

STATE PREPSTERS SET EXCEPTIONAL RECORDS IN MEET

Several Good Marks Turned In Despite Brisk Wind During Events.

DANBURY IS VICTORIOUS

Bridgeport, Hastings, and Seward Win in Other Divisions.

Old Man Weather played queer tricks on Nebraska prepsters Friday and Saturday in the twenty-ninth Nebraska interscholastic track and field meet. Friday, a brisk wind, whipping out of the south, was at the backs of the sprinters and broad jumpers and undoubtedly helped them to lower several records. Saturday afternoon the wind turned into the north and sprinters in the finals were forced to run into a stiff head breeze.

Notwithstanding, the high school tracksters turned in some exceptionally fine marks to conclude one of the most successful state meets ever sponsored by the University athletic board. In the four groups the championships were awarded to Danbury in group I, to Bridgeport in group II, to Seward in group III and to Hastings in group IV.

New Record Set.

One new meet record was established during the run-off of the finals on Saturday. Nichols, crack Ogallala vaulter, skimmed over the bar at 12 feet 5-8 inches for a new state record in that event, bettering the one established in 1927 by Morris of Grand Island by over four inches. Nichols, a junior in high school, gave an exhibition of vaulting that would have given him a place in any college competition. His perfect form drew round after round of applause from the spectators who centered their attention on his record breaking attempts.

Froelich of Friend, not content with his unaltered mark of 21.9-10 seconds in the 220-yard dash during the preliminary of Friday, raced into a head wind in the finals to win both the 100-yard dash and the 220. His mark in the hundred was 10 seconds while he was clocked in 22.9 for the 220, both exceptional performances considering the wind. The Friend flash ran one of the prettiest races of the meet to win the two events.

Young Wins Hurdles.

Gilbert Young, Hastings hurdler star, did much to give Hastings the championship in their group. He won the final heat of the 220 low hurdles in 25.5 seconds. Anderson of Omaha Tech captured the broad jump with a leap of 23 feet 2-8 inches during the Friday program, a sprained ankle preventing him from competing in the finals altho his mark, made with the wind at his back, withstood the onslaughts of competitors Saturday.

Cardwell of Seward, who captured pentathlon honors in 1931, won four firsts to aid Seward in capturing the championship of group III.

Joe Stephens, Central City distance star, turned in the best time for the mile, finishing a hundred yards ahead of his nearest competitor in the group III run, his time for the event being 4:41.2. The stocky Central City runner finished strong after laying back for the first half, sprinting for the finish.

Lamb Nears Record.

Lamb of Fallsdale came within a tenth of a second of equaling the present quarter-mile record. The lack of stiff competition possibly caused the Fallsdale star to slow down for the finish, his time being 31.5.

One of the big disappointments of the meet was the failure of stocky Max Egbert, Benson weight man, to break the existing shot put record. The Benson star has consistently bettered the mark thruout the season, but lacked a touch of tying the record with his best heave at the meet, getting the sphere out 48 feet 11 inches. The meet was conducted under the supervision of Coach "Indian" Schulte and his crew of Nebraska track men, and drew one of the largest crowds ever to witness a state interscholastic meet. Nearly 1,100 Nebraska prepsters took part in the two-day event.

BARBS PIC KNEW LEGISLATORS FOR EXECUTIVE GROUP

(Continued from Page 1.) elected to the council for next year are Delphin Nash, Henry; Ervin Watson, Pierce; Carolyn White,

Lincoln; and Magdaline Lebsach, Lincoln.

There were a thousand students in attendance at the party for which "Red" Krause and his orchestra played. The orchestra was seated atop huge ice cakes. Nearly 50,000 pounds of ice were used to cool the dance floor, one-third being placed in the eight large ventilator fans and the rest in large basins around the floor.

Various colors and designs were frozen into the cakes. Streams of yellow, blue, red and white crepe paper were strung from balcony to balcony and artificial icicles were hung from them.

The chaperones were given pin-on corsages of American Beauty roses and sweet peas, as favors. Those chaperoning the affair were Prof. and Mrs. P. S. Keim, Merrill Flood and Prof. and Mrs. L. E. Aylsworth.

MANY CLAMOUR IN SPRING ELECTIONS

(Continued from Page 1.)

Yellow Jackets have taken a back position in most of the elections of the year their unusually good slate may result in their giving the Blue Shirts a good go for the money.

