

THIRTEENTH ANNUAL
FARMER'S FAIR
 NEBRASKA'S BIGGEST STUDENT EVENT

Presenting A Complete Program Of Entertaining Features

YOU CAN'T AFFORD TO MISS THIS FAIR

The 1931 Farmer's Fair is going to be better than ever before . . . greater exhibits, more entertainment, more for your money . . . you will see Nebraska's greatest student event . . . Cornhusker co-eds will ride in the inter-sorority riding contest . . . there will be one dance . . . the big parade through the main business district of Lincoln at noon . . . then the 125 college of agriculture students will present a pageant, "Now and Then" in two different performances.

Former fairs have been billed as the biggest but now the 1931 fair looms up as the greatest in years. Students in the college have been working four weeks on your program. It must be good. You will see every department in the college exhibited out-of-doors. Coll-agri-fun, concessions and other features will be found on the campus waiting for you . . . truly you can't afford to miss the 1931 Farmer's Fair.
