

KANSAS RELAYS TAKE ON ASPECT OF IMPORTANCE

Approaching Olympic Games At Los Angeles Cause Much Concern.

PROGRAM IS CHANGED

480-Yard Shuttle Hurdle, One Mile Relay for Juniors Added.

In view of the approaching Olympic games at Los Angeles in 1932, the Kansas relays which will be held on April 18 at Lawrence for the ninth consecutive year, takes on an aspect of considerably more importance than has probably existed heretofore.

Sports Calendar

Thursday, March 26.

All-university and interfraternity horseshoe entries close at 5 o'clock.

Saturday, March 28.

Spring football practice game at stadium.

"Indian" Schulte's tracksters compete at Rice relays in Houston, Tex., after running in Texas relays in Austin on Friday.

coach and director of athletics of Drake university has been selected referee for the 1931 Kansas relays which have been gaining in popularity and importance to such an extent that this year nearly 100 schools from all over the middle west and other sections of the nation will be sending representatives.

artists set up a new meet record of 40.5 seconds for the indoor stretch of 320 yards. All high school events have been stricken from the relay program this year. But a single day is required for the running off of the events, and this year an innovation has occurred with respect to the meet program, the preliminaries being scheduled for 10 o'clock with the finals in the afternoon.

The Missouri Valley A. A. U. will hold a decathlon event as a sectional tryout in connection with the Kansas relays this year. Although the decathlon competition has been included in previous Kansas relays, this year is in the nature of a special event, being open to any university or college athlete in good standing with his conference, or to any athlete in good standing with the A. A. U.

Besides the numerous relay events which will be run, there will be ten special events, including the 100-yard dash, 120 yard high hurdles, 3,000 meters run, shot put, javelin, discus, high jump, broad jump, pole vault, and the decathlon.

The Huskers led by Hugh Rhea ranked high in the 1930 Kansas relays, taking into consideration the high quality of competition encountered. Rhea placed first in

the shot put with a heave of 48 feet 6 inches, beating out his arch rival, Bauisch of Kansas. Lamson took a third in the 120-yard high hurdles, in which Lee Sentman, of the University of Illinois established a new meet record of 14.6 seconds. Faytinger also copped a third for Nebraska in the javelin throw.

A summary of the performances recorded in the 1930 Kansas Relays follows: 100 yard dash: Won by Leland (Texas); second, Bracey (Rice Institute); third, Tolan (Michigan); fourth, Root (Chicago). Time: 9.4 seconds. (New meet record).

120 yard high hurdles: Won by Sentman (Illinois); second, Saling (Iowa); third, Lamson (Nebraska); fourth, Talbot (Westminster). Time: 14.6 seconds. (New meet record).

3,000 meters run: Won by Putnam (Iowa State); second, Lydic (Kearney State Teachers); third, McElrath (Grinnell); fourth, Sweeney (Cornell College). Time: 8 minutes 54.3 seconds.

Shot put: Won by Rhea (Nebraska); second, J. Bauisch (Kansas); third, Behr (Wisconsin); fourth, Munn (Minnesota). Distance: 48 feet 6 inches.

Javelin throw: Won by Hammond (Southern Methodist); second, Weldon (Iowa); third, Faytinger (Nebraska); fourth, Chambers (Illinois). Distance: 202 feet 7 1/4 inches.

Discus throw: Won by Thornhill (Kansas); second, Ward (Kansas); third, Platts (Coe); fourth, J. Bauisch (Kansas). Distance: 153 meet 7 1/4 inches. (New meet record).

Running high jump: Won by Shaw (Wisconsin); second, Shelby (Oklahoma); third, Carr, (Illinois) and Ehrlich (Kansas Aggies) tied. Height: 6 feet 6 3/16 inches. (New meet record).

Pole vault: Won by Warne (Northwestern); second and third, Canby (Iowa) and McDermott (Illinois) tied; fourth, Lansrud, (Drake). Height: 13 feet 9 3/4 inches. (New meet record).

Decathlon: Won by Charles (Haskell) 7,543 points; second, Grant (Haskell); third, Boyd (Westminster); fourth, Brooks (William Jewell); fifth, Douglas (Grinnell). (New meet record).

By LEONARD CONKLIN. HUGH RHEA goes to Texas by himself. Wonder if he isn't afraid—just a college boy—traveling all that ways by himself, unchaperoned. Take a lot of miles and lay them end to end and they ought to reach from here to Houston, that is, a big lot of 5,280 feet would.

Imagine burly Hugh in a lower berth with the sixteen pound shot swinging back and forth in the dip net next to the window. Visualize headlines: "256 Ounce Lead Ball Crashes Berth Netting; Falls Heavily On Rhea; Breaks To Pieces; Hugh Unhurt."