The Yellow Jackets have slightly fewer candidates than the Blue Shirts. When asked the reason for this Neal Gomon, Yellow Jacket president, replied:

"In keeping with traditions of our party we are running candidates only when we are certain that they are worthy of representation in the Student Council. The Yellow Jackets feel that the filing of good men is an obligation which we owe the student body and in some cases good men have not been available, either through ineligibility or because of small representation in certain colleges. We do not believe in putting up a man merely for political reasons but instead choose not to file any at all unless we can offer the best."

The contest for senior man at large is sure to be a close one with a number of good candidates. Willard Hedge, Robert Kinkead, Delphin Nash, Ralph Rodgers, and Arthur Wolf are the men in the running.

Willard Hedge is a Yellow Jacket nominee. He is affiliated with Kappa Sigma, was former president of Alpha Kappa Psi, bizad professional, and is prominent in affairs of his college. Ralph Rodgers, the other Yellow Jacket candidate is a Sigma Chi, and is known to most of the students as university yell king. He is accomplished in track circles and belongs to the "N" club.

Robert Kinkead, Blue Shirt, is a member of Alpha Tau Omega. He is a member of the Innocents society, was vice president of the Corn Cobs, and is managing editor of the Cornhusker yearbook. Arthur Wolf, Sigma Phi Sigma, is the other Blue Shirt nominee. He also was tapped Innocent, is a member of the Interfraternity council, served on the Junior-Senior Prom committee and is faction president. He belongs to Sigma Delta Chi, professional journalistic fraternity, and Corn Cobs.

Delphin Nash, fifth senior man at large candidate, was filed by the barb faction of which he is president. He is active in activities at the college of agriculture and is a former Corn Cob.

Among the women running for senior woman at large are two Mortar Boards, Bereniece Hoffman and Dorothy Ann Weaver, who are in the field with LaVerle Herman and Mary Jane Swett. Miss Hoffman belongs to Kappa Alpha Theta and is president of the A. W. S. board. Miss Weaver is a member of Pi Beta Phi. LaVerle Herman, Gamma Phi Beta, is in the running, along with Mary Jane Swett, Kappa Kappa Gamma.

The contest for men's council positions in the college of arts and sciences will be strictly between Yellow Jackets and Blue Shirts, Howard Alloway, Sigma Phi

Sigma, and Phil Brownell, Delta Upsilon, are Blue Shirt representatives, while Jack Erickson, Alpha Theta Chi, and Elwood "Jack" Thompson, Phi Kappa Psi, will flaunt the Yellow Jacket banner.

Howard Alloway is a Daily Nebraskan staff reporter, belongs to Gamma Lambda, Sigma Delta Chi, and is on the Awgwan staff. Phil Brownell, the other Blue Shirt, is a member of Corn Cobs and is assistant managing editor on the Cornhusker.

Jack Erickson has been student council reporter, and has covered its sessions for the Nebraskan during the year. He belongs to Corn Cobs, Sigma Delta Chi, journalistic professional, and Sigma Upsilon, literary honorary. He is publicity editor on the Cornhusker staff and is on the Awgwan staff.

Elwood "Jack" Thompson is assistant business manager on the Daily Nebraskan and was president of the freshman class a year ago. He is on the interfraternity council, belongs to Corn Cobs and had one of the cast leads in "High and Dry," this year's Kosmet Klub show.

Four women are filed for the three elective positions in arts and sciences. They are: Lucile Hendricks, Alpha Omicron Pi; Alice Quigle, Phi Mu; Irma Randall, Alpha Delta Pi, and Ruth Wimberly, Kappa Delta.

In teachers college, Melvin Swanson, Delta Sigma Lambda, is the only candidate for the men's position. He wears Blue Shirt colors.

Five women are contesting for the three council positions offered in teachers college. They are: Elizabeth Barber, Alpha Phi; Margaret Cheuvront, Gertrude Clark, Alpha Xi Delta; Harriet Dunlap, Alpha Chi Omega, and Margaret Reedy.

Elmer Harpstreith, an independent, is the lone pharmacy college candidate, while at the agricultural college, Glen LeDioyt, Farm House Blue Shirt, and Eleanor Dixon, Chi Omega, have the field to themselves with no opposition.

In the college of business administration, Norman Gallaher, Delta Tau Delta, will represent the Blue Shirts, while Harold Hinds, Kappa Sigma, is the Yellow Jacket man. Both are members of Corn Cobs. In addition Gallaher is captain of Company A, is on the interfraternity council, and is assistant business manager on the Daily Nebraskan, while Hinds is a member of Alpha Kappa Psi, professional bizad fraternity, and is an honor student. Jane Youngson, Kappa Alpha Theta, is the only candidate for the women's position open in this college.

