesterday. The preliminary rounds of these matches were run off Tuesday afternoon.

Bouts to decide the champions in each class, who will receive the official intramural awards of silver and bronze medals for first and second places, will be staged Thursday, March 12, at 7:30 in the coliseum.

In the 112-pound class Jackson and H. Butler will scrap it out. Heady and Schmidt will compete for honors in the 118-pound division, Kiersteady and Williams in the 126-pound class and Richards and Lee in the 135-pound class.

There are still four 147-pounders who have not been eliminated so that weeding out bouts will be necessary in that weight. Fisher, McConnell, E. Moses and Malcolm are the contenders.

Scientin and Soderlund will fight it out for the 160-pound crown. Blum and Copple are 175-pound survivors while the heavy-weight championships rests between Johnson, Copple, and O'Brien.

Iowa State to Celebrate Seventy-Third Birthday

AMES, Iowa.—Iowa state college will celebrate its seventy-third birthday March 20. In keeping with a custom established three years ago, numerous alumni groups throughout the world will get together to honor their alma mater. Last year more than 70 such meetings were held, about half of them being in Iowa. Word has already been received by Harold Pride, general alumni secretary, that meetings are being planned by the branch alumni associations in San Francisco, New York, Chicago, St. Paul and Washington. The anniversary of the college's founding is March 22, but since that date falls on Sunday the celebration will be held the previous Friday.

45 Candidates Out for Baseball at Iowa State

AMES, Iowa.—Over forty-five candidates answered Coach Lous Menze's call for baseball practice Monday night at a special meeting. Coach Menze outlined a program of training which included early conditioning and intensive work on the fundamentals. The coach stressed especially the importance of conditioning for the Cyclone hurling staff, which will likely be composed of Captain Huntbach, Swaledale; Clarence Gustafson, Rice Lake, Wis.; Al Heitman, Keystone, and Bernard Thrift, Onawa. All of these hurlers have had at least a season's experience.

Thieves Filch Pants Of Referee During Sooner-Iowa Match

NORMAN, Okla.—Thieves stole the referee's pants during the Sooner-Iowa wrestling match in the Fieldhouse here.

Entering the office of Coach Paul V. Keen, thru a window, the thief or thieves purloined a pair of trousers belonging to Elmer Lucas Indiana '22, the referee. Luckily Lucas had left no money in the pockets.

Even Coach Keen was not immune from the theft. His hat was taken and also a black leather jacket belonging to his son.

KANSAS U MUSICIANS GIVE RADIO PROGRAM

Four Numbers Are Arranged By Jayhawk Musical Department.

LAWRENCE, Kas.—A musical program unusual in content and in manner of presentation was given Tuesday, Mar. 3, from 6 to 6:30 p. m. by station KFKU, the University of Kansas station.

Four of the seven musical numbers on the program were composed or arranged by members of the Kansas university music faculty, or music students, and two of the three groups were on woodwind instruments. Chamber music on strings is not unusual, but utilization of the woodwinds so is not common.

The woodwind quartet was made up on Richard Porter of Salina, clarinet; Glenn Morris, Neodesha, horn; C. Vernon Pickell, Kansas City, Kan., bassoon, and Harry Hirsh, Baltimore, Md., flute.

The opening number of the program was "Meditation," an old melody, arranged for the woodwinds by Hirsh; and the closing group included compositions by Prof. C. S. Swilton, Miss Dorothy Kuersteiner and Luther Leaven-good.

KANSAS DEAN PUTS STOP TO FURLOUNDS

McElroy Halts Number of Excused Absences as Total Goes Up.

STILLWATER.—"No more furloughs will be issued for students to go home except in the case of emergencies." With these words Dean C. H. McElroy of the school of science and literature, spoiled many a nicely planned week end trip.

Dean McElroy explained the necessity of such action by calling attention to the excess number of furloughs on record at his office for the present semester. For the five weeks just passed, there are on file in his office, 231 excused absences, with numerous others which have not yet been turned in.

Most common among the excuses listed are illness, business, death in the family and out of town trips. Of ninety-seven furloughs which were checked, forty of these was listed for a "misunderstanding regarding chapel."

Dean McElroy pointed out that where students used to ask to be excused from Saturday and Friday afternoon classes, they now want to leave Friday morning. "If it is allowed to continue," he said, "they will soon be leaving Thursday mornings."

According to the dean, there are many students on the campus who do not yet understand exactly what a furlough means, many of them seeming to think that the

SOONER WIN CINCHES HUSKERS AS SECOND

Hokuf Placed on All-Big Six Team in United Press Selections.

The University of Oklahoma gave Nebraska a clear title to second place in the Big Six final basketball rating by trouncing Kansas Aggies 43 to 39 Tuesday evening down in Norman. A K-Aggie victory would have thrown the farmers into a tie with the Cornhuskers.

Steve Hokuf, husky guard on Charley Black's quintet, was placed on the first Big Six team in all star selections by the United Press recently. Maclay and Fisher were center and forward respectively on the second team, while Seldon Davey was favored with honorable mention at a forward position and George Koster was mentioned at guard.

In selections made by the sports editors of conference college papers Hokuf was chosen as a guard on the first team. On the second five, Don Maclay was designated as center and captain with Morris Fisher occupying one of the forward posts.

After Kansas Aggies had drubbed Nebraska 32 to 30 here on a Tuesday and the Huskers had retaliated to defeat Oklahoma 41 to 30 the following Saturday, the Sooners continued to act contrary to paper calculations by sending the Manhattan lads back home cowed in the game that completed the Big Six hoop activities for the 1930-31 season.

SOONER GRAPPLER TAKES 20 HOURS IN ENGINEERING

NORMAN, Okla. (Special). Marvin "Kid" Leach of Sand Springs, the well-known Sooner 118-pound wrestler, is taking twenty hours of work in the school of chemical engineering with a view toward graduating at the end of this semester.

"I weigh 122 stripped right now," said Leach, answering questions. "But I don't intend to wrestle any this semester. Twenty hours in the C. E. school is lots of hours."

As a Sooner wrestler in 1928, 1929 and 1930 Leach never lost a match to an Oklahoma Aggie opponent. He was conference champion twice.

Coach Hugo Otopalk's Iowa State Cyclone grapplers are going ahead with preparations for the final two matches of the season with Nebraska at Lincoln, Saturday, and with Kansas at Lawrence, Monday, to assure a second place. The Cyclone team, a bit chagrined over the defeat, intends to make no slipup in these concluding matches.

The Cyclone lineup for the final road trip will be the same that has wrestled thruout the season.

BIG SIX CHAMPIONS PLAY CREIGHTON U

Kansas Ends Victorious Season With Game Tuesday Night.

OPPONENTS RANK HIGH

LAWRENCE, Kas.—University of Kansas basketball men close their season with a non-conference game at Lawrence Tuesday evening with Creighton university, after having won the championship of the Big Six by winning seven and losing three conference games. Nebraska is second with six victories and four defeats, and the Kansas Aggies have a chance to tie for second place by defeating Oklahoma Tuesday evening.

Kansas had eight non-conference games on its schedule, seven of which have been won, with the eighth set for Tuesday night. Prospects of winning are not any too bright, as the Kansas team slumped after being assured of the championship, and lost its final conference game to Missouri, 19 to 26.

Besides, Creighton is ranking high in the Missouri Valley conference and earlier in the season de-