ITS TOO blamed bad that the best athletic team Nebraska has had this year has to hide itself on the stadium track from the 14th of March, the date of the Illinois Relays, till April 18. But Texas is a long ways off. We're not up on our Gee-aw-graa-phi (how do you spell geography?) or we'd tell you how far.

Batcha two dollars Hugh Rhea is one man the Alpha Sigs don't tub very often.

BRAVO Sir Galahad!!! Once upon a time there was a Nebraska man and there was another Nebraska man. Well to brevity (that's Czechoslovakian for abbreviate) a lengthy tale, the first Nebraska man uttered in accents wild to the second Nebraska man, "Fie! Fie! Fie! (Which is not any professional fraternity that we know of).

Spake the second Nebraska man, "Avant, villain! Begone! Get the H?? out of here!" For there was no love lost between, in front of, or behind these Nebraska men. Chivalry triumphed in the end, however, as in days of yore, for these two unhappy souls fought a duel to the death with weapons—bare fists at fifty paces.

SOCK-HER is getting to be quite the sport in this school. The intramural office releases figures to this effect:

Different men totalling 507 played interfraternity soccer this fall; which is just a few over five hundred but quite a few fellows, different or otherwise, to participate in a single intramural sport.

Tennis players numbered 109; there were 271 basketball free throwers and 142 who took part in indoor track.

When he gets them counted, Rudolf Vogler says there will be at least 750 intramural basketball players. And Observe—that 211 Nebraska men were ducked, doused, and everything but drowned in water polo games. Which might indicate that there are a number of Cornhusker students who would swim in Nebraska's new pool—when we get it.

AT IOWA State college a man can't get a degree unless he can pass certain swimming tests up to standard. If that were true here, we wouldn't need any baccalaureate speakers in the spring.

And after ponderous contemplation we submit the opinion that 'tis time to adjourn. Motion was made, seconded and the vote count showed one aye and no nays so that That is that.

IOWA HI SCHOOL BASEBALL COMPET WILL BE AT AMES

AMES, Iowa.—Iowa State college will again be host to high school baseball and track athletes this spring. It was announced yesterday. The finals of the high school baseball tournament will be held here during Vaishea, all college celebration, May 8 and 9, and the track meet will be held the following Saturday on State field.

SCHULTE SENDS RHEA SOUTH AS HUSKER ENTRANT

Burly Shot Putter Is Lone Representative for Texas Relays.

REASONS ARE FINANCIAL

Lack of Funds Is Given as Cause for Holding Squad Here.

Hugh Rhea, "Indian" Schulte's burliest and best shot putter, boarded a train alone at 1:40 yesterday to journey south as Nebraska's sole entry in the annual Texas relays at Austin Friday and the Rice relays at Houston Saturday.

Financial worries were quoted as the athletic department's reason for not sending a full squad to the southern track meets. Rhea is hoped to show well in his event from past records this season.

Hugh tossed the lead weight for first places in the Big Six indoor contest at Columbia with a fling of 48 feet 9 inches and in the Illinois relays where the tape measure indicated a shove of 49 feet 11 1/4 inches.

Coach Schulte had his men cavorting about out of doors yesterday with his eye fixed on a big Husker squad competing in the Kansas relays at Lawrence on April 18. These K. U. games, the Drake relays, on April 24-25, and the Big Six meet in Lincoln, May 23-24, constitute the major part of the Cornhusker track program this spring.

FIFTEEN SOONER FRESHMEN GIVEN CAGE NUMERALS

NORMAN.—Fifteen men have been recommended by Basketball Coach Hugh V. McDermott for the freshmen numeral this year, and will receive some next fall providing they pass at least twelve hours of classwork this semester.

They are: Eryvl Bross, El Reno; Lynn Jackson, Altus; Robert Holt, Cloud Chief; Loyett Burk, Lexington; Joe Benson, Independence, Mo.; Fred Dickinson, Independence, Mo.; Howard Brockman, of Tulsa; Greg Garnett, Tulsa; Clyde Fleetwood, Norman; John B. Olds, Dallas, Tex.; Harold LeCron, Norman; Frank Buzbee, Norman; James Mendenhall, Dallas, Tex.; Theron Schwertfeger, Muscatine, Ia.; and Percy Main, Clinton.

"Well, how are you getting on now you are married?" "It is just like paradise." "I am glad to hear that." "Yes, we have nothing to wear and are in daily fear of being turned out."—Vart Hem, Stockholm.

McCALLUM All Silk Chiffon HOSIERY

\$1 Full fashioned . . . all silk . . . eradle sole . . . Picot top . . . in the new shades of Spring Beige . . . Spring Tan . . . Marl-lene . . . Oris . . . Shadow . . . Grey.