In the school of fine arts where two positions are open, three women—Mary Alice Kelly, Kappa Kappa Gamma; Catherine Warren, Phi Mu, and Dorothy Anne Zollner, Delta Gamma—have filed. Fred Wanek, Delta Sigma Delta, Blue Shirt, is the only man filed for the dental college council post.

The college of engineering has two each from the Blue Shirt and Yellow Jacket factions filed for the two positions open. Yellow Jackets offer John Hossack, Phi Sigma Kappa, and Willard Kremer, Sigma Phi Epsilon, who was runner-up in last year's interfraternity golf match and has been an honor student for two years. Blue Shirts have filed Howard Mixson, Lambda Chi Alpha, who is in charge of the military department's crack drill squad, and Irving Walker, Alpha Gamma Rho, chairman of the interfraternity council rushing committee and a member of A. S. A. E. The law college council post will be contested between the Yellow Jacketed Marshall Pitzer, Phi Kappa Psi, who is a former Innocent and now a member of Phi Delta Phi, and Lloyd Pospishil, Delta Theta Phi, who is on the debate team and is an honor student, in

addition to flying Blue Shirt ribbons. Three students, two men and a woman, are in the race for the graduate college council opening. Cyril Coombs, Yellow Jacket hope, is a member of Pi Kappa Phi and is the author of three Kosmet Klub shows which were played by former Kosmet Klub casts. W. E. Craig, Alpha Chi Sigma, is the Blue Shirt man, while Dorothy Gifford is the woman candidate.

For senior publication board member three candidates are filed, the Barbs having a representative this time. Coburn Tomson, member of Innocents society, Phi Kappa Psi, "N" club, and the track team, is the Yellow Jacket candidate. William Eddy, Lambda Chi Alpha, is the Blue Shirt man, while the Barbs offer Clarence Himes.

Robert Glover, Phi Gamma Delta, who belongs to Corn Cobs and has worked actively on the Kosmet Klub staff, is the Yellow Jacket nominee, while John Zeilinger, Delta Phi Gamma, Corn Cob, interfraternity council, and Kosmet Klub show, is the Blue Shirt candidate.

Among the freshmen contesting for sophomore publication board position are Charles Baker, Phi Delta Theta, Yellow Jacket, and the barbs have no one filed. Byron Goulding, Beta Theta Pi, Blue Shirt.

TIGERS RALLY IN NINTH TO DEFEAT HUSKERS 6 TO 5

DAVISON AND KOTAB HIT IN Final Inning Turns Saturday Game.

Three Point Scoring Event Nebraska Batters Do Heavy Slugging With Two Clouts Each.

With everything rosy and the score 5 to 3 in favor of Nebraska, the Missouri baseball team unloosed a three-score rally in the last half of the ninth and nosed out a win over the Huskers, 6 to 5. There were two down when the deciding run was pounded in. This made it two in a row for Missouri since the southern club drubbed Nebraska, 9 to 0, on Friday. The Bengal hitters nipped Hank Armatis, pitching to Boo Williams, for eleven hits to the seven that his teammates were able to knock out. The Huskers cut down on their errors from eight on Friday to two Saturday.

These two latest victories for Missouri throw it into a tie with Oklahoma for the Big Six pennant. The Sooners beat Iowa in Norman Saturday, 3 to 2. Word from Columbia states that Missouri will seek a post season series with Oklahoma to decide the existing deadlock. A Sooner-Tiger tilt earlier in the season was rained out.

Davison and Kotab were the heavy hitters for Nebraska Saturday collecting a pair of socks apiece. Carter and Farmer for

Missouri were each credited with three safe hits. Friday's Game. A single hit and no runs Friday at Missouri had to satisfy the Cornhuskers in the baseball contest which the Tigers won, 9 to 0. Norman Wagner occupied the box for the Bengals. Wandra and Oetgen, pitching for the Nebraskans, allowed eleven hits which, combined with eight Husker errors, permitted the Missourians to capitalize in the scoring column. Russ Snygg, playing first base for the Browne men, singled in the fifth to knock out the only Nebraska hit of the day. Wagner of Missouri not only starred as pitching ace but crashed out three hits in four times to the plate smacking one for two bases when the whole Nebraska team held a conference back of second to catch his fly and leave the base uncovered.
