### Semi-Annual Apportionment Involves \$515,974 Division.

Four counties of Nebraska will receive upwards of \$10,000 each. and several others almost that amount, in the semi-annual apportionment of state school funds now being made. The sum of \$12,452 will go to Custer county; \$29,427 to Lancaster; \$55,146 to Douglas, and \$10,943 to Scottsbluff.

Total amount of the allotment is \$515,974, disregarding odd cents. One-fourth of the amount is divided equally among all the 6,452 school districts entitled to share. The other three-fourths is distributed according to the number of children of school age in the different districts.

On the foregoing two-way basis, each district is allowed \$19.981/2 plus, while for every pupil enumerated in the school census the districts get a trifle less than 95 cents.

In making up the apportionment, the state superintendent's office set aside \$905.50 to pay tuition of army and navy officers' children, under provisions of H. R. 445 enacted by the last legislature. That law, however, has been held inoperative by the attorney general, and the money will therefore not be paid out. It will be kept on

# **Trend of High School Graduates Is** Toward University, Survey Reveals

lege in the minds of high school graduates is definite if results of a survey conducted by the University of Wisconsin extension division can be taken as an evidence 1,265 and nursing was third in or-of the sentiment of American der with 1,104. Other vocations youth in general.

Asked to state their educational aims, 7,553 seniors in 407 Wisconsin high schools indicated intentions of going on with school work, while 1,755 said they did not plan to continue in school. A total of 3,580 were undecided.

A total of 13,305 high school graduates filled out the questionnaire. Most of these school groups were addressed by university extension field representatives, who furnished information and counsel concerning higher education or vocational careers but refrained from urging attendance at a particular school. The graduates were given information on study opportunities pber, survey in all universities and colleges in and builder

Wilma G. Worden will be the head of the department of mathematics. She received her M. A. degree in mathematics this spring. Seh has had teaching experience at Cedar Rapids and held a fellowship in the department of mathematics during the past year.

## JOHNSON HAS FELLOWSHIP

Supervisor of Sciences Will Study at Cornell; On Leave of Absence.

P. G. Johnson, supervisor of sciences, Teachers college, has been awarded the Charles Lathrop Pack fellowship in nature education and forestry and will leave in the fall on a year's leave of absence to study at Cornell toward a doctor's

degree. Mr. Johnson's work will taken over by John H. Straka who assisted Professor Brownell and received his masters degree in the department of secondary education last winter.

### FOUR GRADUATES **RETURN TO CAMPUS**

Four former students of the college of engineering returned to visit the campus this week, according to Dean O. J. Ferguson. They are Edwin F. Schoenbeck, '25, county engineer, Lake county, Gary, Ind.; Harold B. Muff, '30, Lake county, who has accepted a position with the White Eagle Oil company at Augusta, Kas.; Noel L. Smith, '27, N J

Following the picnic supper the Capitol Beach management is sponsoring a free entertainment in their open air theater. This will also be presented during the intermission of the dance at 10:30 o'clock.

Those who sold tickets Thursday include Helene Cooper in the morning, and Margaret Huston and Wendell Dodd in the afternoon. Today, M. R. Colson will have charge from 8 to 9; Margaret Huston from 9 to 10; Heleve Cooper from 10 to 11 and Verne Jones from 11 o'clock until noon.

### German Class Plans **Party For Korteling**

Members of Miss Wittman's German II class are giving a farewell party for Rev. Arthur Kor-teling on Friday evening at the home of Olinda Richards, 4013 Holdrege street.

Rev. Korteling is leaving for Berlin on Aug. 1 where he will study for a year at Berlin university.

### W. W. Curfman Dies From Auto Injuries

Word has been received from Minnesota of the death of Wayne W. Curfman, assistant Lincoln superintendent of schools until 1927 when he resigned to accept the position of superintnedent of schools at Lawrence, Kansas. Death was caused by a head-on collision which brought almost instant death to his wife and daughter, Mr. Curfman dying Tuesday night. The accident occurred on Monday afternoon. Mr. Curfman was a member of the Nebraska chapter of Phi Delta Kappa.
