**HORSESHOE TOSSERS
FINISH FIRST ROUND**

Finals Must Be Completed By July '29; Numerous Changes Necessary.

The horseshoe tournament has completed the first round and is half way thru the quarter finals. The lower bracket of the latter round is to be completed this week as a part of the semi-final matches. Finals must be completed by July 29.

Guthrie defeated Schwarz in the quarter finals while Busch beat Witt who had been substituted for the Cotting-Klaurens match. Epp was defeated by Wilhelms, the latter being substituted for Beatty and Swan who were declared ineligible because they were not students in the university this summer. Schmidt won from Clason.

In the first round, Vogt forfeited to Ritchey while Wilson won in the same manner from Arthur Jones; Vogt and Jones having completed the six week term.

The pairings for the rest of the quarter finals include Andrews vs. Lightbody; Majors vs. Quimby and Ritchey vs. Patterson who has been substituted for Wilson.

The pairings for the semi-finals in the upper bracket include Guthrie vs. Busch; Wilhelms vs. Schmidt.

The horseshoe courts are open almost every evening south of Teachers college and some member of the students executive committee will be present in order that the matches may be played with officials present.
